College of Engineering and Technology
The mission of the College of Engineering and Technology is to prepare students for successful careers or advanced study in a dynamic, technology-based, global environment. The college utilizes an applied learning environment to provide the needed technical knowledge, skills, and scholarship that enable students to excel in their chosen profession. In addition, the college is committed to mutually enriching relationships with alumni, government, regional industry—and beyond, to supplement the classroom, to provide real-world experience, and to foster a desire for lifelong learning.

• Email: daviska@uvu.edu

The mission of the UVU Automotive Department is to conduct academic and applied teaching. The training programs provide qualified employees for entry level positions in all categories of the Automotive, Collision / Refinish, and Diesel repair technology industries. These programs will afford students the opportunity to attain a one, two, and/or four-year degree at the completion of their training. The training provided will have an emphasis on basic skills and principles which will allow participants to adapt to new and ever changing technologies. Current and foreseeable technology will be utilized in presenting and practicing basic performance skills.

Computer Science
• Department Chair: Neil Harrison
• Office: CS 520M
• Telephone: 801-863-7312

• Administrative Support: Sallie Dodge
• Office: CS 520
• Telephone: 801-863-8218
• Email: sdodge@uvu.edu

The mission of the Computer Science program at Utah Valley University is to qualify students to function as professional computer scientists, computer engineers, and software engineers in the workplace, and to enter appropriate graduate programs. Graduates will be committed to lifelong learning and empowered with the intellectual and ethical foundations necessary to make responsible decisions.

Construction Management
• Building Inspection
• Cabinetry and Architectural Woodwork

• Email: petermar@uvu.edu

The Culinary Arts Institute is a practical teaching institute that provides opportunity and promotes student success while meeting regional educational needs. Our program provides students with a blend of theoretical, practical, and real world educational experiences through scholarly, creative and engaged industry based learning. We are committed to excellence and strive to provide a learning environment that maximizes student talent and potential both personally and professionally.

Digital Media
• Department Chair: Arlen Card
• Office: CS 526g
• Telephone: 801-863-5301
• Email: Arlen.Card@uvu.edu

• Administrative Support: Gloria Schneider
• Office: CS 526
Digital Media (DGM) fuses both fundamental theory and practical application in the production of electronically generated content to be delivered via Internet, radio and television, digital cinema, computer games, animation and cinematic visual effects, as well as for emerging technologies such as mobile computing (hand-held computing devices). The curriculum integrates these digital mediums to entertain, educate, and communicate ideas through meaningful human interaction. DGM provides motivated and dedicated students the opportunity to work closely with professionally active faculty members committed to the future of the digital disciplines.

Engineering Technology

- Engineering Technology
- Electrical Automation & Robotics Technology
- Mechanical Engineering
- Mechatronics Engineering Technology
- Pre-Engineering

**Department Chair:** Dave Adams  
Office: CS 632  
Telephone: 801-863-6052  
Email: adamsda@uvu.edu

**Administrative Support:** Christine Peterson  
Office: CS 632  
Telephone: 801-863-5571  
Email: Christine.peterson@uvu.edu

The Mission of the Engineering Technology Department is to prepare graduates to work in high demand, very technical, vastly diverse, automated industries that provide products and services to keep our state and national economy running. The Pre-Engineering graduates are prepared to go into upper level engineering fields. The Mechatronics graduates are focused on designing the newest machines and automated systems needed by industry. The Electrical Automation and Robotics Technology graduates keep industry running by fixing, adapting, programming, and maintaining the automated machines and systems used in industry. The hands on/class room/lab learning approach used in the Engineering Technology Department is the best skill learning approach in higher education.

Engineering Design Technology

**Department Chair:** Robert Price  
Office: CS 704g  
Telephone: 801-863-8145  
Email: pricero@uvu.edu

**Administrative Support:** Christine Bigelow  
Office: CS 704  
Telephone: 801-863-8363  
Email: bigeloch@uvu.edu

The mission of the UVU Engineering Design Technology program (EDT) is to prepare future professionals to engage in diverse design, modeling, and drafting survey, and mapping disciplines. The program cultivates an elevated commitment to work ethic, quality, productivity, and service. Successful graduates will be dynamic self-starters and lifelong learners who are serious about work and accept the stewardship of designing the future.

Information Systems & Technology

**Department Chair:** Keith Mulbery  
Office: CS 601g  
Telephone: 801-863-8843  
Email: keith.mulbery@uvu.edu

**Administrative Support:** Cheryl Levi  
Office: CS 601  
Telephone: 801-863-8182  
Email: Cheryl.Levi@uvu.edu

The mission of Information Systems & Technology Department is to offer stackable degree programs to provide students with engaged learning opportunities to help students develop technical, communication, managerial, and lifelong-learning skills. The department’s programs prepare students for opportunities in information systems, information technology and security, information management, and education.
The mission of the Technology Management department is to provide academic degrees in technical and operations management relevant to the global economy. Our courses provide appropriate knowledge and skills through engaged learning, hands-on activities, scholarship investigation, ethical responsibility, creativity, and lifelong learning. Students will be prepared for professional careers in management and entrepreneurship as well as provided with a strong foundation for advanced academic study. Our graduates will also be prepared to contribute to their employers and communities through leadership, service, and a concern for the environment.

College of Health and Public Service

The College of Health & Public Service (CHPS) provides rigorous professional training and educational opportunities that engage students and advance aviation, criminal justice, community health, dental hygiene, forensic science, law enforcement, emergency services, nursing, respiratory Therapy, and other related health and public service professions. CHPS embraces student and community engaged learning that is at the core of UVU's mission. Our goal is to provide professionally competent individuals who will not only provide communities within Utah with a population of highly trained people, but also leaders in their communities.

The College of Health and Public Service dean's office is located at the Provo Airport in Hangar A (HA). Our address is 1155 Slide Line Drive, Provo, UT 84601.

Allied Health

**Dental Hygiene**

- **Department Chair:** Dianne Knight
- **Office:** HP 142d
- **Telephone:** 801-863-6885
- **Email:** Dianne.Knight@uvu.edu

The primary responsibility of the Dental Hygienist is the prevention of oral health problems. The dental hygienist is a licensed professional and a member of the dental team, responsible for providing preventative and therapeutic care and education for the control of oral disease. Providing dental hygiene care requires application of biological and psychosocial concepts of health and human functioning.

**Respiratory Therapy**

- **Program Coordinator:** Max Eskelson
- **Office:** HP 142d
- **Telephone:** 801-863-5897
- **Email:** Max.Eskelson@uvu.edu

**Aviation Science**

- **Department Chair:** Randall Johnson
- **Office:** HA 202a
- **Telephone:** 801-863-7819
- **Email:** Randall.Johnson@uvu.edu

The mission of UVU Aviation Science is to provide a superior educational experience which prepares students for successful careers and promotes responsible citizenship in a global aviation environment. Degrees are offered through technology-enhanced traditional classroom and innovative online delivery methods. Simulations and flight training are integrated with scholarly work to create a complete and well-balanced aeronautics program. The curriculum is developed through ties with industry to incorporate changing standards...
in technology and procedural advances. Our student-centered approach encourages leadership and engaged life-long learning. We emphasize public awareness and safety in aviation as our commitment to the community at large.

