How often should we meet?
I recommend we meet once a semester for a scheduled advising appointment (i.e., not a walk-in).

Communication
When communicating with you via email, I will only send notices to your official UVLink email account. Please check this regularly. Always include your full name and UVID number in your emails to me. If you call me, please be sure to include your name, phone number, and UVID number in any message. I may call you at some point, please be
sure your voicemail message or waiting song is appropriate. Observing proper communication etiquette is an important skill that will assist you in the transition to professional life.

**Blog**
We have a blog at [http://uvuenglish.tumblr.com/](http://uvuenglish.tumblr.com/). Check it periodically throughout the semester for items specific to your major. We typically announce events like upcoming guest author readings, internship opportunities, etc.

**Student Outcomes**
1st year: Know how to access and interpret your Wolverine Track degree audit, register for courses, who your assigned advisor is and the best way to contact him/her, know how to schedule an advising appointment.

2nd year: Know how to create a degree plan within Wolverine Track.

3rd year: Develop a working resume.

4th year: Know when the graduation application deadline is and how to apply. You may wish to complete an internship this year as well.
