Honors Project
3:0:6  
Fall, Spring  
*Prerequisite(s): (Senior status or permission of Honors Director) and University Advanced Standing  
*Corequisite(s): Enrollment in Honors Program  

For students completing the Honors Program. Provides an opportunity for seniors in the Program to research, design, carry out, and report results of an original project related to their major, supervised by a faculty mentor. Includes independent research and creative endeavor as necessary. Culminates in the preparation of two short written papers, one preparatory to the project and one evaluating or reflecting on the project's results. Project should be presented publicly, for instance, in a recital, show, portfolio, or other appropriate method in the discipline. May be taken as an extension of research pursued in Honors Thesis 498; may be taken as a substitute for Honors Thesis 498. If a student's major department requires a comparable course (with, for instance, substantial written component), that course may be substituted, with permission of the Honors Director. May be repeated for a maximum of 6 credits toward graduation. Course fee of $10 for binding applies.