Criminal Justice/Law Enforcement

- **Department Chair**: Matthew Duffin
- **Office**: EN 101d115b
- **Telephone**: 801-863-6896
- **Email**: matthew.duffin@uvu.edu

Center for National Security Studies

- **Director**: Ryan J. Vogel
- **Office**: CB 310j
- **Telephone**: 801-863-6891
- **Email**: Ryan.Vogel@uvu.edu

Law Enforcement Academy

- **Director**: Buckey Walters
- **Office**: EN 114a
- **Telephone**: 801-863-8062
- **Email**: buckey.walters@uvu.edu

The mission of the Criminal Justice Department is to provide students with a complete understanding of both the theory and practice of the Criminal Justice system, Forensic Science field, and area of national security. The Criminal Justice Department endeavors to expose students to crucial thinking skills, engaged learning and effective communication; engender creative problem solving skills that results from the ability to acquire and evaluate information; provide opportunities to navigate advanced technological systems combining theory with extensive hands-on practice using equipment currently used by professional practitioners; provide the opportunity for personal and social growth and to become awareness of the diverse cultural, historical, economic and political forces that shape our society.

Emergency Services

- **Department Chair**: Gary Noll
- **Office**: FS 202a
- **Telephone**: 801-863-7741
- **Email**: Gary.Noll@uvu.edu

The mission of the department of Emergency Services at Utah Valley University is to support emergency services, crisis and disaster relief through excellence and innovation in education, training, scholarship, and service.

Institute for Emergency Services & Homeland Security

- **Under the Direction of**: John Fisher
- **Office**: FS 120a
- **Telephone**: 801-863-7732
- **Email**: John.Fisher@uvu.edu

The mission of the Institute of Emergency Services and Homeland Security at Utah Valley University is to support preparedness, resiliency, and security disciplines through excellence and innovation in education, training, and scholarly research.

The Institute can collaborate with other institutions of higher education, as well as local, regional, national agencies, and private sector interests, in order to reach all target audiences identified by the Department of Homeland Security, as well as fill a much needed niche in higher education. Collaboration will allow us to work with other dimensions of a broader Homeland Security framework to plan for, create and implement local, regional and possibly national educational and training programs designed to prepare people with responsibilities for prevention, initial response, mitigation, and recovery of local, regional, and/or national security incidents.

Nursing

- **Department Chair**: Dale Maughan
- **Office**: HP 203x
- **Telephone**: 801-863-7411
- **Email**: Dale.Maughan@uvu.edu

The UVU Department of Nursing provides quality nursing education, helping students to cultivate knowledge, sound clinical judgment, and a foundation for lifelong learning, as they progress toward becoming competent, caring nurses in a complex and changing healthcare environment. Students learn patient-centered care, inquiry and reasoning skills, nursing roles and collaboration, and quality and safety principles, preparing them to work successfully in a variety of healthcare settings.

Public & Community Health

- **Department Chair**: Mary Brown
- **Office**: HP 101u
- **Telephone**: 801-863-7398
- **Email**: brownma@uvu.edu
Colleges and Schools

Public and Community Health graduates pursue a variety of careers, including health education, health promotion, and health services administration. Graduates are qualified to work in government health agencies and in private-sector settings, such as public health departments, health maintenance organizations, hospitals, clinics, and specialized health agencies such as the American Heart Association. An emphasis in School Health Education prepares students to teach health in secondary education.

Public Service

- **Program Director:** Thomas Sturtevant
  - Office: HA 202
  - Telephone: 801-863-7398
  - Email: Tom.Sturtevant@uvu.edu

The Master of Public Service (MPS) degree at UVU develops the next generation of public service administrators. The MPS offers students an applied and engaging public sector education with broad based knowledge, skills, and abilities in public service administration. The interdisciplinary curriculum focuses on managing, leading, and administering vital public services and public safety functions with an emphasis on ethical considerations, communications, strategic planning, public policy issues, and research methods.

Utah Fire & Rescue Academy (UFRA)

- **Director:** Hugh Connor
  - Office: FS 205c
  - Telephone: 801-863-7706
  - Email: connorhu@uvu.edu
  - Website: uvu.edu/ufra

Utah Fire & Rescue Academy (UFRA) mission is to educate, train, validate, and support the fire and emergency services at the highest quality level possible.

Programs

Behavioral Science

- **Department Chair:** Cameron John
- **Office:** CB 210B
- **Telephone:** 801-863-6377

Academic Advising Appointments: [uvu.edu/besc/bescacademicadvising.html](http://uvu.edu/besc/bescacademicadvising.html)

The Behavioral Science department is a rigorous interdisciplinary program (Anthropology, Family Studies, Psychology, Social Work, Sociology, and Substance Use Disorder Counseling) that prepares students to make positive contributions in their academic, work, and community settings by developing their understanding of human functioning in various contexts. We promote and mentor student engagement with each other and with their academic, professional, or geographic communities in order to achieve essential learning outcomes.

Communication

- **Department Chair:** David Morin
- **Office:** CB 502V
The Utah Valley University Communication Department is shaping students to become the next top leaders in journalism, public relations and speech communication through courses and engaged-learning experiences that are theoretically driven, innovative, and applied. The department prepares students with the necessary skills to communicate visually, orally and through written documentation within the context demanded by the business, journalism, advertising, and public relations worlds. Students are also equipped with a solid ethical foundation and an understanding of diversity and interdependence in the global community.

Programs of study in Communication at UVU offer a balance of analytic and applied approaches to study in the field. The department offers an expanding menu of beginning and advanced courses in interpersonal communication, intercultural communication, international communication, organizational communication and journalism.

Encouraging student internships, and working closely with Student Media and other units on campus, the curriculum balances traditional, academic-style learning with applied, practical approaches to study in the field.

Note: Communication students in the journalism emphasis are required to have laptop computers.

English & Literature

- **Department Chair**: Brian Whaley
  - Office: CB 402v
  - Telephone: 801-863-6071

The Department of English and Literature provides an innovative and stimulating learning environment to help students broaden their cultural experiences, deepen and refine their abilities in critical thinking, and improve their skills in written and verbal communication. By offering courses, programs and activities in literature, creative writing, college-level composition, and technical communication, the department aims to foster an invigorating and diverse learning community that changes the ways students envision themselves and the world, thus making them more thoughtful and productive contributors to their communities. Students pursuing English studies gain invaluable workplace skills: they think more critically and creatively; they communicate clearly and logically; they comprehend the ways language defines and affects behavior, and they come to understand the complexity of human relations in various cultural and historical contexts.

History & Political Science

- **Department Chair**: Jay DeSart
  - Office: CB 203A
  - Telephone: 801-863-6314

In keeping with the University’s mission, the History and Political Science department is dedicated to providing students with a broad range of opportunities and experiences in general-education and discipline-specific courses in history and political science. Classes are taught in ways that foster critical thinking and analysis of complex issues and materials through lecture, reading, class discussion, and the development of written- and oral-presentation skills. The History and Political Science department strives to provide a reflective, multicultural, and international perspective.

Integrated Studies

- **Department Chair**: Wayne Hanewicz
  - Office: CB 311H
  - Telephone: 801-863-6343

The individualized nature of the Integrated Studies degree is attractive to students with multiple interests who want to develop skills that are relevant to a variety of careers. Students integrate course work in emphases such as science, business, health, literature, languages, communication, philosophy, behavioral science, social science and the arts. Emphases from computer science and information systems, accounting, technology and trades and physical education are also offered as part of this degree. http://www.uvu.edu/is/

Interdisciplinary Studies Program

- **Director**: John Goshert
  - Office: CB 410f
  - Telephone: 801-863-6288

Interdisciplinary Studies provides a framework for supporting innovative, boundary-crossing inquiry among students and faculty across campus as well as in wider intellectual and social communities. IDST coordinates existing multidisciplinary minor and emphasis programs and provides guidance and support as new programs are envisioned and established. IDST programs promote instructional excellence and offer a variety of courses and events that enhance the overall academic experience at Utah Valley University.

