EXPERIENCE

Horizon Family Services, Provo, UT

Sep 2025 – Present

Caseworker Intern

- Conducted comprehensive client intakes and needs assessments for 30+ individuals and families, resulting in accurate service matching and timely connection to appropriate community resources
- Collaborated with licensed caseworkers and interdisciplinary staff to support the development of individualized service plans, ensuring alignment with client goals and agency standards
- Managed documentation and service tracking for a caseload of approximately 20 clients, strengthening continuity of care and improving case coordination across the service team
- Assisted with program evaluation and outcome reporting by organizing client data and summarizing service trends, supporting data-informed improvements to service delivery

Summit Distribution Services, Midvale, UT

Jun 2022 – Sep 2025

Warehouse Associate

- Processed, picked, and packed 150+ orders per shift with a high level of accuracy, contributing to on-time shipments and consistent fulfillment performance
- Maintained inventory accuracy through regular stock checks and system updates, supporting efficient warehouse operations and reducing fulfillment delays
- Operated warehouse equipment and supported daily shipping and receiving for 10,000+ units per week, helping the team meet productivity and safety standards
