Date posted and verified: MM/DD/YYYY
1.0 PURPOSE

1.1 This policy ensures Utah Valley University’s compliance to state and federal laws and establishes regulations regarding the operation of skateboards, roller blades, roller skates, bicycles, motorcycles, Segways, and similar devices on campus and in university-owned facilities.

2.0 REFERENCES

3.0 DEFINITIONS

3.1 Skateboards: Any board with attached wheels.

3.2 Segways: Motorized, two-wheeled device that one stands on to operate.

3.3 Scooters: Two-wheeled device that is stood on and manually operated.

3.4 Concourse: Internal, enclosed hallways.

4.0 POLICY

4.1 Students, employees, and visitors of Utah Valley University who operate skateboards, roller blades, roller skates, bicycles, Segways, scooters, and similar transportation devices on university property shall comply with state law and shall exercise due care and reasonable caution to prevent injury to self, others, and property and shall yield the right of way to pedestrians at all times and shall not exceed a reasonable speed except as part of a university-approved competition or function.

4.2 Use of motorized devices or scooters, Segways, etc., for medical or ADA purposes must be approved through Accessibility Services.

5.0 PROCEDURES

Printed On:
March 18, 2013
5.1 This policy applies to students, employees, and visitors of Utah Valley University. Notices or citations shall be issued by University Policy or Parking Services Enforcement personnel to students, employees, and visitors found to be in violation of this policy. These notices and citations shall be resolved by Parking Services or at a court specified on the citation if applicable.

5.2 Skateboards, roller blades, roller skates, scooters, and bicycles shall be used only upon roadways, sidewalks, and paths unless directed otherwise by regulations or traffic signs.

5.3 Skateboards, roller blades, roller skates, bicycles, Segways, scooters, and similar transportation devices shall not be used upon any stairways, structures, landscaped areas, concourses, and within any buildings with the exception of university-owned motorized devices as permitted by the Grounds Department for grounds maintenance or with the annual approval of the University Chief of Police.

5.4 The use of Segways on campus property must be approved by the Chief of Police. Segways and similar devices shall not be operated on sidewalks or paths with the exception that approved Segways, university-owned, all-terrain vehicles, or golf carts may be operated on sidewalks and paths in the performance of university-sanctioned duties with the approval of the Chief of Police.

5.5 Bicycles, motorcycles, and similar devices shall not be parked on or at disabled ramps and entrances, hallways, stairwells, fire hydrants, and classrooms. Bicycles, motorcycles, and similar devices shall not be parked at or near any building entrance or exit in such manner as to impede the free and clear use of such areas.

5.6 All-terrain vehicles, golf carts, or similar vehicles may not be operated on campus landscaped areas without the written annual approval of the Director of Grounds. These vehicles must be parked in approved areas as designated by the Associate Vice President of Facilities.

Title: Restrictions on the Use of Skateboards, Roller Blades, Roller Skates, Bicycles and Motorcycles

Number: 403

Section: Facilities, Operations, and Information Technology

Approval Date: Feb 09, 1995

Subsection: Safety, Security, and Vehicles

Effective Date: Feb 09, 1995

I. Policy

A. PURPOSE

To establish regulations regarding the operation of skateboards, roller blades, roller skates, bicycles, motorcycles and like devices on campus and in university-owned facilities.

B. POLICY

1. Students, employees and visitors of Utah Valley University who operate skateboards, roller blades, roller skates, bicycles, motorcycles and like devices on college property shall exercise due care and reasonable caution to prevent injury to self, others and property.

2. Students, employees and visitors of Utah Valley University who operate skateboards, roller blades, roller skates, bicycles, motorcycles and like devices on college property shall yield the right of way to pedestrians at all times and shall not exceed a reasonable speed except as part of a university-approved competition or function.

3. Skateboards, roller blades, roller skates, bicycles, motorcycles and like devices shall not be ridden upon any stairways, structures, landscaped areas, concourses and within any buildings. Skateboards, roller blades, roller skates and bicycles may only be ridden upon roadways, sidewalks and paths unless provided by regulations or traffic signs. Motorcycles and like devices shall not be operated on sidewalks or paths under any circumstances.

4. No skateboard, bicycle, motorcycle or similar device shall be used to carry more persons at one time than the number for which it was designed and equipped.

5. Bicycles, motorcycles and like devices shall be equipped with such brakes, reflectors and other safety mechanisms as required by State law for operation on streets and highways.

6. Bicycles, motorcycles and like devices shall not be parked on or at disabled ramps and entrances, hallways, stairwells, fire hydrants, and classrooms. Bicycles, motorcycles and like devices shall not be parked at or near any building entrance or exit in such manner as to impede the free and clear use of such areas.

7. Any State laws pertaining to skateboards, roller blades, roller skates, bicycles, motorcycles and like devices are in full effect at the College and all property operated by Utah Valley University.
C. SANCTIONS

Violations to this policy may be enforced against students, employees and visitors of Utah Valley University by notices or citations which may be processed and settled through the University Police.
