

# BSN Employer Satisfaction

The Department of Nursing Faculty strive to meet the expectations of employers of students graduating from the Bachelor of Science in Nursing (BSN) program. Faculty survey employers of graduates routinely and determine if changes are needed in the program.

UVU BSN completion graduates:		Integrate knowledge and clinical expertise to help patients achieve optimal health outcomes.					
		Demonstrate clinical judgment based in theory and evidence.					
		Demonstrate team-building and collaborative strategies guided by nursing values and standards.					
		Establish and maintain a culture of safety by applying standards, theories, and quality improvement principles.
