

UVU ARCHITECTURE

Bachelor of Architecture Degree Map

Credit Hours	Year 1		Apply to A.S. in Engineering Design Technology degree program (Architectural Drafting and Design track)	Year 2		Portfolio Review	Year 3		Study Abroad Opportunity in Summer	Year 4		Study Abroad Opportunity in Summer	Year 5		Graduate with Bachelor of Architecture Degree				
	Fall	Spring		Fall	Spring		Fall	Spring		Fall	Spring		Fall	Spring					
1	EGDT 1020 (3) 3D Architectural Modeling	ARC 1010 (3) Classical Architecture Workshop	Apply to A.S. in Engineering Design Technology degree program (Architectural Drafting and Design track)	ARC 2110 (4) Architecture Studio I	ARC 2210 (4) Architecture Studio II	Portfolio Review	ARC 3110 (6) Architecture Studio III	ARC 3210 (6) Architecture Studio IV	Study Abroad Opportunity in Summer	ARC 4110 (6) Architecture Studio V	ARC 4210 (6) Architecture Studio VI	Study Abroad Opportunity in Summer	ARC 4510 (6) Architecture Studio VII	ARC 4610 (7) Architecture Studio VIII Capstone	Graduate with Bachelor of Architecture Degree				
2																			
3																			
4	MATH 1050 (4) College Algebra OR equivalent	EGDT 1100 (3) Architectural Drafting & Design		EGDT 1040 (3) Fundamentals of Technical Engineering Drawing	EGDT 2100 (3) Architecture Materials & Methods		ARC 3120 (3) Architectural Graphic Communication	ARC 3220 (3) Passive Environmental Systems		ARC 4120 (3) Active Environmental Systems	ARC 4220 (3) Building Envelope and Science		ARC 4230 (3) Capstone Project Research	ARC 4540 (3) Professional Practice		CMGT 405G (3) Global Sustainability & the Built Environment OR other Arch Elective	ARC 4520 (3) Architectural Theory	Architecture Elective (3)	ARC 459R Special Topics in Architecture 3-5 Credit hours (Repeatable)
5																			
6																			
7	EGDT 1720 (3) Architectural Rendering OR Fine Arts equivalent	PHYS 1010 (3) Elementary Physics OR equivalent		ENGL 2010 (3) Intermediate Writing/Academic Writing & Research	EGDT 2600 (3) Applied Structures I: Statics		ARC 2220 (3) Construction Documents & Specifications	ARC 3230 (3) Global History of Architecture to 1700 (WE)		ARC 4130 (3) Global History of Architecture since 1700 (WE)	ARC 4530 (3) Culture & Behavior in Architecture		ARC 4540 (3) Professional Practice	Architecture Elective (3)		ARC 459R Special Topics in Architecture 3-5 Credit hours (Repeatable)	ARC 4520 (3) Architectural Theory	Architecture Elective (3)	ARC 459R Special Topics in Architecture 3-5 Credit hours (Repeatable)
8																			
9																			
10	HIST 1700 (3) American Civilization OR History equivalent	ENGL 1010 (3) Intro to Academic Writing OR equivalent		COMM 1050 (3) Intro to Speech Communication OR Soc/Beh Science equivalent	PHIL 2050 (3) Ethics and Values (GI)		EGDT 2610 (3) Applied Structures II: Strengths of Materials	ARC 3130 (3) Codes & Construction Law		ARC 4130 (3) Global History of Architecture since 1700 (WE)	ARC 4530 (3) Culture & Behavior in Architecture		ARC 4540 (3) Professional Practice	Architecture Elective (3)		ARC 459R Special Topics in Architecture 3-5 Credit hours (Repeatable)	ARC 4520 (3) Architectural Theory	Architecture Elective (3)	ARC 459R Special Topics in Architecture 3-5 Credit hours (Repeatable)
11																			
12																			
13	HLTH 1100 (2) Personal Health & Wellness OR equivalent	GEO 1010 (3) Intro to Geology OR Physical Science equivalent		BIOL 1010 (3) General Biology OR Biology equivalent	ENGL 2030 (3) Writing for Social Change OR Humanities equivalent														
14
