President's Message

PRESIDENT MATTHEW S. HOLLAND

Welcome to Utah Valley University! Here at UVU you will find a dynamic, first-rate learning environment focused on helping you achieve your most important educational, professional and personal goals. Fostering student success is at the core of all we do at this university.

To that end, you will find much of the curriculum here focused on “engaged learning.” This approach combines the best learning from textbooks, research, and class lectures with plentiful opportunities for practical application. We have found that engaged learning creates a deep, lasting connection with the curriculum and leaves students better prepared for contribution to the world around them after graduation.

As you begin your journey at UVU, you might consider an early visit to the Roots of Knowledge stained-glass windows in the Bingham Gallery in the Fulton Library. These windows trace the inspiring growth of knowledge that has happened over the course of human history. Seeing these windows will help you see your time here at UVU as part of your own contribution in humanity’s ongoing quest to remember what has been discovered and advance the horizons of human understanding.

It is an exciting time to be a Wolverine. In the fall, Dr. Astrid Tuminez will be inaugurated as the seventh president of UVU. Dr. Tuminez is a talented leader who is passionate about the mission of UVU. As she guides the university into its next chapter, you and your peers will witness first-hand wonderful new developments of this vibrant institution. From the arts to athletics, UVU offers a world of possibility and a remarkable community in which to thrive. I hope you will do all you can to make the most of it.

Best,

President Matthew S. Holland

Academic Policies & Standards

Academic Year

The academic year consists of three semesters: fall, spring, and summer. Fall and spring semesters are each made up of 15 weeks of class work and one week for final exams. The summer semester is 14 weeks in length; most classes are offered in one of two seven-week blocks. The time in classes is adjusted to equal the class time of fall and spring semesters, but there is no final exam period during summer.

Course Administration

UVU reserves the right to cancel any course at any time. Reasons for course cancellations include, but are not limited to, low enrollment in the course, space unavailability, instructor change, loss of instructor, and/or program changes. Students enrolled in the course will be contacted as soon as possible by the appropriate school or college when the university decides to cancel a course.

Class Periods/Credits

All credit hours are computed in semester hours. Three hours of work per week are, on average, expected to earn one semester credit hour; however, one credit hour may include any of the following combinations of work:

1. One hour of lecture, plus a minimum of two hours of personal work outside of class, regardless of delivery mode (One hour of lecture is considered to be 50 minutes per week);
2. Three hours in a laboratory, internships, practica, studio work, or other academic work, regardless of delivery mode, with additional outside work in preparation and documentation;
3. Any other combination appropriate to a particular course as determined by the academic department.

All transfer courses taken on a quarter system will be converted to semester hours using a three to two credit ratio. For example, a three credit hour course from a quarter calendar institution transfers to UVU as two semester credits.

Full-time Student Status

UVU considers students registered for 12 credits or more per semester or summer to be full-time students. A 12 credit hour minimum load is generally accepted by sponsoring agencies for certifying full-time status. Financial aid recipients receiving full benefits and students on scholarships are required to carry a minimum of 12 credits per semester.

For students attending only the fall and spring semesters, 15 to 18 credits per semester is generally required to complete associate degree programs within two academic years or bachelor's degrees within four academic years, assuming all prerequisites are satisfied (See individual major requirements for exceptions).

Credit Hour Loads in Excess of 20

Students who enroll in 21 or more credit hours in a semester must have approval from the deans of the appropriate schools and/or colleges.

Year Classifications & Credit Hours

Freshman: 0-29 credit hours
Sophomore: 30-59 credit hours
Junior: 60-89 credit hours
Senior: 90 or more credit hours

Grading Policies

Grades are determined by instructors, based upon measures determined by the instructor and department and may include: evaluation of responses, written exercises and examinations, performance exercises and examinations, classroom/lab contributions, mastery of pertinent skills, etc. The letter grade "A" is an exceptional grade indicating superior achievement; "B" is a grade indicating commendable mastery; "C" indicates satisfactory mastery and is considered an average grade; "D" indicates substandard progress and insufficient evidence of ability to succeed in sequential courses; "E" (failing) indicates inadequate mastery of pertinent skills or repeated absences from class; "UW" indicates unofficial withdrawal from class.
Introduction

The following table indicates each grade variant and the equivalent grade points for that variation.

