

March 1, 2017

Colleagues,

I have five women and leadership announcements for April:

First, we are releasing our 8th Utah Women Stats research snapshot today titled "[Cosmetic Surgery and Body Image Among Utah Women](#)." My co-authors include Janika Dillion (Research Fellow, UWLP) and Robbyn T. Scribner (Research Fellow, UWLP). I hope you will find this informative and interesting. See this and [other briefs and snapshots here](#).

Second, the [Real Women Run Spring Training](#) will be held on Saturday, April 22, 2017, 8:30 AM to 2:30 PM at the Kem C. Gardner Policy Institute at the University of Utah in Salt Lake City. This is for women who are planning to run for public office (city, county, state, national levels) in the near future. You can find additional information and register [here](#).

Third, we have partnered with the Utah Education Network (UEN) to create videos that you can watch on nearly all of our evening events. You can watch them on our [YouTube channel](#). We hope that you will utilize these and other resources on our website: [blog](#), [women's groups/network list](#), [Utah reports](#) on various issues from different organizations, and more.

Fourth, I would like you to be aware of an organization we are partnering with titled "Better Days 2020." It is an organization dedicated to popularizing the past in creative and communal ways with a goal of opening doors to conversations about the future of Utah women. This campaign coincides with the 150th anniversary of women first voting in Utah - the first place a woman voted - and the 100th anniversary of the 19th Amendment granting all U.S. women the right to vote. The campaign's details are [here](#). You can [sign up](#) to receive updates from them, volunteer to get involved, or donate. Follow them on social media at @betterdays2020.

Finally, we have just started a great list of programs/camps for Utah girls/young women (K-12) [here](#) (third section down). Most are opportunities during the summer months, but there is a mix. Please let us know if you are aware of others that are not listed and we'll add them. We hope you will pass this along to parents of girls/young women you know.

Thanks for all you do for Utah girls and women!

Susan
