## ANNOUNCEMENTS

### MARCH MEETING

Our next club meeting will be Wednesday March 23<sup>rd</sup> at **7:00 - 8:30 PM in CS 711**. Our guest speaker is Travis Dan Perry, Surveying and mapping Coordinator. He will be speaking on the topic of "Surveying and Mapping Program Update, Surveyors Week, and Q&A /Program Feedback".

### MESSAGE FROM THE PRESIDENT

I hope everyone is having a good semester and is working diligently to get through their courses. Remember that this year the UCLS is combining the regional conference with WFPS and this will be on March 30th-April 2nd in Vegas. This is also on the same dates as the NSPS Competition so the team members will not be attending it, but it may be interesting for other students to attend. It would be a great experience to be able to attend this conference so if possible I would try to get down there and participate. Good luck with nearing the end of the Semester and start studying now for finals so you don't get stuck cramming at the last second.
