**HONORS**

You may purchase honors cords and/or medallions if you have a UVU cumulative GPA of 3.60 or higher. Unfortunately, GPAs cannot be rounded up.

**SUMMER 2016 AND FALL 2016 GRADUATES:**
The GPA is based on your graduating cumulative GPA. If you’ve taken classes since you’ve graduated, your new GPA will not affect your honors eligibility, for better or worse.

**SPRING 2017 GRADUATES:**
The GPA is based on your cumulative GPA as of Fall 2016. Your in-progress classes won’t affect your ability to wear honors cords or medallions. However, final Spring grades will affect your honors status on your transcript and diploma.

**SUMMER 2017 GRADUATES:**
We encourage Summer 2017 graduates to participate in next year’s graduation ceremonies (Spring 2018). If you would like to participate this year on an exception basis, you will not be eligible to purchase honors cords or medallions for these ceremonies, but you can purchase them next year. This is due to the fact that Summer graduates still have two full semesters of grades that will be calculated into their graduating GPA. If you are eligible for honors after your degree has been posted for Summer 2017, you can order honors cords or medallions by contacting UVU Alumni in Spring of 2018.
