

## GRADUATION OFFICE

Room BA 114  
801-863-8438

Utah Valley University offers the following degrees: Master of Education, Bachelor of Applied Technology; Bachelor of Arts; Bachelor of Fine Arts; Bachelor of Science; Associate in Science; Associate in Arts; Associate in Science in Business; Associate in Science in Nursing; Associate in Applied Science; Associate in Pre-Engineering; Diplomas, and Certificates are also offered.

## GENERAL GRADUATION REQUIREMENTS

Students are expected to familiarize themselves with the rules and regulations of both the College and their specific majors. Detailed information concerning graduation requirements is available in this catalog as part of department descriptions. Responsibility for satisfying all graduation requirements rests upon the student. Utah Valley University reserves the right to change graduation requirements at any time.

The University confers degrees, diplomas or certificates upon students who meet both the General Education requirements of the University and the specific requirements of one of the academic departments.

## Credit Requirement

A candidate for a Bachelor's Degree must complete a minimum of 120 semester hours, 40 of which must be upper-division credits (level 3000 or above); an Associate Degree, a minimum of 60 semester hours; a diploma, a minimum of 50 semester hours; and a one-year certificate, a minimum of 30 semester hours. In addition to the appropriate number of credit hours, to be eligible for graduation a candidate must show satisfactory completion of appropriate program requirements. Please see the Graduate Studies section of the catalog regarding credit requirements for Master degree programs.

## Computer Literacy

It is recommended students complete a computer literacy course before Graduation. The course should cover the areas of: Word Processing Applications; Spreadsheet Applications; Presentations Applications; and Database Applications. The recommended course is DGM 2010. A course (DGM 1010) is available that covers Basic Computer Concepts/Operating Systems and Basic Internet/E-mail Applications. All Woodbury School of Business Graduates are required to satisfy computer proficiency requirements. See your advisor for specific details.

## Grade Point Average Requirement

A cumulative grade point average (GPA) of 2.0 (C) is required for graduation. In some programs specific course grades below 2.0 will not be accepted for graduation (see individual program requirements).

## Graduation Catalog Requirement

Candidates for graduation will be held to the requirements of the catalog under which they were admitted. Students have a maximum of 7 years to complete Bachelor Degree Programs and 5 years to complete all others. In the case of Bachelor's degree programs, the seven year limit begins when a student is formally matriculated into the program. When students take longer than the given years to complete, they must choose from any one catalog published within the accepted period prior to their graduation. Programs that are no longer being offered may not be pursued by students who were not admitted or formally matriculated in that program during the accepted period of time. Students may not combine portions of different catalogs to fulfill graduation requirements. Once a catalog is selected, students must abide by all the graduation requirements specified within that catalog. Minors can only be sought if offered during that catalog year. Please see the Graduate Studies section of the catalog regarding catalog year requirements for Master degree programs.

## Global Intercultural Requirement

Beginning Fall of 2008, a graduation requirement, the Global Intercultural Requirement, will be put in place for all students graduating with a Bachelor's

following 2008, or later, catalog requirements. The purpose of the Global/Intercultural requirement is to assist our students to become better prepared to understand and participate in the global and diverse cultural interdependencies that characterize our world.

The Global/Intercultural requirement is a graduation requirement at the bachelor degree level. Courses that may be used to complete this requirement will be coded with a GI course attribute.

**Residence Requirement**

At least 30 credit hours in residence at UVU or satellite sites are required for a Bachelor's Degree, with 10 hours earned during the last 45 earned hours. Two-year degrees require at least 20 hours in residence. One-year certificates require at least 10 hours in residence. Please see the Graduate Studies section of the catalog regarding residence requirements for Master degree programs.

**Multiple Degrees**

Individuals may earn either an AS or an AA degree and may, in addition, earn AAS degree(s) and bachelor degree(s). A student having an AS/AA degree may not earn another AS/AA degree at UVU. However, a student having an AAS degree from another college may earn additional AAS degree(s) and/or an AS/AA degree at UVU, as well as earning a bachelor's degree and multiple emphases.

