Susan Madsen and Alexis Palmer (Director, Volunteer and Service-Learning Center) were asked by President Hitch to attend the American Humanics Management/Leadership Institute (AHMI) educational symposium in Indianapolis, Indiana from January 3-6. UVU was awarded an American Express grant to cover all expenses. The AHMI provides support for educational programs, faculty, and students in nonprofit management and leadership education. It was an interesting conference and helpful for the institution to find out how other universities and colleges are preparing future nonprofit managers and leaders.

In November, **Sheldon Smith** presented his paper, co-authored with Robert W. McGee of Florida International University, "Opinions on the Ethics of Tax Evasion: A Comparative Study of Utah and New Jersey" at the Western Decision Sciences Institute (WDSI) annual conference in Baltimore. Sheldon also serves as an officer for WDSI.
