

Traveling out of state?

In the case of an emergency or life-threatening condition, go directly to the nearest medical facility.

If you require medical treatment while outside of Utah, you can **save money** by using a Beech Street provider. To find a Beech Street provider in your area

- Call Educators Mutual at 1-800-662-5851; or
- Call Beech Street at 1-800-233-2478 (select option 3, followed by option 2); or
- Go to www.educatorsmutual.com, select “Provider Search,” then “Looking for a MEDICAL provider that is NOT in UT?”

It is recommended that you locate a Beech Street provider near your travel destination in advance of your trip.

For benefit details, see the reverse side of this card. For additional information, contact Educators Mutual’s customer service department at (800) 662-5851.

- In the case of an accident or life-threatening condition outside of the Care Plus network, benefits will be paid according to the Participating Provider Option of your plan to the Table of Allowance. In addition to any applicable deductible, coinsurance, or copayment amounts, you will be responsible for the difference between the Table of Allowances and the billed charges. However, if services are obtained from a Beech Street Provider outside of Utah, you are not responsible for fees in excess of the Table of Allowances, thereby reducing your out-of-pocket expenses.
- In the case of non-emergency care outside of the Care Plus network, benefits will be paid according to the Nonparticipating Provider Option of your plan to the Table of Allowance. Nonparticipating Provider benefits apply to Beech Street Providers outside of Utah; however, you are not responsible for fees in excess of the Table of Allowances, thereby reducing your out-of-pocket expenses.