Languages and Cultures

- **Department Chair**: Sara Ulloa
  - Office: CB 306b
  - Telephone: 801-863-6257

The Department of Languages and Cultures promotes global awareness, intercultural understanding and international insights by providing instruction in eight languages (American Sign Language, Chinese, French, German, Japanese, Portuguese, Russian and Spanish). The lower division courses (1000-2000 level) fulfill Associate in Arts and Bachelor of Arts program requirements; the upper division courses (3000-4000 level) apply to degree program requirements, including the Deaf Studies, ASL and Deaf Studies Education, Spanish and Spanish Education degrees, the Integrated Studies degree (emphasis in ASL, French or Spanish), and the minors in Deaf Studies, Chinese Language, French, German, Languages, Portuguese and Spanish. Language instruction is enhanced by excellent, caring instructors who are supported by a multimedia language lab focused on cutting-edge technology in the delivery of instruction and on talented, caring tutors who act as extensions to the classroom teacher by helping students understand and practice the grammar and vocabulary taught within class.
Colleges and Schools

Philosophy & Humanities

• Department Chair: Leslie Simon
  • Office: CB 507b
  • Telephone: 801-863-8128

The Department of Philosophy and Humanities provides critical study of the creative and intellectual underpinnings of the liberal arts curriculum that connects students to the past, present and future. Students will understand and be able to apply foundational philosophical concepts in all major disciplines, including concepts from multicultural, historical, artistic and values-conscious belief systems. The department is dedicated to enhancing critical thinking and writing skills to support student occupational and academic endeavors.

College of Science

The College of Science builds the scientific economy and scientific literacy of the Wasatch Front region and beyond. We carry out this mission by offering academic degrees, certificates, and courses, including service and general education course, and opportunities for collaborative research by students and faculty, in an atmosphere which encourages innovation and which creates opportunities for students, faculty, staff, and other stakeholders to attain their personal and professional goals.

Degrees Offered

Bachelor of Science

Biology
Biology Education
Biotechnology
Botany
Chemistry

• Forensic Chemistry
• Professional Chemistry
Biology is a highly versatile degree, thanks to the variety of career paths open to Biology graduates. In addition to standard career options (healthcare, biotechnology, agriculture, education and environmental science) some biology graduates find employment in fields as diverse as scientific illustrator, public relations, governmental agencies, and non-profit organizations. With additional education, majors can go onto careers in law (medical/biotechnology patent attorney, forensic scientist), business (healthcare and agricultural industry management), engineering (biomechanical device development), and even aerospace. A degree in Biology can provide for career opportunities as limitless and evolving as life itself.
Chemists study the properties and reactions of matter. Chemistry bridges physics and materials science, the biological sciences, medicine, and earth and planetary sciences. Chemistry is a fundamental driver in the business and commerce sector of our society. Careers in chemistry are not only personally fulfilling; they enable individual contribution to society and the economy. Many chemistry graduates continue their studies with graduate work in various fields of chemistry, dental school, pharmacy school, and medical school.

Earth Science

Earth Science degrees prepare students for careers, such as development and management of natural resources, treatment of drinking water, mitigation of geologic hazards, work with geographical information systems, education, and basic scientific research. Our programs emphasize hands-on opportunities for students through local and international research and service projects; our department is at the forefront of involving students in meaningful research projects that take them beyond the classroom. The tools our students learn to utilize are as diverse as career opportunities that await them, ranging from hand-held compasses to survey-grade GPS equipment and cutting-edge geochemical analytical device. Many UVU Earth Science graduates enter the workforce directly after graduation, others pursue graduate studies; some find jobs that allow them to spend many hours in the outdoors, others find their niche in an office environment. Many students pursue graduate programs in geology, environmental science, and law.

Exercise Science & Outdoor Recreation

Our courses and degree programs in Exercise Science, Outdoor Recreation, and PE Teacher Education balance theory with application. Our Exercise Science degrees prepare students for careers such as wellness coaching, cardiac rehab, and personal training. The Outdoor Recreation program prepares students for jobs with the U.S. Forest Service, the Utah Department of Natural Resources, and the U.S. Bureau of Land Management. The Physical Education Teacher Education degree prepares students to be PE teachers in grades K-12. Our Exercise Science degrees also qualify students to continue their education in many different graduate programs. Graduates have gone on to jobs in fields such as sports administration, kinesiology, biomechanics, sport nutrition, exercise physiology, biomechanical engineering, and pathokinesiology. Additionally, many students go on to excel in health-professions graduate programs such as medical, dental, and pharmacy, physical therapy, occupational therapy, prosthetics or orthotics programs. Graduates from Exercise Science & Outdoor Recreation play an important role in the promotion of physical activity, recreation, fitness, health, wellness, and general quality of life.

Mathematics

Mathematics degrees can lead to a wide variety of careers: accounting, actuarial work, architecture, bioinformatics, climate science, computational biochemistry, computer animation, cryptanalysis, economics, education, aerospace, civil, electrical, environmental or mechanical engineering, forensic analysis, geographic information systems, health care, law,
meteorology, robotics, population ecology, quantitative financial analysis, software engineering, and many more. In addition to these direct career applications, an understanding of mathematics facilitates careful reasoning, deep understanding, and creative thinking. Mathematical principles are used to develop, analyze, and optimize models in science and technology. A math degree can boost success in any discipline.

Physics

- **Department Chair:** Phil Matheson  
  - Office: PS 207  
  - Telephone: 801-863-7161  
  - Email: Phil.Matheson@uvu.edu

- **Administrative Support:** Brandi Pacchiega  
  - Office: PS Reception  
  - Telephone: 801-863-6964  
  - Email: Bpacchiega@uvu.edu

Physics is the set of ground rules which are used to explore the universe and improve society through the understanding of nature and the application of that understanding of new invention. The knowledge necessary to advance electronics, energy, transportation, and computer technologies is often first found in a physics lab and later becomes exploited by engineers. Today’s physicists are also very active in biology and medicine, using advanced methods to probe the working of life, and to turn the engines of physics to the imaging and treatment of illness in the human body. Physicists also continue their fundamental role as explorers of the frontiers of our existence, exploring the structure and rules of all that goes on around us, whether that be in the infinitesimal realm inhabited by the Higgs Boson or in the nearly infinite space of our dark-energy dominated universe itself.

Other Academic Programs

Occasionally, academic programs span all or several of the colleges or schools of the University. These programs often have an interdisciplinary aspect to them. They are enhancements to and enrichments of other existing programs explained within the colleges or schools and departments in other descriptions in this catalog.

The interdisciplinary programs at UVU provide students with rich and varied opportunities to engage in study and research that address complex problems by drawing on multiple disciplinary tools.

UVU offers several curriculum-spanning opportunities for students to explore interdisciplinary relationships.

The Leadership Certification Program brings together students who are interested in strengthening their leadership skills, no matter what their major.

The Center for the Study of Ethics provides opportunities for students to think more deeply about the ethical dimensions of contemporary life.

The Honors Program works with a number of departments and colleges and schools on campus to prepare students for graduate or professional schools, among other futures, through interdisciplinary research, internship, field, and experiential learning opportunities.

The Integrated Studies Program allows students to engage in cross-disciplinary research that can culminate in an associate and/or bachelor degree.

Interdisciplinary programs at UVU offer innovative learning experiences that challenge, teach, and prepare student for successful lives and careers after graduation.

