

BIG IDEAS

Summary of some initial ideas of what might be possible with a redesigned GE based on information gathered from survey results, previous presentations, and the committee charge.

COMMON THEMES

- First Year Seminar (5)
- Reduce to 30 required by USHE (5)
- Keep it at 35 (5)
- Change Health/Fitness Requirement (9)
- More HIPs in GE courses (3)
- Informational Campaign (3)
- Ethics and Values(5)
- More choices (6)

OTHER IDEAS

- Broaden options in Ethics and Values
 - Regroup it with a more encompassing set of requirements
 - Include more options to fulfill this requirement
- Expand “3rd science” to perhaps just an open GE option (breadth)
 - STEM course instead of just science
- Utilize GE to help with retention/completion
- Transfer articulation
- Create a new Distribution – Self Development
 - Include leadership, wellness, financial literacy, etc.
