

## Private Pilot Ground Student Acknowledgment

*Must be signed by all students in AVSC 1100*

### Acknowledgment

The statements contained in this document constitute the standards and requirements students must meet in AVSC 1100 (Private Pilot Ground) before the School of Aviation Sciences will consider their enrollment in AVSC 1110 (Flight). Signing this document confirms that student agrees to comply with these conditions.

### Minimum requirements for acceptance into AVSC 1110 (Flight):

1. **Course Completion:** Complete AVSC 1100 (Private Pilot Ground) prior to enrolling in AVSC 1110 (Flight).
2. **Minimum Grade:** Achieve a final grade of 80% ("B-") or higher in AVSC 1100. This grade must be based on regular coursework only; extra credit will not be considered.
3. **Attendance:** Maintain 100% attendance in AVSC 1100. Students must make up any missed classes by reviewing the missed material with a UVU-approved instructor such as an Advanced Ground Instructor (AGI) or Certified Flight Instructor (CFI) and reporting the completion of the review to the AVSC 1100 course instructor.
4. **FAA Written Exam:** Pass the FAA Private Pilot Knowledge Exam (PAR) with a score of 80% or higher on the first attempt during the semester in which enrolled in AVSC 1100.

### Important Notices

**Registration and Final Acceptance:** While a student may receive conditional approval to register for AVSC 1110, the final acceptance and enrollment in the course is contingent upon successfully meeting all minimum requirements for AVSC 1100 as stated in this document.

**Financial Aid Considerations:** Any application for or approval of financial aid for aviation-related course fees does not confirm or guarantee acceptance into AVSC 1110 if the student has not met the minimum requirements for AVSC 1100.

**Flight Program Continuation:** Failure to meet these requirements will result in removal from the flight portion of the program.

By signing below, I acknowledge my understanding and acceptance of these **AVSC 1100 (Ground)** requirements as prerequisites for acceptance into **AVSC 1110 (Flight)**. I further acknowledge that the School of Aviation Sciences accepts only a limited number of students each semester into AVSC 1110 (Flight) and that these requirements are minimums only. The school will give preference to students who exceed the minimums.