For more information, please see individual department pages.

See below for more detail on interdisciplinary or cross-discipline programs and opportunities.

- **Senior Vice President for Academic Affairs:** Jeff Olson  
  - Office: BA 216d  
  - Telephone: 801-863-8951  
  - Email: jolson@uvu.edu

The Center for the Advancement of Leadership

- **Director:** Belinda S. Han  
  - Office: LC 302  
  - Telephone: 801-863-6465  
  - Email: cal@uvu.edu

**Leadership Certification Program**

The Center for the Advancement of Leadership (CAL) has designed an extra-curricular Engaged Learning University Distinction in Leadership for any and all students on the UVU Campus. Whether majoring in business, engineering, law, emergency services, biology, aviation, or any other degree or program, this Engaged Learning Distinction is designed for students who wish to advance their personal, interpersonal, organizational and/or civic leadership skills while pursuing their degrees and programs – making them more productive and marketable to their future employers and/or graduate or professional schools.
Colleges and Schools

All students are invited to preview the program by visiting our website at uvu.edu/leadership, attending our monthly Master Mind Meeting the first Monday of each month, visiting our office in LC 302, or calling (801-863-6466).

Leadership Certification Structure

The Engaged Learning University Distinction in Leadership focuses on four key aspects of personal development: Learn, Engage, Acquire, and Discover. Together, these four aspects ensure leadership growth concurrently in both the personal and professional arenas.

The Engaged Learning University Distinction in Leadership is a two year program.

- Advisory Board:
  - TJ Fund, (Current Board Chair) General Counsel, OpenEdge; Lieutenant Colonel Hank McIntire, Communications Professor, UVU; David Reeves, Imagine Learning; Kelly Johnson, Branch Manager at Bank of Utah; Ron Hinckley, President (retired) Research/Strategy/Management, Inc.; Kelly A. Clark, Higher Education; Jay Fugal, Global Operations Manager of Profire Energy Inc.; Erika Bult, English Teacher; Steve Mullins, Human Resources Senior Manager, Profire Energy Inc.; Kathy Rowe, Managing Partner, Rowe Financial Advisors; Adam Bailey, Vice President of Sales Operations, North Star; Simon Cantarero, General Counsel for Costa Vida Management, LLC; Alan Walker, CAL Student President

Center for the Study of Ethics

- Director: Brian D. Birch
- Associate Director: Courtney Davis
- Coordinator: Susanna Garcia
- Office: CB 411
- Telephone: 801-863-5455
- Email: ethics@uvu.edu
- Web: uvu.edu/ethics

The Center for the Study of Ethics (CSE) supports and facilitates the interdisciplinary study of ethics. This includes traditional moral philosophy and the integration of theory and practice across the disciplines and professions. Center activities include public forums, co-curricular support of faculty and student scholarship, and community engagement activities.

Because an educated citizenry is necessary for democracy, the study of interdisciplinary ethics aids individuals in moral decision-making relevant to professional, private, and public life. While CSE programming addresses a range of challenging ethical and public policy issues, the CSE is a non-advocacy center designed to promote academic achievement and community dialogue.

Regular events include Ethics Awareness Week, the Environmental Ethics Symposium, the Faculty Summer Seminar. The CSE also hosts a variety of customized forums in response to student interest and contemporary events.

The organizational structure of the CSE is comprised of an Executive Committee, the Community Advisory Board, and the Faculty Advisory Committee.

Ethics forums are free and open to the public.

Honors Program

- Main Office: LC 204
- Telephone: 801-863-6262
- Fax: 801-863-6562
- Web: uvu.edu/honors
- Faculty Director: Kathryn McPherson
- Office: LC 204a
- Telephone: 801-863-8055
- Email: kmcperson@uvu.edu

The UVU Honors Program seeks out highly motivated and diverse students who exhibit curiosity, creativity, passion, initiative, and flexible thinking. Admitted students receive specialized academic and social opportunities beyond the typical collegiate experience. We promote student success through intensive advising, inclusive experiences, classes with outstanding faculty, and sustained peer-group interactions during cultural events, outdoor adventures, and research endeavors. Through imaginative and intellectual engagement, Honors students build on their personal, professional, and civic potential.

Eligibility

We encourage any student with curiosity, talent, and drive apply for admission to the Honors Program through a competitive application process that assesses them holistically based in part on two short admissions essays. There is no minimum GPA or test score required to be admitted. We welcome and support students from all backgrounds seeking any face-to-face baccalaureate or associates degree.

Honors students also experience extensive mentoring by faculty while researching and completing a year-long Honors thesis or project, leaving students well-positioned to succeed in applications to competitive graduate and professional schools. Close interaction with faculty in small Honors courses also fosters opportunities for students’ career and professional development.
Colleges and Schools

development. Graduate school and employment applications are enhanced by the numerous research, field, and experiential learning opportunities facilitated by the Honors Program.

To earn Honors Program distinction on the transcript and diploma and to wear our regalia, students must complete between 20 and 31 credits of Honors level coursework based on their completed credits at the time of admission. An overall GPA of at least 3.40 must be attained to qualify for the Honors Program Graduate distinction.

Unique in Utah, the Honors Colloquium is a 1-credit course that includes cohort building activities emphasizing cultural, outdoor, and academic activities. These include trips to the Utah Symphony, Utah Opera, guest lecturers from the academic and professional communities, outdoor recreation activities, reading groups, and community or campus service projects. The Colloquium syllabus is available each Fall and Spring semester in the Honors Office (LC 204) or in electronic form from the Faculty Director and Program Coordinators.

The Honors Program also offers access to merit-based tuition scholarships to Utah residents, as well as access to competitive housing scholarships that is available to both resident and non-resident students. Application to the program and for these scholarships occurs each October for Spring semester and each January for Fall semester.

School of Education

The School of Education prepares competent, caring and qualified individuals who are ready to assume the role of teacher in elementary and secondary schools, as well as prepare them for further career choices and advancement. The professional program provides essential coursework and experiences to support students as they progress toward becoming professional educators. Students are engaged in research-based and standards-based instruction in content and pedagogy. Candidates are expected to plan, instruct, and assess in a manner that meets curriculum, school and district goals as well as the diverse instructional and experiential needs of all students. Candidates reflect on their own practice and performance, analyze progress, and make choices for future professional growth. In the Master's program, new knowledge is put into practice in students' own classrooms. Graduates acquire knowledge, skills, and dispositions to positively impact their classroom, school, and community as they continue on the journey of life-long learning.

Art & Design

• Department Chair: Courtney Davis
  • Office: GT 535a
  • Telephone: 801-863-8118

The Department of Art and Design prepares students for careers in applied arts, fine arts, and art education. Training is provided for both 2-dimensional and 3-dimensional art in a variety of media. Professional training is provided in the areas of graphic design, illustration, photography, painting/drawing and sculpture/ceramics through the BFA degree. The BFA degree is a competitive program for those with above average abilities in art and requires students to specialize in one of the aforementioned areas. The BS/BA degrees are general degrees that allow students to study various aspects of art and visual communications and are open to all. The Bachelor of Science in Art Education helps prepare students to teach in secondary schools. Some of our 1000 level courses also fulfill general education requirements.

Dance

• Department Chair: Doris Trujillo
  • Office: LA 022d
  • Telephone: 801-863-8610

The mission of Utah Valley University Department of Dance is to foster academic and artistic excellence through an intensive technical and reflective study of dance. Anchored in a common core curriculum with several areas of emphasis, our program provides a rich and stimulating environment where students cultivate their technical, aesthetic, creative, and scholarly potential. We value superior teaching which promotes dance as an artistic and cultural expression that has the power to enrich and transform the individual, community, and society.

