

## New Titles, July 2009

1-2-3 money plan [electronic resource] : the three most important steps to

13 going on 30 [DVD videorecording] /

3ds Max modeling for games [electronic resource] : insider's guide to game

50 TB data warehouse benchmark on IBM System z [electronic resource] /

Abnormal psychology in a changing world /

Achieving high availability on Linux for System z with Linux-HA Release 2

Administering Windows server 2008 server core [electronic resource] /

Adobe Acrobat PDF bible [electronic resource] /

Adobe AIR bible [electronic resource] /

Advanced PIC microcontroller projects in C [electronic resource] : from USB to

All-new switch book [electronic resource] : the complete guide to LAN switch

American painting : a guide to information sources /

Applied SOA [electronic resource] : service-oriented architecture and design

Art of computer programming [electronic resource] /

Art of followership [electronic resource] : how great followers create great

Art of multiprocessor programming [electronic resource] /

ASP.NET 3.5 social networking [electronic resource] : an expert guide to

Attractor factor [electronic resource] : 5 easy steps for creating wealth

AutoCAD 2009 & AutoCAD LT 2009 bible [electronic resource] /

Automotive suspension and steering systems /

Babel [DVD videorecording] /

Beauty and the beast. The Enchanted Christmas [videorecording] /

Beginning database design [electronic resource] : from novice to professional /

Beginning GIMP [electronic resource] : from novice to professional /

Beginning Google Maps mashups with mapplets, KML and GeoRSS [electronic

Beginning Groovy and Grails [electronic resource] : from novice to professional

Beginning iPhone development [electronic resource] : exploring the iPhone SDK /

Beginning Joomla! [electronic resource] /

Beginning PL/SQL [electronic resource] : from novice to professional /

Beginning portable shell scripting [electronic resource] : from novice to

Beginning programming all-in-one desk reference for dummies [electronic resource

Beginning SQL server 2008 express for developers [electronic resource] : from

Best American essays 2000 /

Best damn firewall book period [electronic resource] /

Best damn IT security management book period [electronic resource] /

Best damn server virtualization book period [electronic resource] /

Best damn Windows Server 2008 book period [electronic resource] /

Best political cartoons of the year [electronic resource] /

Best practices in lean six sigma process improvement [electronic resource] : a

Blackberry Enterprise Server for Microsoft Exchange [electronic resource] :
Breaking free [videorecording] /
Breaking through the project fog [electronic resource] : how smart organizations
BSD UNIX toolbox [electronic resource] : 1000+ commands for FreeBSD, OpenBSD, an
Building a world-class compliance program [electronic resource] : best practices
Building Vocabulary for College
Building websites with ExpressionEngine 1.6 [electronic resource] : a clear,
Business continuity planning for data centers and systems [electronic resource]
Business leadership [electronic resource] : a Jossey-Bass reader /
Business-oriented CIO [electronic resource] : a guide to market-driven
Calculus
CAPM/PMP project management certification exam guide [electronic resource] /
Changing software development [electronic resource] : learning to become agile /
Children, language, and literacy : diverse learners in diverse times /
Cinderella [videorecording] /
Circuitbuilding do-it-yourself for dummies [electronic resource] /
Cisco routers for the desperate [electronic resource] : router and switch
CMMI [electronic resource] : improving software and systems development
Collaboration and social media 2008 [electronic resource] : taking stock of
CompTIA network+ certification [electronic resource] /
CompTIA security+ certification [electronic resource] /
Configuration management with Bcfg2 [electronic resource] /
Considerations for CICS web services performance [electronic resource] /
Cool down [electronic resource] : getting further by going slower /
Core Servlets and JavaServer Pages [electronic resource] Vol. 2, Core
Creating a veteran-friendly campus : strategies for transition and success /
Crusades [DVD videorecording] /
Crystal Reports 2008 [electronic resource] : the complete reference /
Crystal Reports 2008 for dummies [electronic resource] /
Data warehouse lifecycle toolkit [electronic resource] /
Data warehousing with SAP BW7, BI in SAP NetWeaver 2004s [electronic resource] :
Database design [electronic resource] : know it all /
DB2 9 for z/OS [electronic resource] : packages revisited /
Definitive guide to Grails [electronic resource] /
Definitive guide to SOA [electronic resource] : Oracle Service Bus /
Definitive guide to Terracotta [electronic resource] : cluster the JVM for
Deploying and administering Windows Vista bible [electronic resource] /
Deploying the VMware infrastructure [electronic resource] /
Deployment guide series. IBM Tivoli storage manager express [electronic
Designing for solution-based security on z/OS [electronic resource] /

Developer's edge [electronic resource] /
Developing connector applications for CICS [electronic resource] /
Developing hybrid applications for the iphone [electronic resource] : using HTML
Digital infrared photography [electronic resource] /
Digital photography from the ground up [electronic resource] : a comprehensive
Diversity of life /
Don't retire, rewire! [electronic resource] : 5 steps to fulfilling work that
Dr. Tom Shinder's ISA server 2006 migration guide [electronic resource] /
DW 2.0 [electronic resource] : the architecture for the next generation of data
eBay business at your fingertips [electronic resource] /
Edison on innovation [electronic resource] : 102 lessons in creativity for
Embedding Informix Dynamic server [electronic resource] : an introduction /
Escape from L.A. [DVD videorecording] /
Essentials of enterprise compliance [electronic resource] /
Excel 2007 dashboards & reports for dummies [electronic resource] /
Executing for results [electronic resource].
Experiences with Oracle solutions on Linux for IBM System z [electronic
Expert Python programming [electronic resource] : learn best practices to design
Extreme Toyota [electronic resource] : radical contradictions that drive success
Father of the bride [videorecording] /
Fight club [DVD videorecording] /
FileMaker Pro 9 bible [electronic resource] /
Financial shock [electronic resource] : global panic and government bailouts
Flash and PHP bible [electronic resource] /
Flex 3 bible [electronic resource] /
Floor collapse [DVD videorecording].
