

LEADERSHIP Excellence[®]

For the past 22 years, Leadership Excellence magazine has been the best monthly source for insights and ideas from all the top consultants and executives on leadership development.

Now you can subscribe to *Leadership Excellence* or *Personal Excellence* through The Center for the Advancement of Leadership at discounted rates and receive a **tax write-off** for 20 to 30 percent of your subscription price!

Leadership Excellence brings together the best thinking in the world on all the issues that leaders encounter, and offers it all in the most time-effective format.

Personal Excellence is the magazine of life enrichment; it focuses on personal leadership development.

To help you get the most out of your favorite articles and implement new ideas, you will also receive:

- **The Personal Excellence Plan**, an easy-to-use booklet designed to help you put into practice all your favorite ideas from *Personal Excellence*.
- **Excellence in Action Guide**, to stimulate discussion on how to implement the insights the author has shared. Put into action those insights and ideas that will bring about change and the development you envision.
- **Leadership Excellence worksheet**, the perfect way to bring *Leadership Excellence* or *Personal Excellence* into a meeting or group setting. Designed to springboard new ideas and bring focus and vision to your team.
