Center for the Advancement of Leadership

The Center for the Advancement of Leadership (CAL) has designed an extra-curricular Engaged Learning University Distinction in Leadership for all students on the UVU Campus. Whether you are majoring in business, engineering, law, emergency services, biology, aviation, or any other degree or program, this Engaged Learning Distinction is designed for students who wish to advance their personal, interpersonal, organizational and/or civic leadership skills while pursuing their degrees and programs – making them more productive and marketable to their future employers and/or graduate schools.

All students are invited to preview the program by visiting our website at uv.edu/leadership, attending our monthly Master Mind Meeting the first Monday of each month, or visiting our office in LC 302 (801-863-6466).

Leadership Certification Structure

The Engaged Learning University Distinction in Leadership focuses on four key aspects of personal development (Learn, Engage, Acquire, and Discover). Together, these four aspects ensure leadership growth concurrently in both the personal and professional arenas.

The Engaged Learning University Distinction in Leadership is a two year program.
