Email: nursing@uvu.edu
Web Address: uvu.edu/nursing
Chair: Dale Maughan
Chair UVU Email: Dale.Maughan@uvu.edu

Mission Statement
Our mission is to provide quality nursing education, helping students to cultivate requisite knowledge, sound clinical judgment, and a foundation for lifelong learning, as they progress toward becoming competent, caring nurses in a complex and changing health care environment.

Values
1. We are committed to the learning and success of our students. Student success is a measure of our success as nurse educators.
2. We believe that caring nurses promote the health of body, mind, and spirit in individuals, families and communities.
3. We are committed to serving our local, state and global communities. We promote and maintain positive relationships with our community partners. We promote health by educating nurses committed to work and service in their community.
4. We are dedicated to student-centered teaching. We value evidence-based teaching strategies and active, collaborative, experiential learning. Teaching and learning are a partnership in which students are ultimately responsible for their learning, and accountable for their nursing practice.
5. We encourage the pursuit of excellence through life-long learning. We expect our graduates to utilize sound clinical judgment and evidence-based nursing actions.
6. We believe honor and integrity are essential to learning and for nursing practice, and we promote professional standards of practice and behavior.
7. We value collegial collaboration as well as the rights and responsibilities of academic freedom. We encourage thoughtful and civil discourse, recognizing that free exchange of informed ideas enhances individual and community decision-making.
8. We appreciate the diversity and the interconnectedness in our faculty, students, and in the communities in which we practice. We celebrate diversity within our community.

Accreditation
The Associate (ASN) and Baccalaureate (BSN completion) programs are accredited by the Accreditation Commission for Education in Nursing (ACEN).

The Master of Science in Nursing (MSN) education program is accredited by the Accreditation Commission for Education in Nursing (ACEN).

The ACEN can be reached at:
- Mailing Address:
  - Accreditation Commission for Education in Nursing
  - 3343 Peachtree Road NE, Suite 850
  - Atlanta, GA 30326
- Telephone: 404-975-5000
- Fax: 404-975-5020
- Email: info@acenursing.org
- Web Address: www.acenursing.org

Nursing Programs
Undergraduate nursing education includes Associate in Science in Nursing (ASN) with Bachelor of Science in Nursing (BSN) completion program. Students seeking initial licensure as a registered nurse must apply for entry into the ASN program. Students accepted to the ASN program will matriculate into the BSN completion program, without the need for reapplication, upon successful completion of the ASN. In order to remain in the BSN completion program, students must obtain RN licensure and graduate with the ASN per department policy. Students seeking initial licensure in nursing should contact a pre-nursing advisor for additional program information and application processes. Licensed nurses should contact the Department of Nursing advisor for...
Nursing

information regarding the BSN completion and Master of Science in Nursing programs.

The ASN program prepares the graduate to function individually as a member of the healthcare team in structured healthcare settings in which clients have common health problems. The BSN completion program prepares graduates to design, coordinate and manage healthcare, to assume leadership roles, to enter graduate education in nursing, and to develop leadership and management skills. The Master of Science in Nursing program prepares graduates as educators in both academic and clinical areas.

Information to consider, regarding the demands and performance requirements of nursing as a career, is available on our website at www.uvu.edu/nursing.

Admission Requirements

Admission to a nursing program is required in order to enroll in any nursing course. Admission to any of the nursing programs is by competitive application and is contingent upon satisfactory results of both a federal criminal background check and a drug screen. The Department of Nursing has sole discretion to deny acceptance based upon the information contained in either of these two reports. For students where English is a second language, admission is also contingent upon current TOEFL scores, which must be at or above the required minimum levels set by the Department of Nursing.

Please contact the appropriate advisors for information and current admission requirements. Also see our website at www.uvu.edu/nursing.

Degrees & Programs

Nursing, ASN

Requirements

The UVU Nursing Program is a student-centered engaged learning experience where faculty facilitate a student's learning through simulation and patient care. The Associate in Science in Nursing w/ BSN Completion (ASN) program prepares the graduate to function individually as a member of the healthcare team in structured healthcare settings in which clients have common health problems. Acceptance into the ASN program is by a competitive, point-based application process. Prerequisite courses must be completed before applying to the program. For more information on applying to the ASN program see our website at www.uvu.edu/nursing or contact the Pre-Nursing advisors in LC 404 at 863-6484. After completing the 4 semesters of the ASN program, students would be eligible to graduate with an ASN and apply to take the NCLEX-RN exam. Graduates of the ASN program would be eligible to remain in the program, and seamlessly transition to the Bachelor of Science in Nursing (BSN) portion of the program. BSN completion takes an additional 2 full time semesters if students have also completed all the GE requirements, ZOOL 4400, and MATH 1040 or MATH 2040.

Total Program Credits: 70

### Graduation Requirements:
1. Completion of a minimum of 70 semester credits.
2. Overall grade point average of 2.0 (C) or above. (Departments may require a higher GPA.)
3. Residency hours—minimum of 20 credit hours through course attendance at UVU.
4. Completion of specified departmental requirements

### Nursing, ASN

#### Careers
A nurse is a member of the healthcare team, focused on caring for individuals, families, and communities. Nurses work to ensure that patients attain, maintain, or recover optimal health and functioning. Nurses assess, plan, implement, and evaluate care.

UVU nursing graduates work in a wide variety of settings with varied job opportunities including:
- Hospital: staff nurses, administrators, educators, case managers
- Long-term care centers: staff nurses, administrators, educators
- Hospice and home health care
- Schools, colleges/universities
- Health centers, clinics, and surgical centers
- Armed services
- Public health

### Related Careers
- Nursing Instructors and Teachers, Postsecondary
- Registered Nurses

### Nursing, B.S.

#### Requirements
A bachelor of science in nursing degree prepares students to practice across all types of health care settings. A BSN provides the greatest opportunity for advancement in the nursing field. A BSN is also required for entry into most graduate nursing programs including nurse practitioner, certified nurse anesthetist, nursing educator, or nurse researcher. Students interested in the BSN would first need to complete the ASN program. Acceptance into the ASN program is by a competitive, point-based application process. Prerequisite courses must be completed before applying to the program. For more information on applying to the ASN program see ou website at [www.uvu.edu/nursing](http://www.uvu.edu/nursing) or contact the Pre-Nursing advisors in LC 404 at 863-6484. After completing the 4 semesters of the ASN program, students would be eligible to graduate with an ASN and apply to take the NCLEX-RN exam. Graduates of the ASN program would be eligible to remain in the program, and seamlessly transition to the Bachelor of Science in Nursing (BSN) portion of the program. The BSN at UVU is a completion program and students who are not entering directly from the UVU ASN program must be licensed RNs prior to admission. For more information on entering the program if you are already an RN see the RN to BSN program at [www.uvu.edu/nursing](http://www.uvu.edu/nursing).
