2. Come up with a list of 5 companies you want to work for after graduation and 5 companies you consider to be dream-job companies.
3. Research the jobs/companies on your list and figure out if they hire interns (keep a record of their website & contact info)
4. Contact the School of the Arts Internship Coordinator, (AFTER steps 1-3 have been completed) and talk about where to go from here. Their information can
   be found online at: https://www.uvu.edu/internships/students/credit_and_scholarships/apply_for_credit.html, or call 801.863.5712 or visit LC410I
