## Degrees & Programs

### Dental Hygiene, A.A.S.

UVU strives to ensure the accessibility of our catalogs. However, if individuals with disabilities need this document in a different format than provided, you may contact the Assistive Technology Center at [ACCESSIBLETECH@uvu.edu](mailto:ACCESSIBLETECH@uvu.edu) or 801-863-6788.

#### Requirements

Dental hygienists examine patients for signs of oral diseases, such as gingivitis, and provide preventive care, including oral hygiene. Working in a private dental office continues to be the primary place of employment for dental hygienists. For today's dental hygiene professional, there are many other career pathways to explore as well. Employment of dental hygienists is projected to grow 6 percent from 2019 to 2029, faster than the average for all occupations. The demand for dental services will increase as the population ages and as research continues to link oral health to overall health. .

#### Total Program Credits: 84

Matriculation Requirements:			
<ol style="list-style-type: none"> <li>ENGL 1010 Introduction to Academic Writing or ENGH 1005 Literacies and Composition Across Contexts, CHEM 1110 Elementary Chemistry for the Health Sciences, BIOL 1610 College Biology, ZOOL 2320 Human Anatomy /ZOOL 2325 Human Anatomy Lab and ZOOL 2420 Human Physiology/ZOOL 2425 Human Physiology Lab with a minimum of a "C" grade or higher</li> <li>Complete the HSRT - Health Science Reasoning Test.</li> <li>Complete 20 hours of clinical/dental office observation.</li> <li>Submit two letters of reference by either a current supervisor/ employer or academic instructor.</li> <li>Submit a 2 page essay on topic provided by department.</li> <li>Submit the Dental Hygiene Application Fee by February 1.</li> <li>Complete interview process and be formally accepted into program.</li> </ol>			
General Education Requirements:			27 Credits
	ENGL 1010	Introduction to Academic Writing	3

#### Graduation Requirements:

- Completion of a minimum of 84 semester credits.
- Overall grade point average of 2.5 or above. All courses must have "C" or higher.

## Allied Health

3. Residency hours: minimum of 20 credit hours through course attendance at UVU.
4. Completion of GE and specified departmental requirements.

## Healthcare Services, A.A.S.

UVU strives to ensure the accessibility of our catalogs. However, if individuals with disabilities need this document in a different format than provided, you may contact the Assistive Technology Center at ACCESSIBLETECH@uvu.edu or 801-863-6788.

### Requirements

The Associate in Applied Science in Healthcare Services is designed for individuals working in a health-related area who have obtained, or are working toward a technical certification, license, etc. Many of these students will be looking for a pathway to allow them better upward mobility in their professions or education to help them become a certified health professional. Students initially finish a program at Mountainland Technical College to develop a portfolio that presents licenses and work-related certifications as well as provides a rationale for receiving technical, experiential credit. Students matriculating into UVU's AAS program will add to their portfolio core courses that provide fundamental knowledge of health professions, human anatomy and physiology, as well as elective courses; students enhance their technical knowledge and skills in one or more health-related areas (e.g. surgical technician, medical assistant, and medical billing and coding).

### Total Program Credits: 64

Matriculation Requirements:		
Completion of an approved MTECH articulated certificate		
General Education Requirements:		17 Credits
Complete one of the following:		3
ENGL 1010	Introduction to Academic Writing	
or ENGH 1005	Literacies and Composition Across Context (5)

### Graduation Requirements:

1. Complete a minimum of 64 semester credits.
2. Overall grade point average of 2.0 (C) or above. All Health Service core electives must be completed with a C- or higher.
3. Residency hours - minimum of 20 credit hours through course attendance at UVU.
4. Completion of GE and specified departmental requirements.
5. Completion of an approved and articulated MTECH certificate

## Respiratory Therapy, A.A.S.

UVU strives to ensure the accessibility of our catalogs. However, if individuals with disabilities need this document in a different format than provided, you may contact the Assistive Technology Center at ACCESSIBLETECH@uvu.edu or 801-863-6788.

