

ATTENTION STUDENTS.

Graduation is quickly approaching. We know that this is an exciting time for you, and that you will want to share your aviation experience with your family. This usually involves bringing them to the airport to show off aircraft and take photos.

To make this possible for you, and to ensure safety, we will be placing two aircraft on static display for photo ops. We ask that you do your part to help this go smoothly by understanding and following the instructions below.

BE ADVISED! Normal flight operations will be conducted during your visit.

Static displays will be provided on April 30th 2026 (The date of convocation). From 9:00 a.m. to 3:45 p.m. Convocation begins at 5:00 p.m. at the UCCU center (Grads must arrive by 4:15 p.m.).

Ensure that all visitor park only in the UVU parking lot. Do not park in front of the corporate hangars, or in employee parking outside of hangar A.

Static displays will be parked in front of hangar A. Proceed with your party to the hangar A lobby where line personnel and dispatchers will be available to escort you to the aircraft. Photo ops will be first come, first served.

DO NOT! Attempt to access the ramp through hangar B, or to have your CFI or friend with a badge allow you onto the ramp. Anyone on the ramp not escorted by assigned personnel will be removed.

Thank you for your help. And **CONGRATULATIONS!** You have a lot to be proud of. We hope that you enjoy this special day!
