

Subpopulation Fact Sheets

The Student Affairs Division at Utah Valley University houses a variety of programs, initiatives, and offices that provide services through the lens and experiences of historically underrepresented or underserved populations. These services are available to all UVU students. . As a result, Student Affairs provides the fact sheets below as an annual update on the impact of these areas.

The demographics served by these initiatives include:

- *Female Students*
- *Students of Color*
- *International Students*
- *First Generation Students*
- *Military-Connected Students*

These initiatives utilize both public funds and private donations to improve the experiences of all students at UVU. Through programming, scholarships, and mentorships, our initiatives have positively impacted the retention, persistence, and completion of our students.

The metrics discussed in these fact sheets include:

- *Retention: Percentage of students in a fall cohort of first-time, full-time, bachelor degree-seeking students who enroll in the following fall semester.*
- *6-Year Graduation: Percentage of students in a fall cohort of first-time, full-time, bachelor degree-seeking students who earn their bachelor's degree within 6 years of initial enrollment.*