### Requirements

An Associate of Applied Science in Respiratory Therapy consists of comprehensive classroom and clinical curricula that prepares students for matriculation into the BS Respiratory Therapy program and credentialing exam offered by the National Board of Respiratory Care (NBRC). The NBRC is the credentialing arm of the American Association of Respiratory Care. Successful completion of the curriculum and the credentialing exam certifies students as a Registered Respiratory Therapist (RRT) and enables them to apply for licensure in their state of residence. Employment opportunities with health care providers range from home health and hospice to neonatal, pediatric, and adult intensive care units in UVU's service area and across the country.

### Total Program Credits: 72

<b>Matriculation Requirements:</b>		
1. Complete the following coursework:		
<ul style="list-style-type: none"> <li>• College English</li> <li>• Quantitative Literacy</li> <li>• Personal Health and Wellness</li> <li>• Microbiology with lab (4 credits)</li> <li>• College Biology with lab (5 credits)</li> <li>• Chemistry (4 credits)</li> <li>• Human Anatomy with lab (4 credits)</li> <li>• Human Physiology with lab (4 credits)</li> <li>• Physics</li> <li>• Survey of Respiratory Therapy</li> <li>• Note: Must pass all general education and pre-requisite courses with a minimum of a "C" grade or higher</li> </ul>		
2. Complete the Test of Academic Skills (TEAS)		
3. Submit Application Fee and Application by the third Friday in September		
4. Personal Interview: All candidates will be screened and those deemed to meet or exceed basic application requirements will be invited for an interview. This interview does not guarantee acceptance into the program as students will compete with all other applicants for matriculation into a cohort. Applicants must bring a photo ID to the interview.		
5. Other Determining Factors		
<ul style="list-style-type: none"> <li>• Prior healthcare experience (preferred, but not required)</li> <li>• Shadowing opportunity (recommended)</li> <li>• Discipline for academic performance</li> <li>• Successful completion of a background check</li> <li>• Drug Screen</li> </ul>		
General Education Requirements:		27 Credits
Complete one of the following:		
ENGL 1010	Introduction to Academic Writing (3)	3
ENGL 101H	Introduction to Writing (3)	
ENGH 1005	Literacies and Composition Across Contexts (5)	
ENGL 2010	Intermediate Writing/Academic Writing and Research	3
Complete one of the following:		3
MAT 1030	Quantitative Reasoning (3)	
MAT 1035	Quantitative Reasoning with Integrated Algebra (6)	
STAT 1040	Introduction to Statistics (3)	
STAT 1045	Introduction to Statistics with Algebra (5)	
MATH 1050	College Algebra (4)	
MATH 1055	College Algebra with Preliminaries (5)	
Complete One of the following		2
HLTH 1100	Personal Health and Wellness (2) (Highly recommended)	
EXSC 1097	Fitness for Life (2)	
Distribution Courses:		
PSY 1010	General Psychology	3
or PSY 1100	Human Development Life Span (3)	
BIOL 1610	College Biology I (4)	4

and	BIOL 1615	College Biology I Laboratory	1
	CHEM 1110	Elementary Chemistry for the Health Sciences	4
or	CHEM 1210	Principles of Chemistry I (4)	
	MICR 2060	Microbiology for Health Professions	3
and	MICR 2065	Microbiology for Health Professions Laboratory	1
Discipline Core Requirements:			45 Credits
Complete one of the following:			4
	ZOOL 2320	Human Anatomy (3.0)	
and	ZOOL 2325	Human Anatomy Laboratory (1.0)	
	ZOOL 232H	Human Anatomy (3.0)	
and	ZOOL 232L	Human Anatomy Laboratory (1.0)	
Complete the following:			
	ZOOL 2420	Human Physiology	3
and	ZOOL 2425	Human Physiology Laboratory	1
	PHYS 1010	Elementary Physics	3
	RESP 1540	Survey of Respiratory Therapy	1
Must be accepted into Program to take these Courses			
	RESP 2145	Fundamentals of Respiratory Care Lab	3
	RESP 2165	Mechanical Ventilation Lab	2
	RESP 2210	Cardiopulmonary and Renal Anatomy and Physiology I	3
	RESP 2230	Cardiopulmonary Pathophysiology I	2
	RESP 2250	Basic Patient Assessment	2
	RESP 2270	Application of Cardiopulmonary Diagnostics	3
	RESP 2300	Fundamentals of Respiratory Care	3
	RESP 2320	Mechanical Ventilation I	3
	RESP 2330	Entry Level Respiratory Therapy Review	1
	RESP 2420	Critical Thinking in Respiratory Care	2
	RESP 2520	Principles of Pharmacology	2
	RESP 2705	Clinical Practice I	3
	RESP 2715	Specialty Clinical Experiences	1
	RESP 2725	Clinical Practice II	3

