Federal regulations require that the LAST DATE OF ATTENDANCE be given for all UW grades.
Please note this in the LAST DATE column. (MMDDYYYY)
Last attend dates for W grades are system generated with actual withdrawal date. If last attend date is different, send correct date to REGISTRATION-RECORDS@uvsc.edu

Assign grades in the following manner:

1. Assign UW’s to students who have ceased attending or never attended the course but who still appear on the final grade roll.
2. Assign E’s to students who finished the course but who failed to achieve a grade above an E according to the class grading scale.
3. Incomplete (I) grades are given for extenuating circumstances only as defined in the UVSC Catalog. If an I grade is given, an Incomplete Grade Form indicating work completed and work to be completed must be signed by the Department Chairperson and turned into the Registrars Office. If work is not completed within one year, the I automatically becomes an E.

W indicates official withdrawal. Instructors are not authorized to give a grade of W.

AU indicates AUDIT. Instructors are not authorized to give a grade of AU.

FOR ADDITIONAL GRADING STANDARDS SEE ACADEMIC POLICIES AND STANDARDS IN THE UVU CATALOG

Except for computer-generated withdrawal or audit, instructors are responsible to record a letter-grade for each student whose name is listed.

If a name is not listed, the student is not registered and must see One Stop or the Registrar.

The Grades of CR and NC are valid only for designated classes and should not otherwise be used.

THE FEDERAL PRIVACY ACT PROHIBITS THE POSTING OF STUDENT’S NAMES OR SOCIAL SECURITY NUMBERS TO INFORM THEM OF THEIR GRADES.
