

## WESTERN UNDERGRADUATE EXCHANGE (WUE)

### APPLICATION SELECTION

UVU accepts 54 students per semester into the WUE program. Entering freshmen, readmitted students and transfer students are eligible. UVU makes no attempt to advertise or otherwise notify prospective WUE students of the availability or other aspects of this program. The individual applying for this program must **fill out the WUE application** (see below) and will be processed on a first come, first served basis. There is usually a waiting list of 150 students and UVU makes no guarantee that a student will receive the scholarship.

If you have any questions contact Ryan Burton via email at [burtonry@uvu.edu](mailto:burtonry@uvu.edu).

**\*\*\*It is essential that Ryan has your current local and permanent addresses and telephone numbers. Otherwise you may not receive the information you need to continue the program. If we make an attempt to contact you and can not do so, you will forfeit your spot on the waiting list and the WUE scholarship.\*\*\***

Applicants accepted into the WUE program, sign an "acceptance contract" stating they understand the conditions of the program. **Students on the WUE program are not able to gain Utah residency during any semester they are a WUE participant.** Time in Utah cannot be counted towards the residency requirement.

### STATES OF RESIDENCE QUALIFYING UNDER THE "WUE" PROGRAM AT UVU

Only applicants whose legal residence is one of the following western states are eligible for this program: **Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, North Dakota, Oregon, South Dakota, Washington and Wyoming.**

### TUITION

Applicants admitted as WUE students will be assessed **150% of resident tuition** each academic semester of enrollment under the WUE program. The WUE student will be notified at the time of initial enrollment that he/she must request continuation of WUE status for each subsequent semester of registration as a WUE student.

**If a student is found to be registered in non-qualifying classes or in a non-qualifying major they will be dropped from the WUE program and will be charged the regular nonresident tuition.**

### GPA

The minimum GPA requirement for a student to be offered WUE (if already attending UVU) or to maintain WUE is 2.0.
