**Career Opportunities**

For those completing the Bachelor Degree in Integrated Studies (IS), many opportunities exist for advanced and professional degrees (law school, medical and dental schools, MBA, MPA, etc) and in the business environment. Many employers seek students with skills gained from liberal arts programs like Integrated Studies. These skills include general problem solving, the ability to comprehend diverse material, to write clearly, to think critically, and to work cooperatively.

**Curriculum**

The individualized nature of the Integrated Studies degree is attractive to students with multiple interests who want to develop skills that are relevant to a variety of careers. Students integrate course work in emphases such as science, business, health, literature, languages, communication, philosophy, behavioral science, social science and the arts. Emphases from computer science and information systems, accounting, technology and trades and physical education are also offered as part of this degree.

**SUMMARY OF THE DEGREE**

- After becoming familiar with the material on the IS website (<http://www.uvu.edu/is/>), meet with an advisor to plan course work. Various emphases may require specific courses and minimum grades. 2.5 GPA required for application.
- Become matriculated into Integrated Studies by submitting an academic plan which must be signed by department advisors and the Integrated Studies committee.
- Complete two approved 18-hour emphases from the following colleges/schools: College of Humanities and Social Sciences; College of Science and Health; College of Technology and Computing; School of the Arts; Woodbury School of Business.
- Complete the Integrated Studies Discipline Core with a minimum grade of C- in each class.
- Complete forty hours of upper-division course work.
- Complete thirty hours of course work in residency at UVU; at least 10 of these must be completed at UVU within the last 45 credit hours earned.
- For a Bachelor of Arts degree, students must complete the 2020 class in the chosen foreign language. For a Bachelor of Science degree, students must complete either MATH 1210 or MATH 2040.
