Open ended questions

16. What helped your learning the most in this class?

17. What suggestions do you have to improve this class?

Teaching Approach

The following questions are not used for retention, tenure and promotion decisions. They are used for the university to better understand the current level of student engagement in other areas.

18. Did you work collaboratively (e.g., teams, pairs, peer groups) for much of the class?
19. Did you connect what you were learning in class to local, national, or global community through an internship, service learning, a field experience, or other activity?
20. Did you participate in any campus or community events as part of a requirement for this class (e.g., speakers, field trips, conferences, on-campus events)?
