

# Mobile App Guidelines

## Installation Instructions

- 1) Navigate to and log into the user-end dashboard  
<https://uvu.dserec.com/online/dashboard>
- 2) Click on your name in the top right corner, and select 'Manage Account'

- 3) Select the Mobile App tab
- 4) Scan the QR code for the appropriate app store

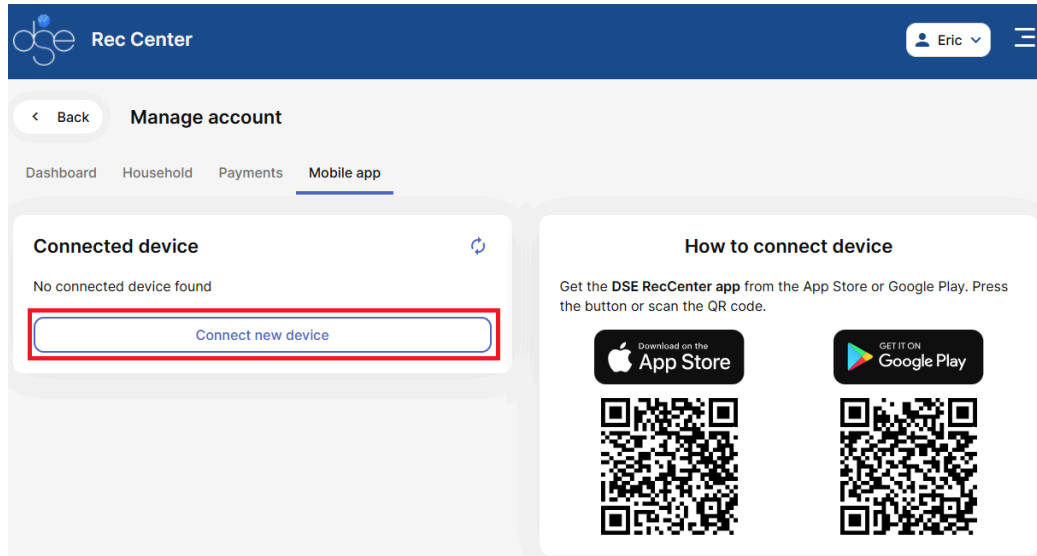

- 5) Install the app

# Activation Instructions

The app must be activated using the data found on the Manage Account > Mobile App page

- 1) Return to the Manage Account > Mobile app page
- 2) Click the 'Connect new device' text

- 3) Input the School code "uvu", email, and Activation code provided on the user-end into the app

A screenshot of the app's activation screen. At the top is the 'dse | RECcenter' logo. Below it is the heading 'Link your account'. There are three numbered instructions: 1. Login to your DSE account in the web browser; 2. Navigate to your profile's Mobile app tab; 3. Click on Connect new device button to get the values to enter for activation. Below the instructions are three input fields: 'School code \*' (a single text box), 'Email \*' (a single text box), and 'Activation code \*' (five individual character input boxes). At the bottom is a blue button labeled 'Complete activation'.

- 4) Click 'Complete activation'