Additional AAS degrees may be awarded when all requirements for each degree are satisfied. A second bachelor's degree may be awarded when all requirements for both degrees are satisfied, along with the following:

1. All UVU general education requirements must be satisfied.
2. Thirty semester hours beyond the original degree must be completed.
3. Twenty semester hours of the thirty hours in No. 2 above must be completed at UVU (resident hours).
4. Approval of a second bachelor's by the supervising dean.

**Dual Majors (One degree–two majors)**

A degree with dual majors may be awarded when students complete all requirements for two approved degrees, but have not met the required "Thirty semester hours beyond the original degree" requirement as listed above for a Second Bachelor's Degree. Students receive a single Bachelor degree and diploma, but have two different majors listed on their transcript and diploma.

Other information regarding the dual major:

1. Students apply for graduation for one degree, and only one degree type, such as a Bachelor of Science, or a Bachelor of Arts.
2. In order to be awarded a dual major, both majors must be completed during the semester when (or prior to) applying for graduation.
3. Students may have no more than 3 substitutions from the two majors combined.
4. Minors may not be obtained in either major, but may be awarded from another area if all requirements are met.
5. Credits may exceed the maximum 126 credit-hour limit.
6. Students may not apply for a dual major if they have already graduated in one of the majors.
7. Students may not apply for graduation for one of the dual majors separately after being awarded the dual major degree.

**DEGREE REQUIREMENTS**

**Master of Education**

Please see catalog entries for the Graduate Office and the School of Education regarding degree requirements.

**Bachelor of Arts/Science Degree**

Graduation requirements for the Bachelor of Arts/Science Degrees are:

- Completion of a minimum of 120 semester credits, or more if specified by program requirements;
- Overall grade point average of 2.0 (C) or above. Departments may require a higher GPA;
- Residency hours - minimum of 30 credit hours through course attendance at UVU, with at least 10 hours earned in the last 45 hours;
- At least 40 credit hours in upper division courses;
- Completion of general education requirements. See General Education Section for specific courses required for graduation;
- Completion of specific departmental (major) requirements.
- Completion of Global Intercultural Requirement course.

For a Bachelor of Arts degree in programs offering the degree, students must complete 18 credit hours of course work from one language to include the 1010, 1020, 2010 and 2020 levels, or transferred equivalents. Some ESL course work may be used to fulfill this requirement. See the ESL department for specific details.

**NOTE:** Academic Departments may require specific general education courses in addition to major requirements.

Multiple Emphases

Additional emphases (not tracks or specialties) under a specific bachelor's degree may be earned by completion of the requirements for those emphases. Additional emphases will appear on transcripts, but no additional diplomas will be awarded.

**Associate in Science/Arts Degree\***

Graduation requirements for the Associate in Science/Arts Degree are:

- Completion of a minimum of 60 or more semester credits;
- Overall grade point average of 2.0 (C) or above. Departments may require higher GPA;
- Residency hours - minimum of 20 credit hours earned through course attendance at UVU;
- Completion of general education requirements. See General Education Section for specific courses required for graduation;

# Graduation and General Education

- Completion of specific department (major) requirements.

**NOTE:** Academic departments may require specific general education courses in addition to major requirements.

\*The Associate in Arts Degree differs from the Associate in Science Degree in that a minimum of 10 credits must be earned in the same Foreign Language.

## Language Proficiency

A second language is required to obtain the Associate in Arts Degree. This language must be different from the student's native language. Language proficiency may be demonstrated by any one of the following methods:

- Ten credits of the same language taken at UVU or transferred from another college; or
- Application of foreign language challenge credit as described in the Foreign Language Challenge Procedures (available from the Languages Department Chair).
- Language credit does not apply to the General Education Humanities Distribution area (except for any 2020 course) but will apply as elective credit in the AS/AA degree and as Humanities credit for the AAS degree.

## **Associate in Applied Science**

Graduation requirements for the Associate in Applied Science Degree are:

- Completion of a minimum of 63 semester credits;
- Overall grade point average of 2.0 (C) or above;
- Residency hours - minimum of 20 credit hours earned through course attendance at UVU;
- Completion of department general education requirements;
- Completion of specific department major requirements.

