

Sustainability

At UVU sustainability represents a belief that environmental stewardship exists in balance with economic development and social responsibility. As a growing university, UVU believes that we not only have a duty to balance these interests, but an opportunity to demonstrate our core values of exceptional care, exceptional accountability, and exceptional results.

Utah Valley University's 3rd Annual Sustainability Summit

9 April 2024 | 8:00 am to 3:30 pm | CB 510/511