Students interested in pursuing a degree in dance can choose from the following degree paths: AS Pre-Major in Dance, BFA in Dance with an emphasis in Ballet or Modern Dance, BS in Dance with an emphasis in Ballroom Dance, and BS in Dance Education. A variety of student, pre-professional and professional companies within the department provide excellent local, national and international performing opportunities for students in formal and informal as well as, adjudicated settings. Membership in companies is by audition only.

Those trained in dance find careers as public and private school teachers, college and university educators (requires graduate degree), performers, choreographers, dance historians and critics, administrators, dance therapists and professionals in the field of somatics, private studio owners, health and fitness consultants, researchers, notators and movement analysts.

Music

• Department Chair: Donna Fairbanks
  • Office: GT 332
  • Telephone: 801-863-8534

The Department of Music promotes student success through innovative programs that enhance creativity, hone performance expertise, and sustain high standards of excellence. Our professional faculty provide learning opportunities essential to the competency of music students as they prepare for a global marketplace. The department engages diverse audiences through performances and activities representing an array of musical styles and traditions.

Our objectives are to:

1. Provide nationally-competitive academic programs and general studies in music.
2. Promote an inclusive environment that provides students with resources that support their educational and professional needs.
3. Engage audiences with performances that reflect diverse musical styles and traditions.
4. Promote opportunities for students and faculty to explore their highest professional potential through creative and innovative activities on- and off-campus.

Theatrical Arts for Stage & Screen

• Department Chair: Lisa Hall Hagen
  • Office: FA 325
  • Telephone: 801-863-6272

The Department of Theatrical Arts for Stage and Screen offers programs of study leading to the Associate in Science degree, to the Associate in Applied Science degree, and to three baccalaureate degrees – Bachelor of Arts, Bachelor of Science in Theatre Arts Education, and the Bachelor of Fine Arts in Theatre Arts. The Department provides cultural experiences and undergraduate instruction in theatre and film for the individual theatre major, the UVU student community, and the community at large, preparing students not only for continued education and employment, but also for lifelong learning, personal fulfillment, and culturally active citizenship.

The Department mounts four to six productions per year encompassing a rich variety of genres and time periods. Students work side-by-side with faculty whose combined professional theatre experience and academic credentials enrich coursework in performance, script analysis, script writing, directing, theatre history and literature, theatre management, and in design for lighting, sound, scenery, costumes, and makeup. Productions are often selected for showcasing in the Kennedy Center American College Theatre Festival, where students also compete for scholarships and professional employment.

Smaller student cohorts make it possible for the vast majority of student performers to be on stage in any given school year and for aspiring technicians and designers to be involved in the production process early in their college careers. The annual Short Attention-Span Theatre Festival features student-written, -directed, -designed, and -performed productions.
The Department, working in relationship with the Sundance Resort, produces the Sundance Summer Theatre every July and August. Students are given opportunities to perform, design, build, and stage manage these semi-professional productions.

The Department also manages a Theatre Study Abroad program, where 10-15 students spend four weeks living and studying theatre in London. Students also produce a performance piece that travels to and performs at the Edinburgh Fringe Theatre Festival.

Woodbury Art Museum

- **Director:** Lisa Anderson
  - Office: University Place, N250
  - Telephone: 801-863-4200

The Woodbury Art Museum serves as a catalyst in engaging our community in aesthetic investigation and cultural awareness. The museum collects, preserves, and exhibits art and related materials, focusing on modern and contemporary artistic styles. These exhibitions, programs, and collections stimulate research and serve as a valuable resource in our academic setting as well as in the community.

The Woodbury Art Museum provides free exhibitions and programs for local communities. Showcasing the museum's Permanent Collection and rotating exhibitions, the museum has been presenting the visual arts since 2002. We are located on the second floor of the University Place. The Woodbury Art Museum exists out of the generosity of Orrin and Wally Woodbury.

Utah Valley University Arts Resource Council

- **Contact:** Kevin Goertzen
  - Office: GT 604
  - Telephone: 801-863-5760
  - Email: KevinG@uvu.edu

The Utah Valley University Arts Resource Council is an active partner in helping the School of the Arts accomplish many things. Chosen for their demonstrated leadership and accomplishments in the arts, business and/or community service, Council members provide valuable counsel and assistance in the areas of creative and scholarly activity, development, fund raising, and increasing awareness in the community. Success in these focus areas contributes significantly to the students and faculty of the School of the Arts and allows the School to more fully enrich the community.

University College

University College serves a unique role and mission within Utah Valley University. Based on a national model, the name University College signifies opportunity for student success through curricular and co-curricular offerings, academic services, and innovative programs. University College welcomes students at present levels of academic achievement and challenges them with higher expectations. The programs and departments of Literacies & Composition, Student Leadership & Success Studies, Developmental Mathematics, English Language Learning, Academic Counseling Center, Academic Standards, Writing Center, Academic Tutoring, Math Lab, and First Year Experience & Student Retention promote interdisciplinary partnerships as students transition into university academics.

The courses offered by the Department of Developmental Mathematics are instrumental in providing a foundation not only for higher level math courses, but also for civic, professional, and personal life. The Department provides an inclusive, engaged learning environment fostering student achievement while improving quantitative literacy. The Department of Developmental Mathematics offers MAT 1000, MAT 1010, MAT 1030, and MAT 1035 as transferable, college credit classes. MAT 1000 and MAT 1010 are also offered as prerequisites for MAT 1030, STAT 1040, MATH 1050, and MATH 1090. The Department of Developmental Mathematics also offers preparatory, non-transferable courses for students who need to strengthen mathematics skills before entering credit-bearing courses.

English Language Learning

- **Department Chair:** Brian MacKay
  - Office: LA 209d
  - Telephone: 801-863-6558
  - Email: Brian.Mackay@uvu.edu
  - Web: www.uvu.edu/ell

- **Coordinator, Student & Faculty Services:** Gayla Amosa
  - Office: LA 209f
  - Telephone: 801-863-8729
  - Email: gayla.amosa@uvu.edu

- **Operations Coordinator:** Elizabeth Nield
  - Office: LA 209c
  - Telephone: 801-863-6865
  - Email: elizabethn@uvu.edu
The mission of the intensive English language program at UVU is to help non-native English-speaking students to understand and successfully use academic English at an American university. To accomplish this goal, our faculty and coursework provide a broad range of excellent academic and social opportunities. These opportunities help students develop and show proficiency in the skills of reading, writing, grammar, and listening/speaking.

**Literacies & Composition**

- **Department Chair:** Joshua Hilst  
  - Office: LA 234f  
  - Telephone: 801-863-6349  
  - Email: JHilst@uvu.edu  
  - Web: www.uvu.edu/litcomp

- **Academic Advisor:** Chelsea Austin  
  - Office: LC 404d  
  - Telephone: 801-863-8596  
  - Email: Chelsea.Austin@uvu.edu

The Literacies and Composition Department is dedicated to assisting students and community members who wish to improve their reading, writing, and communication skills in preparation for taking college courses or for self-improvement. Instruction in the Literacies & Composition program emphasizes helping students to think critically, comprehend and respond to written texts, analyze and synthesize texts, organize ideas, use logic and support to present oral and written arguments, compose in a variety of electronic environments, and learn the conventions of academic English. The Literacies & Composition Department strives to accomplish its mission by providing a learner-centered environment which allows students to develop self-confidence along with the skills necessary to succeed in their academic or occupational endeavors. The Department uses a variety of instructional formats including traditional classroom settings, hybrid and online instruction, collaborative learning activities, peer and instructor tutorials, and individualized instruction to meet student needs.

