## ENROLLMENT REQUIREMENTS:

### APPLY TO UVU

Submit the online application at [www.uvu.edu/admissions](http://www.uvu.edu/admissions) and pay the application fee. You will then receive an email confirming your application to UVU and providing you with your UV ID number. To complete the application process, submit the following:

- Official transcripts: All transcripts must arrive at UVU in an unopened envelope from the sending institution and must be printed within the last six months to be considered official. Items must be postmarked before the admissions deadline.
- Official ACT or SAT scores: Current ACT or SAT test scores are required for all students under age 20, and either ACT/SAT or Accuplacer is required for all students regardless of age. Send official test scores to the Admissions Office. If the ACT or SAT have not been completed or are expired (two years for math and three years for English), placement testing (ACT-R, Accuplacer) is required and can be taken at Testing Services in the Wolverine Service Center. ACT-R testing is offered on a weekly basis by appointment; Accuplacer testing is given daily on a walk-in basis. More information and hours are available at [www.uvu.edu/testing-services](http://www.uvu.edu/testing-services). All testing must be complete before the admissions deadline.

Once all required documentation is received by UVU, you will receive an acceptance letter to the email address you provide.

**\*The admissions deadline is August 1 for fall semester and December 1 for spring semester.\***

## GRADUATION REQUIREMENTS:

- Completion of a minimum of 120 or more semester credits, with a minimum of 40 upper division semester credits.
- Overall grade point average of 2.0 (C) or above. Aviation courses require a C- or above. (Departments may require a higher GPA.)
- Residency hours--minimum of 30 credit hours through course attendance at UVU, with at least 10 hours earned in the last 45 hours.
- Completion of GE and specified departmental requirements unique to the area of emphasis.
- Students may count no more than 8 credit hours of total cooperative work experience (AVSC 281R/285R/481R/485R) toward the degree requirements without department approval.

**NOTE:** If student chooses HIST 2700 and 2710, the additional hours may be used towards a social science distribution requirement.