## **Diploma**

Diplomas require a minimum of 50 credits in a specialty area. Some programs offering AAS degrees also offer diplomas. Not all departments offer diplomas. See specific department program listings for details.

## **Certificate**

Certificates require a minimum of 30 credit hours. Many departments offer one-year certificates. Not all departments offer a certificate. See specific department program listings for details.

## **GENERAL GRADUATION INFORMATION**

### **Application for Graduation**

Graduation is not automatic. Prospective graduates must complete the on-line Graduation Application via UVLink which includes payment

of the application fee. Applicants may also be required to fill out additional forms/surveys. The application must be completed by the deadline on the application.

## APPLICATION DEADLINES

- Fall Semester: First Friday in October
- Spring Semester: First Friday in February
- Summer Semester: First Friday in June

Graduation applications are processed each semester. Diplomas are mailed to graduates after final grades are reviewed and graduation requirements are verified as completed. Students failing to complete graduation requirements by the end of the semester for which they have applied must reapply for graduation and pay another graduation fee.

## **COMMENCEMENT**

Commencement exercises are held once each year at the end of Spring semester. Students who have completed their graduation requirements during the Summer, Fall or Spring of that academic year are invited to participate. Attendance is desirable, but not mandatory.

## **FINANCIAL HOLDS**

Candidates for graduation who owe money to Utah Valley University will not receive their diplomas until all debts are paid.

## **GRADUATION WITH HONORS**

Honors at graduation are available to students who meet the following minimum cumulative grade point averages: (Honors designations are computed on hours completed; 20 hours minimum for Associate degrees; 30 hours minimum for Bachelor's degrees.) Please see the Graduate Studies section of the catalog regarding honors designation for Master degree programs.

### **Two-year Degrees**

Associate in Science/Associate in Arts  
Honors GPA 3.60  
High Honors GPA 3.80

### **UVU Honors Program**

GPA 3.50  
(Other criteria required by Honors Department)

### **Phi Theta Kappa**

GPA 3.50  
(Other criteria required by Club)

### **Bachelor's Degrees**

Cum Laude GPA 3.60  
Magna Cum Laude GPA 3.80  
Summa Cum Laude GPA 3.90

### **Valedictorians**

Each of the Colleges and Schools of the University will select a valedictorian from a list supplied by

the Graduation office of candidates graduating with honors during the academic year. Colleges and Schools with bachelor degrees will select a valedictorian for both associate degree graduates and one for bachelor degree graduates.

Approved guidelines will provide the framework for the process of selecting valedictorians.

## **GENERAL EDUCATION INFORMATION**

General Education assists students to become independent, creative, and productive learners. The knowledge and skills gained from General Education provide a broad educational background that benefits students for a lifetime, regardless of their career paths.

Completion of the Utah Valley University general education requirements will fulfill the general education requirements at all colleges and universities within the Utah System of Higher Education. However, certain majors, both at this institution and other Utah institutions, may require specific general education courses. While UVU has not articulated these courses with higher education institutions outside the State of Utah, they will generally articulate to other accredited colleges and universities in the United States. It is the responsibility of students to complete the appropriate general education courses required by their departments regardless of the generalized list printed in this catalog.

**NOTE:** Students taking general education courses without having declared a specific major are advised in the Career and Academic Counseling Center, WB 147, Phone: 801-863-8425. Students who have declared a specific major that is taught at UVU will be directed to the appropriate advisor upon completion of new student orientation and assessment activities.

### **Department Articulation Agreements**

In addition to general education courses, many departments have articulated specific courses that transfer to help fulfill baccalaureate degree requirements. Information concerning these courses may be obtained from UVU department advisors or the Graduation and Transfer Services Office, BA 114.

## **GENERAL EDUCATION CODE SYSTEM**

General Education course designator codes (Attributes) aid students and transfer institutions to identify how general education courses meet graduation requirements.

