When it comes to academic success –

Do you feel like ready-to-assemble furniture –

You have all the right parts –

You just need the tools to put it all together!

Then PROJECT SUCCESS is for YOU!!

Project Success is a self-help, self-assessment seminar that meets weekly for an hour and half. Issues such as time management, goal-setting, and study skills are addressed. Expertise and training is provided by faculty, mentors, and staff.

Students completing similar programs at other universities have averaged an increase of nearly a full grade point in their GPA during the semester of enrollment compared to the previous semester.

If you are SERIOUS about making better grades, e-mail Pat Nelson at pat.nelson@uvu.edu or call 801-863-7418.

Groups will meet Mondays at 3:00p.m., or Wednesdays at 9:00 a.m. or Thursdays Evenings at 5:30 p.m. in LC 404 beginning the second week of school.

The only cost for this program is your time and commitment.