**Student Leadership & Success Studies**

- **Department Chair:** Chris Goslin

  - Telephone: 801-863-5436  
  - Email: 

The mission of the Student Leadership and Success Studies (SLSS) department is to help students acquire the knowledge, skills and abilities needed to meet the challenges of college. Students may choose from a variety of SLSS courses which best fit their academic needs. Our courses help students with the preparation for the demands of college life, the selection/pursuit of major and career paths to graduation, the improvement of time management, stress management, effective library research, and the developing of essential life skills. The SLSS courses prepare students to develop and apply leadership in their lives, facilitating personal and social impact.

  - Telephone: 801-863-6829  
  - Email: ostlerch@uvu.edu

Utah Valley University

Course Catalog 2018-2019
The Academic Counseling Center (ACC) is committed to meeting the career and academic needs of current and future students, faculty, staff, and community members. Our center is an ideal starting point for undecided students, with many working towards their Associate in Science (AS) or Associate in Arts (AA) degree in University Studies, or those pursuing professional programs requiring formal application such as Law and Medical school. Students also have the option of a Bachelor in Science (BS) and Bachelor of Arts (BA) in University Studies. This provides a flexible option for students in which other degrees may not meet their needs.

Academic Advising & Counseling

Academic counselors are available to assist students in determining and achieving their educational goals. Counselors are qualified to help students select majors and careers, review prior education, and plan educational programs.

The ACC provides advisement for general education requirements and is the advisement center for those majoring in University Studies. Students are referred to departmental advisors for help in meeting their major requirements. Other services provided include assisting students experiencing academic difficulties and enforcing academic standards.

The ACC also has counselors for students seeking admission into Law School, Medical, Dental, Nursing and many other health occupations. Referrals are made to help students achieve their educational goals. Some of these include referrals to personnel in the Accessibility Services Center, Student Health Services, Testing Services, University Studies, and to academic departmental advisors.

Career Assessment & Counseling

Our counselors provide a full range of career assessment. These services include:

- Career interest/personality testing
- One-on-one career counseling sessions
- Career workshops
- Occupational information
- Use of UtahFutures career and educational software
- Career resource library
- Vocational evaluation services

Academic Standards

- **Director:** Jan Klingman
- **Office:** LC 402
- **Telephone:** 801-863-5325
- **Email:** KLINGMJA@uvu.edu
- **Web:** uvu.edu/academicstandards

- **Administrative Support:** Cindy Braithwaite
- **Office:** LC 402
- **Telephone:** 801-863-8075
- **Email:** CindyB@uvu.edu

- **Hours:**
  - Monday 8 a.m. - 6 p.m.
  - Tuesday 8 a.m. - 7 p.m.
  - Wednesday 8 a.m. - 7 p.m.
  - Thursday 8 a.m. - 7 p.m.
  - Friday 8 a.m. - 5 p.m.

The primary mission of the Academic Standards Office at UVU is to promote students’ academic success and to assist those experiencing academic difficulty. The work of the Academic Standards Office is to assist students in discovering and accessing the personal or university resources that will allow them to reach their full potential. When students fall below the grade point average standard of 2.0, the programs of the Academic Standards Office are intended to bring them back on course toward academic success and graduation.

**Academic Standards will help students find success through:**

- Academic Counseling relating to compliance of UVU's Academic Standards Policy
- Academic Warning, Probation, Continued Probation and Suspension
- Referrals to other applicable resources and departments
- One-on-one Academic Counseling and Success Coaching
- Grade check appointments
Learning Strategies Support

- **Coordinator**: Pat Nelson
- **Office**: LC 404h
- **Telephone**: 801-863-7418
- **Email**: Pat.Nelson@uvu.edu

The Learning Strategies Support Services assists students in developing increased self-awareness of their learning challenges and utilizing resources to create and implement a self-improvement plan to become active and independent learners and to achieve academic success.

Learning Strategies Support provides many resources for students:

- Assistance in developing a personalized program of study processes
- Assessment of learning styles
- Support programs for transitional and provisionally admitted students
- Student success workshops, learning processes education
- Referral to other services and agencies
- Help with ACCUPLACER and ALEKS placement exams
- Academic Success Lending Library
- Common study area
- Private and group tutoring (Losee Tutoring Commons)
- Project Success
- Web: www.uvu.edu/learningstrategies

First-Year Experience & Student Retention

- **First-Year Experience (FYE)**
  - **Telephone**: 801-863-4000
  - **Email**: success@uvu.edu
  - **Web**: www.uvu.edu/retention
  - **Web**: www.uvu.edu/firstyear

- **Director**: Marcy Glassford
  - **Office**: LC 405k

  - **Office**: LC 405h
  - **Telephone**: 801-863-7408
  - **Email**: NoemyM@uvu.edu

First-Year Experience and Student Retention (FYESR) administers multiple programs designed to support student success which include Early Alert, Stoplight, and Retention Mentors. FYESR also coordinates UVU’s First Year Experience (FYE) program which includes:

- Orientation
- Freshman Reading Program
- Freshman Convocation
- StartSmart
- UVCommit
- Freshman Year-end Celebration

Student Success and UVU Mentor Program

  - **Office**: LC 406a
  - **Telephone**: 801-863-7090
  - **Email**: JENSENM@uvu.edu
  - **Web**: www.uvu.edu/siss/mentoring

- **Program Manager, UVU Mentor Program**: Angus Macfarlane
  - **Office**: LC 406b
  - **Telephone**: 801-863-5436
Colleges and Schools

• Email:
The Student Success/UVU Mentor program, in partnership with Student Affairs, focuses on preparing students for their college experience. The program is committed to leveraging students for success and persistence in achieving their academic goals. The program is fully integrated into campus-wide student success and retention initiatives. The University Student Success course (SLSS 1000), taught through the Department of Student Leadership Success Studies, is the recommended starting point for first-year students. The objectives of the University Student Success course include:

• Study Strategies
• Self-Discovery and Awareness
• Socialization and Connection to the campus community

The program is home to the UVU Mentors. Our UVU Mentors are dedicated student leaders who are trained to mentor first-year students and assist instructors in every section of University Student Success. The goals of UVU Mentors are to connect personally to their students by mentoring them and modeling the skills being taught. UVU Mentors are students who are successful in their SLSS 1000 class, who then enroll in the Leadership Mentoring I class (SLSS 2200), and then were selected to serve as peer mentors. UVU Mentors are awarded tuition waivers for their service.

Tutoring Services

Tutoring services are available at no charge to all UVU students. Qualified tutors provide one-on-one tutorials and help lead group study sessions and workshops. Information about tutoring may be obtained by contacting Directors of any of the following services.

Academic Tutoring

Department Administrative Offices: LA 201

• Director: Kolene Mills
  • Office: LA 221r
  • Telephone: 801-863-8356
  • Email: kolene.mills@uvu.edu
  • Web: www.uvu.edu/academicctutoring

• Coordinator: Ashlee Poulter
  • Office: LA 201k
  • Telephone: 801-863-5521
  • Email: ashlee.poulter@uvu.edu

Drop in tutoring/study labs at the following locations:

• Science & Health Lab – LA 201
• Business Lab – WB 111
• Computer Science Lab – CS 726
• Technology & Computing Lab – CS 612
• Social Sciences Lab - LA 015

Individual appointments, course review sessions, and Supplemental Instruction are also available. Online tutoring is available by appointment at www.uvu.upswing.io. All services are free.

