

# BSNs Continuing with Graduate Degrees

UVU prepares their Bachelor of Science in Nursing (BSN) graduates to pursue graduate degrees if desired. Many students choose to continue their nursing education by obtaining Master of Science in Nursing (MSN), Doctorate of Nursing Practice (DNP), Nurse Practitioner, and Certified Nurse Anesthetist degrees.

\*Spring 2013, Fall 2013 – Many respondents did not answer question on graduate school

\*\* Fall 2013 – extremely low response rate
