Congratulations to **Hugh Rode** who will serve as Faculty Senate President beginning in the fall!!

Hospitality Management Delegation

Job well done!! **Boyd Bauer, Eugene Seeley, Yang Huo, and Craig Huish** hosted a small delegation of faculty from universities in Canada, Mexico, and Hawaii. These schools are our partners for a grant entitled Developing Environmentally Sensitive Hospitality Managers (DESHM) through which selected UVU Hospitality Management students will be offered a \$5000 scholarship to study for a semester in either Canada or Mexico, while their students will study on our campus.