Math Lab

• Director: Nathan James
  • Office: LA 221a
  • Telephone: 801-863-8411
  • Email: nathan.james@uvu.edu
  • Web: www.uvu.edu/mathlab

• Coordinator: Kristen Hornberger
  • Office: LA 201e
  • Telephone: 801-863-6879
  • Email: Kristen.Hornberger@uvu.edu

The Math Lab provides free drop-in tutoring, classroom support through Supplemental Instruction and Structured Learning Assistance, and access to resources to help students be successful in mathematics. Drop-in tutoring is offered at three main locations on the Orem Campus; West Math Lab (LA 201), East Math Lab (LA 216), and Statistics Lab (LC 301) along with limited hours in the Losee Tutoring Commons and Developmental Mathematics Computer Lab (LA 004). Additionally, tutoring is offered at the Wasatch Campus and limited hours at extended locations at Spanish Fork High School, Westlake High School, and online at https://uvu.upswing.io/

Writing Center

Drop-In Lab: FL 208
The Writing Center provides free one-on-one tutoring to all UVU students. Students may bring writing assignments for any class in face-to-face and web conference tutorials. Students can book appointments by registering an account at uvu.mywconline.com. The Center offers free writing workshops, handouts, practice tests, reference books, textbooks, writing manuals, and ESL materials. Graduate student tutoring is also provided. In addition, the Writing Center hosts the Writing Fellows program, a form of supplemental instruction designed to work closely with discipline specific writing courses.

  - Orin R. Woodbury Professor of Leadership and Ethics: Susan Madsen, Ed.D.

Mission Statement

Through exceptional business education, we help students become successful professionals who build our community.

Core Themes - (University Alignment: Student Success, Engagement, Inclusivity, and Seriousness)

1. Delta: Maximize student improvement through engaged learning
2. Placement: Help students obtain and succeed in careers aligned with their goals
3. Scholarship with Impact: Produce and promote research that improves business education and practice
4. Reach: Serve as many people in our community as we can through increased efficiency and inclusive outreach

Accreditation

The Woodbury School of Business was reaccredited with the Association to Advance Collegiate Schools of Business (AACSB) accreditation in fall 2011. AACSB International Business accreditation is an achievement earned only by programs of the highest caliber. Institutions that earn accreditation confirm their commitment to quality and continuous improvement through a rigorous and comprehensive peer review.

Advisement Center

The Woodbury School of Business Advisement Center provides one-on-one advising throughout a student’s program. Information regarding transfer programs is readily available by contacting departmental advisors in WB 257 of the Woodbury Business Building. Each student should make an appointment to see a Woodbury School of Business advisor early in his/her first semester on campus.

- **Advisors**:
  - Scott Childs
Internships/Career Services

The Woodbury School of Business encourages students to enroll in internship courses once they have matriculated. Completing between three and six credits of internship is required of many degrees in the Woodbury School of Business. An internship combines classroom theory with related, practical job experience. While enrolled at the university, students select a work environment related to their major. Internship experience serves as a resume builder and assists students in launching their careers following graduation.

A coordinator works closely with students and employers to ensure that the internship is a successful career education experience. The Woodbury School of Business Manager of Career and Corporate Development is:

- **Internship Manager**: Jessica McArthur
  - Office: WB 146k
  - Telephone: 801-863-6243
  - Email: jmcarthur@uvu.edu
  - Fax: 801-863-7314

- **Coordinator, Career Services**: Bonnie Mortensen
  - Office: WB 146r
  - Telephone: 801-863-8097
  - Email: Bmortensen@uvu.edu

Admission to the Woodbury School of Business

Students choosing to pursue majors in the Woodbury School of Business should decide early, plan their schedules carefully, be aware of all the requirements, and stay informed about any changes by checking often with advisors in the Woodbury School of Business Advisement Center.

Accessibility to the Woodbury School of Business Courses

All 1000- and 2000-level business courses are open to all UVU students along with selected 3000- and 4000-level courses. Some courses have prerequisites, which must be satisfied. No more than 9 credits of upper-division courses can be taken before a student has been formally matriculated into the UVU Woodbury School of Business.

Repeating Failed Foundation Core Courses
To be considered for matriculation in a Woodbury School of Business four-year program, a student must do the following:

1. Complete the foundation core courses listed for their major with at least a “C-” grade; Legal Studies majors must have a grade of “C+” or higher. A student will be limited in taking upper-division coursework (3000 level or higher) until these foundation courses are completed.
2. Achieve a grade point average (GPA) in business courses of at least 2.5 and an overall GPA of 2.0.
3. Contact a Woodbury School of Business advisor to complete the process.
4. The student will be required to complete the program that is in effect at the time (matriculation) is granted. Exceptions will be handled on a case-by-case basis.

After matriculation, the student will be required to complete the remaining courses in their major specialization. See your Woodbury School of Business advisor or the appropriate section of the current catalog for requirements for each major specialization.

Once matriculated, the student must maintain the 2.5 business GPA to remain in the Woodbury School of Business. A student falling below the minimum GPA will be placed on probation for one semester. If the business GPA remains below 2.5 for a second semester, matriculation will be revoked. A student who wishes to continue in the Woodbury School of Business major will be required to retake some classes to bring up the business GPA to at least 2.5 and will be required to apply for reinstatement for matriculation.

A student will be allowed to repeat a failed major specialization course only twice. If the course is not passed with a minimum of “C-” after the third attempt (“C+” for Legal Studies majors), the student will be dropped from the Woodbury School of Business program.

A Bachelor of Science degree in a Woodbury School of Business major may be earned upon the completion of four years of full-time (16 credits per semester) university work. The bachelor degree consists of 120 semester credit hours with a minimum of 40 hours upper-division credits. At least 30 of the credit hours earned in the degree must be Woodbury School of Business courses; 10 of these credit hours must be within the last 45 credit hours earned toward completion of the degree. The student pursuing a bachelor degree must also complete the general education requirements. The student must have a 2.5 GPA in Woodbury School of Business courses and a minimum 2.0 GPA overall for graduation.

The Woodbury School of Business reserves the right to change, at any time, the requirements for graduation and every candidate not yet matriculated into a Woodbury School of Business major will be required to retake some classes to bring up the business GPA to at least 2.5 and will be required to apply for reinstatement for matriculation.

Whether or not a course is accepted toward degree requirements is determined by the date it was taken and the grade received. For details contact your UVU Woodbury School of Business Advisor or the Woodbury School of Business Assistant Dean.

