THEA 219R 202 - 12848	Perfrmnce Prac Stage Screen	3 contact hrs X 100% inst responsibility = 3 ICHE

PRIVATE MUSIC LESSONS

Lessons for Non-Majors (OLN) & Majors (DPL) will be calculated at the rate of 3 lesson hours = 2 ICHE hours.

Lesson Value X Enrollment = ICHE hours

Examples from Fall 2012 course sections:

MUSC 160R 119 - 17768	Priv Lsn Nonmus Maj Percussion	2 students	30 minute lessons
-----------------------	--------------------------------	------------	-------------------

$3 \div 0.5 = 6$, therefore lesson value is $1/6^{\text{th}}$ of 2 ICHE hours, which equates to $1/3$ hour ICHE

$1/3 \times 2$ students = $2/3$ hours ICHE or .666

MUSC 250R 102 - 17772	Priv Lsn Music Maj Voice	5 students	60 minute lessons
-----------------------	--------------------------	------------	-------------------

$3 \div 1 = 3$, therefore lesson value is $1/3^{\text{rd}}$ of 2 ICHE hours, which equates to $2/3$ hour ICHE

$2/3 \times 5$ students = 3.33 hours ICHE

➡ If these lessons are listed as team-taught courses, the appropriate percentage of responsibility will be applied to the calculated ICHE hours for the instructor.

➡ If these lessons are cross-listed, the total ICHE value if the cross-listed group will be applied proportionately to the sections based on section enrollment share of the total cross-listed group enrollment.

➡ No enrollment multiplier will be given for these assignments.
