

## English as Second Language, Endorsement Requirements

The English as a Second Language program emphasizes coursework that aids teachers in becoming better skilled at meeting the needs of English language learners in the K-12 classroom, and better prepared to understand the many cultural and community influences that may influence student learning. Completed program coursework qualifies students to apply to the Utah State Office of Education for an endorsement to their current Utah Teaching License. USBE Education Endorsements are provided through the school district. UVU will accept up to 12 endorsement credits to apply toward a UVU M.Ed. Emphasis program.