Credit Policy

1. Obsolete Credit: UVU Woodbury School of Business credit or business transfer credit earned more than ten years earlier than the proposed date of graduation (five years for business computer proficiency) may not be accepted toward requirements for graduation unless validated through taking a challenge examination, completing the next course in a related sequence with a grade of “C” or better, or receiving department chair and assistant dean approval.
2. Waiver/substitution Requests: Any deviations from the printed UVU Woodbury School of Business graduation requirements must be approved by the appropriate department chair and the assistant dean prior to waiving, substituting, or taking the course(s) in question.
3. Challenge/Experiential Credit: Credit for any course that appears in the current catalog may be awarded to individuals who can prove through appropriate assessment and/or documentation that they have already acquired the equivalent knowledge and expertise required for successful completion of that course. See your Woodbury School of Business advisor for details on how to receive challenge credit for a specific course. Students may not challenge a class for which they are or have been enrolled. No more than 25 percent of the minimum credits of challenge/experiential may be applied to a bachelor degree in the Woodbury School of Business.
4. Coop/Internship Credits: Academic credit for cooperative work experience and/or internship may be granted in associate and bachelor degrees. Check with your Woodbury School of Business advisor for the maximum number of coop/internship credits that can be applied to your specific program. Additional coop/internship credits may be taken (but not applied toward graduation) with the approval of the manager of career and corporate development and the assistant dean.
5. Transfer Credits: Students transferring from other colleges or universities within the Utah System of Higher Education (USHE) should consult their Woodbury School of Business advisor to determine which credits will be accepted by UVU. Students wishing to transfer Woodbury School of Business credits from colleges or universities outside the state not covered by the USHE Transfer Credit Guide may need to submit further documentation, which allows the Transfer Office, Woodbury School of Business advisor, department chair, and/or Woodbury School of Business assistant dean to assess the content of courses taken. In the majority of cases, courses taken at institutions accredited by the Association to Advance Collegiate Schools of Business (AACSBB) International will be accepted. Only courses with a grade of “C-” or higher are eligible for credit. Classes taken more than 10 years ago may not be accepted but will be evaluated individually.

Application Requirements (Matriculation)

To be considered for matriculation in a Woodbury School of Business four-year program, a student must do the following:

1. Complete the foundation core courses listed for their major with at least a “C-” grade; Legal Studies majors must have a grade of “C+” or higher. A student will be limited in taking upper-division coursework (3000 level or higher) until these foundation courses are completed.
2. IM 2010 and MKTG 2200 require a B- grade.
3. Complete matriculation orientation course (CEBU100).
• Achieve a grade point average (GPA) in business courses of at least a 2.5 and an overall GPA of 2.0.
• Make formal application for (matriculation) through a Woodbury School of Business advisor.
• The student will be required to complete the program that is in effect at the time (matriculation) is granted. Exceptions will be handled on a case-by-case basis.

Maintenance of Matriculation
Once matriculated, the student must maintain the 2.5 business GPA to remain in the Woodbury School of Business. A student falling below the minimum GPA will be placed on probation for one semester. If the business GPA remains below 2.5 for a second semester, matriculation will be revoked. A student who wishes to continue in the Woodbury School of Business major will be required to retake some classes to bring up the business GPA to at least 2.5 and will be required to apply for reinstatement for matriculation.

A student will be allowed to repeat a failed major specialization course only twice. If the course is not passed with a minimum of "C-" after the third attempt ("C+" for Legal Studies majors), the student will be dropped from the Woodbury School of Business program.

Most of the degrees offered in the Woodbury School of Business require the student to demonstrate business computer proficiency. Students pursuing most bachelor degrees must complete this proficiency requirement before they can matriculate. This proficiency can be attained by completing the Excel Educator course through MyEducator with a score of 80 percent or higher or complete IM 2010 or IM 2600 course with a score of 80 percent or higher. See your Woodbury School of Business advisor for additional details.

Degree Requirements

See the individual departmental sections in the catalog that follow this Woodbury School of Business section for specific requirements on each degree offered by the individual departments.

The Associate in Science Woodbury School of Business transfer degree is available for students planning to transfer to another college or university in Utah, or it can be completed by students seeking a BS degree at UVU.

Accounting

• Department Chair: Kevin Smith
  • Office: WB 221
  • Telephone: 801-863-8859
  • Email: KSmith@uvu.edu

The mission of the Accounting Department is to build a strong learning and growth environment for students to prepare for successful careers in industry, government, and public accounting. We maintain a teaching-focused environment where students can master the fundamental and technical competencies required of professional accountants.

Through our partnering with the business community, students will have opportunities of interactive learning in and out of the classroom. The Accounting Department is committed to assessing current accounting trends and developing specializations within the curriculum to prepare students for careers in those growth fields. Upon completion of an Accounting degree, students should have a combination of skills and abilities including but not limited to leadership, teamwork, communication, analytical reasoning, and lifelong learning.

Finance & Economics

• Department Chair: Lowell M. Glenn
  • Office: WB 215
  • Telephone: 801-863-8385
  • Email: Lowell.Glenn@uvu.edu

The business world is more competitive today than in past generations. Decision makers understand the increasing importance of getting things right the first time using business models and measurement methods in making those policy decisions. The classes taught in the Department of Finance and Economics are designed to give students the background to make professional business decisions.

The department offers three bachelor degree programs in Economics, Finance, and Personal Financial Planning (PFP). Graduates in economics find employment in a variety of public and private institutions while many go on to graduate education in law, public policy, an MBA and other disciplines. Finance major’s move on to careers in corporate financial management, as investment managers and analysts, in banking and other careers in the finance industry. The business world is more competitive today than in past generations. Decision makers understand the increasing importance of getting things right the first time using business models and measurement methods to make policy decisions. The PFP program is designed to prepare students for professional careers as fee-for-service certified financial planners. Unlike the other two degrees that offer Bachelor of Arts and Sciences
Colleges and Schools

as well as minors and emphases in integrated studies, the PFP program is restricted to a single bachelor degree. Students who complete the PFP degree will in many respects emulate the careers of accountants who work with individuals and organizations in the management of wealth, personal resources, and provide other professional functions. The PFP Program is registered with the Certified Financial Planner Board of Standards, Inc. The classes taught in the Department of Finance and Economics are designed to give students the background they need to make professional business decisions.

Experienced faculty work with students in understanding the theory of their discipline and learning to apply that theory in the pragmatic application of those principles in financial management, economics, statistics, and operations management courses critical to their professional development.

Marketing

- **Department Chair:** Paul Dishman
  - Office: WB 203e
  - Phone: 801-863-7198
  - Email: PDIshan@uvu.edu

For those trained in marketing, career opportunities are available in advertising, brand and product management, customer affairs, industrial marketing, international marketing, marketing management science and systems analysis, marketing research, new product planning, marketing logistics (physical distribution), public relations, purchasing, retail management, internet marketing, and sales and sales management.

Almost a third of all Americans are employed in marketing-related positions. From large corporations to small companies, both in manufacturing and service areas, firms rely on marketers. There is also a growing trend to use marketing in nonprofit organizations, such as colleges, libraries, and hospitals.

Organizational Leadership

- **Department Chair:** Jeff Peterson
  - Office: WB 146w
  - Phone: 801-863-8134
  - Email: orgldrship@uvu.edu

The Department of Organizational Leadership supports and drives forward the Vision of the Woodbury School of Business (WSB), which is (that) “…as a community-engaged school of business that integrates teaching and scholarship, we aspire to be a school of choice and a leader in student development, entrepreneurship, global involvement, and innovative teaching.”

We do this, as do all departments in the WSB, through…

- Quality instruction and student involvement
- Faculty and student scholarship
- Community outreach and engaged learning
- Integration and application of knowledge
- Social, ethical, cultural, and global literacy

Strategic Management and Operations

- **Department Chair:** David McArthur
  - Office: WB 243
  - Telephone: 801-863-7144
  - Email: David.McArthur@uvu.edu

Students graduating from the Department of Strategic Management and Operations have many opportunities in private industry, government, and entrepreneurship fields. Bachelor of Science degrees are offered with emphases in hospitality management, international business, and general business. An Associate in Science degree and an Associate in Applied Science degree are also available.

Faculty in the Department of Strategic Management and Operations have real-world expertise that they bring to the classroom. During their program of study, students serve an internship in business where they receive actual work experience during their training. Graduates of the UVU business management program are well prepared to work in multiple aspects of business or to go on to graduate school for additional education.