The following list identifies general education core and distribution courses as they apply to the Associate in Science/Arts Degrees and Bachelor of Science/Arts Degrees:

AS - American Institutions

BB - Biology

CC - English Composition

FE - Fitness for Life

- FF - Fine Arts
- GI - Global Intercultural Requirement
- HH - Humanities
- IH - Ethics and Values
- LH - Foreign Language
- MM - Mathematics
- PP - Physical Science
- SS - Social Science
- TE - Personal Health
- XF - Must be taken with another course to equal FF (see department)

In addition to the courses listed above, the courses listed below also fulfill the minimum requirements in general education for the Associate in Applied Science Degree:

- GB - Biology
- GC - English Composition
- GE - Health or Physical Education
- GF - Fine Arts
- GH - Humanities
- GM - Mathematics
- GP - Physical Science
- GS - Social Science

**GENERAL EDUCATION REQUIREMENTS**

Associate in Arts/Science Degree  
Bachelor of Arts/Science Degree

These requirements satisfy the general education requirements for both the Associate in Science and the Associate in Arts Degrees, as well as the Bachelor of Arts/Science Degree at UVU, taking into account adjustments that may be required by academic departments to fulfill their specific needs. Honors courses with the same prefix and number also satisfy distribution requirements. Total core and distribution is 35 credits.

## ADDITIONAL GUIDELINES FOR COMPLETION OF THE ASSOCIATE IN SCIENCE/ARTS DEGREE

The Associate in Science and the Associate in Arts Degrees are designed to complete General Education requirements and could complete lower division pre-majors for Baccalaureate Degrees at UVU or other colleges or universities.

The General Education courses shown above constitute the majority of the credits required for these degrees. In addition to the general education requirements, these degrees require 25 additional credit hours.

Associate in Arts degrees require 10 hours of these 25 hours to be from the same recognized foreign language.

See your specific academic department for further information on appropriate course work to complete a pre-major or the remaining 25 hours. The Career and Academic Counseling Center (WB 147) has some specific outlines available to transfer to other institutions.

## ASSOCIATE IN APPLIED SCIENCE DEGREE

This is a general outline. Refer to the department or Graduation Office for specific requirements. A total of 16 credit hours is required. Students must have a minimum of two credits in each area, except "F" (PE/Safety/Environment/Health).

A. ENGLISH .....2 credits  
 ENGL 1010 Introduction to Writing  
 ENGL 1060 Career Writing for Technology  
 or  
 ENGL 106A Career Writing for Technology - A  
 or

## TRANSFER INFORMATION

For Students Transferring to Four-year Institutions Colleges and Universities in the Utah System of Higher Education.

UVU courses numbered 1000 or above will transfer within the Utah System of Higher Education. However, the application of these courses toward graduation is determined by academic departments of receiving institutions.

For students transferring to colleges and universities in the Utah System of Higher Education before earning an Associate in Science or Arts Degree, or a Bachelor of Science Degree, a certified letter verifying completion of the UVU General Education requirements may be requested from the Graduation Office. This letter will cause the gaining institution (run by the State of Utah) to accept the completion of UVU general education requirements as fulfilling all of the general education/liberal education requirements of the gaining institution.

NOTE: Completion of an AA/AS degree waives only General Education Requirements. It does not waive the necessary hours to graduate. A student transferring to another institution should check with that institution to see how their credits have been accepted toward their degree.

## PRIVATE, PAROCHIAL, OR OUT-OF-STATE COLLEGES AND UNIVERSITIES

Since these schools are not bound by Utah State Regents' policies, colleges and universities outside the Utah System of Higher Education may have specific requirements and may not accept all courses available at UVU.

## BRIGHAM YOUNG UNIVERSITY

Brigham Young University accepts the Associate in Science/Arts Degree for completion of its general education requirements. Courses with grades of "D+" or lower will not transfer. Some departments at BYU have specific general education course requirements that will still need to be taken at BYU. Individual departments at BYU should be consulted for exceptions.

NOTE: BYU has a limit on the number of transfer students admitted.
