

How to Create Your DSEREC Account as an Alumni or Community Account

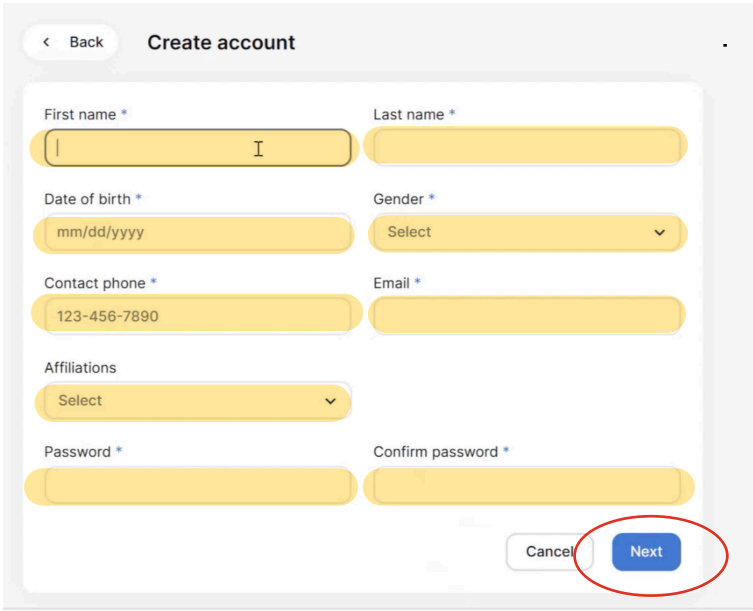

1. Select the "Local Account" login option.

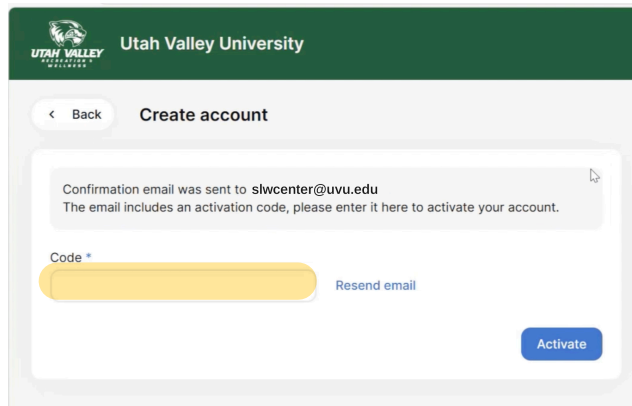

3. Select 'Create one' next to No Account

4. Fill out boxes with your information by filling in all starred entries. Select 'Next' after filling out information

5. Confirm your account by inputting your activation code you received from DSE and then selecting 'Activate'.

The screenshot shows the 'Create account' page for Utah Valley University. At the top, there is a green header with the university's logo and name. Below the header, there is a navigation bar with a back arrow and the text 'Create account'. The main content area features a confirmation message: 'Confirmation email was sent to slwcenter@uvu.edu. The email includes an activation code, please enter it here to activate your account.' Below this message is a text input field labeled 'Code *' with a yellow background. To the right of the input field is a 'Resend email' link. At the bottom right of the form is a blue 'Activate' button.

6. You should see the image below after creating your account. You'll now be able to manager your account by selecting membership plans, lockers*, personal training sessions*, or fitness class registration*. (Please note, community members do not qualify for a semester membership, but are able to purchase a punch pass for entry)
