## **Update on Paula**

Paula had her first round of chemotherapy; each round is a total of 20 hours. She is mostly tired. Eating is difficult since most things stick in her throat or make her feel nauseated. She wants everyone to know she says "hi" and thanks you for your thoughts and prayers!

## **Condolences**

Our condolences to **Deborah Baird** for the loss of her husband, **John**, this week. John's funeral was this morning and his interment will be at the Orem City Cemetery. We were all truly saddened by this loss and wish Deborah support and strength in this difficult time.
