Must-Try Recipe -- Delicious Pumpkin Chocolate Chip Bars

- 2 cups flour
- 1 Tbsp. pumpkin pie spice
- 1 tsp. baking soda
- 1/2 tsp. salt
- 1 cup butter, softened
- 1 cup sugar
- 1 egg
- 2 tsp. vanilla
- 1 cup canned pumpkin puree
- 1 1/2 cups chocolate chips

Preheat oven to 325. Generously grease a 9x13 pan. Add flour, pumpkin pie spice, baking soda, and salt in a small bowl. Stir until well-combined. In a separate bowl, cream butter and sugar until light and fluffy. Add egg and vanilla to mixture. Mix well; then beat in pumpkin. Add the dry mixture to the wet (mix well), then fold in chocolate chips and spread batter evenly into pan. Bake for 30 minutes or until edges begin to pull away from the pan and the center is set (toothpick inserted in the center is clean). Cool completely before cutting. ENJOY!

Doug Hobbs—Criminal Justice

Doug has been advising for eight years. He loves working with students to encourage them and help them to discover how they can be the best students they can be. In meeting with students, Doug likes to take an interest in them and get to learn about them—their strengths, challenges, motivations, likes, and dislikes. In discovering about what makes them tick, he assists them in finding their passion and motivation to succeed in school and life.

Doug loves spending time with his wife—whatever they are doing. He enjoys fly-fishing, bass fishing, hiking, camping, spending time outdoors, gardening, woodworking, woodburning, and helping others. His favorite color is UVU Green, of course! Doug likes Mexican food, his favorite book is *Leadership and Self-Deception*, and his favorite movie is *The Equalizer*. His favorite saying is from Yoda, “Do or do not, there is no try.”

Doug and his wife, Marianne, have been married for 16 years. They have one son, Spencer, who is a CPA, and lives in Arizona. They have chickens as pets who have names that correspond to their personality, like: Button, Angel, Hippie, Screech, and Frosty. On their second date, Doug and his wife talked about going to Alaska to go salmon fishing. Unfortunately they haven't done it yet because Marianne was diagnosed with breast cancer three months after they were married, so it is still on their list to do someday.

Advisor Tip

I've found it effective to call students who have missed their scheduled appointment. More often than not, their question can be answered in a brief phone conversation. It usually results in saving us both time, and students seem to appreciate the call. I think the extra effort pays off for both the student and advisor.
