

Mission:

The Learning Strategies Support Center assists students in developing increased self-awareness of their learning challenges, utilizing resources to create and implement a self-improvement plan to become active and independent learners and to achieve

Outcome:

Students will be able to identify and understand the challenges affecting their learning.

Learning Strategies Support Center

Pat Nelson, Manager

Criterion

- ◆ Students will be given the LASSI, Learning and Study Strategies Inventory.

This is a beginning to discussing areas of strengths or weaknesses a student may have.

At this point we are just implementing taking the LASSI. It will be interesting to see how effective this will be.

LASSI measures:

- Anxiety
- Attitude
- Concentration
- Information Processing
- Motivation
- Self-Testing
- Selecting Main Ideas
- Study Aids
- Time Management
- Test Strategies