**Graduation Requirements:**

1. Completion of a minimum of 72 semester credits
2. Must earn a C or higher in ALL Respiratory Therapy discipline courses, general education courses, and pre-requisite courses.
3. Residency hours: minimum of 20 credit hours through course attendance at UVU.
4. Completion of specified departmental requirements.

**Dental Hygiene, B.S.**

# Allied Health

## Requirements

This is a Bachelor Completion program, meaning you must first have a two year degree in dental hygiene to apply and be accepted. Please refer to our website at [www.uvu.edu/dental](http://www.uvu.edu/dental) and/or call us at 801-863-7536 or 7592 for specific information about the application process. The BS degree builds on the AAS degree in dental hygiene. The BS degree consists of 120 credits and builds on the credits already earned in the AAS program. This degree can be for those who want to: increase their knowledge in their field, move onto an advanced degree, become a hygiene faculty and teach, work for private companies, research work for the government, become a mid-level provider or want to improve their critical thinking and problem solving skills. This degree is aimed at the working professional, as the Dental Hygiene courses are offered on-line. There is not a clinical component. There are also no special fees involved. The first four (4) semesters and AAS pre-requisites are listed. You must have completed your AAS degree before you can matriculate into the BS program. Because applicants will present with a variety of previous courses already taken, the following plan is only meant to be a guide. It is based on a student completing the UVU AAS Dental Hygiene Degree. Once you have applied, and are in the BS program, you must speak with the Department of Dental Hygiene advisor to help you customize a plan that works for you.

### Total Program Credits: 121

	Other advisor approved upper division elective		

**Graduation Requirements:**

1. Completion of a minimum of 121 semester credits
2. All courses must have a grade of "C" or higher.
3. Residency hours: minimum of 30 credit hours through course attendance at UVU, with 10 hours earned during the last 45 weeks
4. Completion of GE and specified departmental requirements
5. A minimum of 40 upper division credit hours
6. Successful completion of at least one Global/Intercultural course.

**Respiratory Therapy, B.S.**

UVU strives to ensure the accessibility of our catalogs. However, if individuals with disabilities need this document in a different format than provided, you may contact the Assistive Technology Center at ACCESSIBLETECH@uvu.edu or 801-863-6788.

**Requirements**

The BSRT includes five semesters of course study after completion of the first two years of undergraduate curriculum. The program is designed to provide students with educational and clinical competence by emphasizing advanced clinical knowledge, critical thinking, and versatility. Students are engaged in the theoretical, practical, and clinical aspects of adult, pediatric, and neonatal respiratory care. They gain a well-rounded and in-depth knowledge base of respiratory clinical science and its application in health care.

**Total Program Credits: 124**

**Matriculation Requirements:**

Unless students already have an RRT Certification and associate's degree, the following matriculation requirements may apply.

## 1. Complete the following coursework:

- College English (6 credits)
- Quantitative Literacy
- Personal Health and Wellness
- Microbiology with lab (4 credits)
- College Biology with lab (5 credits)
- Chemistry (4 credits)
- Human Anatomy with lab (4 credits)
- Human Physiology with lab (4 credits)
- Physics
- Survey of Respiratory Therapy
  - Note: Must pass all general education and pre-requisite courses with a minimum of a "C" grade or higher

## 2. Complete the Test of Academic Skills (TEAS)

3. Submit the Respiratory Therapy Application Fee and Application by the third Friday in September

4. Personal Interview: All candidates will be screened and those deemed to meet or exceed basic application requirements will be invited for an interview. This interview does not guarantee acceptance into the program as students will compete with all other applicants for matriculation into a cohort. Applicants must bring a photo ID to the interview.

## 5. Other Determining Factors

- Prior healthcare experience (preferred, but not required)
- Shadowing opportunity (recommended)
- Discipline for academic performance
- Successful completion of background check
- Drug Screen
