ISSUE:
Board of Trustee approval required for purchase.

BACKGROUND:
Video upgrades to our facilities will benefit the athletic department, enhance university and community related functions and generate student excitement. Our current facilities have outdated and technologically deficient equipment. Digital upgrades to our facilities will create a new and positive perception when visitors come to our campus. This will generate new and enhanced revenue opportunities. We are currently the only NCAA Division I university in Utah without digital features.

Estimated Cost: $1.2 Million

Source of funding: Conference Affiliation Fund (funds set aside by students for this purpose)

UCCU Center
The following equipment will be installed in the UCCU Center:

A. Main Center Hung Scoring Video Display
   i. 4 sides
   ii. LED Video Displays
       1. Pitch: 10mm
       2. Minimum Size: 8’ h x 13’ w
   iii. Scoring system below each video display which displays the name of each team, points, fouls, bonus possession arrow, and time
   iv. Hoist system that reaches floor to ceiling
   v. Circular advertising panel on top of video displays

B. Stat Boards
   i. Quantity: 2
   ii. Location: North-East side and South-West side
   iii. Minimum Size: 4’ h x 10’ w
   iv. Boards will display the name of each team, player number, fouls and points
   v. These boards will be separate from the side scoreboards and will include two backlighted sponsor panels in the middle of the boards 3’ 4” h x 3’ w

C. Side Scoreboards
   i. Quantity: 2
   ii. Location: North-West side and South-East side
   iii. Minimum Size: 4’ h x 10’ w
   iv. Boards will display the name of each team, fouls, points, bonus & double bonusarrows, T.O.L, Period, and time
   v. These boards will be separated from the stat boards and include one back lighted sponsor panel located below the scoreboard 2’ h x 10’ w
D. Ribbons
i. Quantity: 2
ii. Location: North and South
iii. Length: 114 feet
iv. Width: 2 feet or 3 feet (provide both options)
v. Pitch: 10mm or 20mm (provide both options)

E. Digital Scorer tables
i. 4’ h x 48’ w (east side)
ii. 4’ h x 20’ w (west side)
iii. Pitch: 10 mm
iv. The length will need to reach three point line to three point line

F. Locker room timers
i. Quantity: 4
ii. Location: All four locker rooms in the UCCU Center

G. Shot clocks
i. Quantity: 4
ii. Location: Installed on all four baskets

H. Possession arrow
i. Standalone, located on top of scorers table

I. LED TVs
i. Quantity: 12
ii. Location: 4 on north and south concourses, 4 next to the ticket office
iii. Size: 46” each
iv. Will have connectivity to main center hung video feed and the campus feed. Must include necessary hardware and software to switch feeds easily. We will need control of each TV located next to the ticket office to display separate messages

J. HD Cameras with Tripods
i. Quantity: 4
ii. Location: Portable cameras
iii. Will include all necessary video control hardware, software and cabling to produce live events
iv. HDSDI out with video production switcher with multi-display output
v. System will be installed in a rolling, portable cart for use in multiple locations

RECOMMENDATION:
UVU Administration recommends approval of purchase of digital signage for use by Athletics and the university.