The GPA is determined by dividing the total grade points earned (credit hours times grade in points above) by the number of semester hours attempted.

Students may view final grades electronically on the myUVU system after the end of the semester. All financial obligations to the Institution and “holds” on academic records must be resolved before college transcripts are issued.

Incomplete (I) Grades

Students are required to complete all courses for which they are registered by the end of the semester. In some cases, a student may be unable to complete all of the course work because of extenuating circumstances. The term “extenuating circumstances” includes: (1) incapacitating illness which prevents a student from attending classes (usually more than five consecutive class days); (2) a death in the immediate family; (3) change in work schedule as required by employer; or (4) other emergencies deemed acceptable by the instructor.

If circumstances are deemed appropriate, the student may petition the instructor for time beyond the end of the semester to finish the work. If the instructor agrees, an “I” grade will be given. An Incomplete Grade Form indicating work completed and work to be completed must be signed by the student, instructor, and the department chairperson, and turned into the Registrar’s Office at the end of the semester.

“I” grades should not be requested nor given for lack of completion of work because of procrastination or dissatisfaction with the grade earned. Per policy, students must be passing the course and have completed 70% or more of the course work in order to qualify for an incomplete.

Specific arrangements to remove an “I” grade must be made between the student and the instructor. In most circumstances, work to be completed should be finished in the first two or three weeks following the end of the semester in which the “I” was given. Failing to complete the “I” and replace it with the appropriate letter grade may negatively affect any financial aid.

Incomplete work cannot be completed by retaking the class. If such an option is preferred, the student must take the grade earned and then retake the class for a better grade. The grade for the later class will be calculated in the GPA. In all cases, the “I” grade must be made up within one year. If it is not, the “I” grade will change to an “E” on the transcript. “I” grades are not computed in the GPA.

Repeating a Course

No additional credit is allowed for repeating a course in which the initial grade was passing unless the course number for the course ends in the letter suffix “R” or “Z” (a course designed to be repeatable for credit). For other repeated courses, the most recent grade will be used in the calculation of the GPA. Upon successful completion of the repeated
course, the repeat is indicated on the student’s transcript (E=Exclude, I=Include). All work will remain on the records, ensuring a true and accurate academic history. (Note: Although not used in computing the UVU overall GPA for UVU purposes, many graduate programs, such as law or dental school, include ALL grades in calculating an overall GPA for admissions criteria.)

Courses are not accepted from other institutions for the purpose of posting a repeat of a course already taken at UVU.

Board of Regents policy requires that students shall be charged at the full cost of the instruction tuition for repeating a course more than once, unless the institution determines that the repetition is a result of illness, accident or other cause beyond the student’s control or unless the course is prescribed by the student’s program of study. This affects all courses beginning January of 2003.

Changing a Grade Other than an Incomplete

Policy

Any student who has reason to believe that a grade assigned in a specific course was not justified has the right to appeal that grade.

Procedure

Student Action—

Grades may be appealed within one year of issuance in the following manner:

First, the student shall approach the instructor of the course as soon as possible after receiving the final grade. They have the right to discuss the merits of their appeal in an informal and non-threatening environment.

Second, after obtaining feedback from the instructor regarding the rationale for assigning the original grade, and assuming dissatisfaction still exists at the conclusion of the first step, or if the original instructor is no longer available, the student has a right to submit a written appeal to the department chair, in a consultation setting.

Finally, if a mutual understanding cannot be reached in the second step, the student has the right to submit a formal written appeal through the Office of the Registrar to the University Academic Standards Committee, which exercises final authority in adjudicating the appeal.

Faculty Action—

During the first year after the issuance of a grade, an instructor for a specific class may submit a grade change form with proper documentation directly to the Records Office.

During the second through fifth years, the grade change form must be accompanied by an Academic Standards Petition filled out by the student and submitted by the course instructor or department chair directly to the registrar. If a grade change is requested and the faculty member who gave the original grade is no longer employed by UVU, the appropriate department chair may make the change if it is warranted.

After five years, a grade change may be considered only where evidence exists to prove that an error occurred in the recording of the original grade or extreme extenuating circumstances existed. In the latter case, an Academic Standards Petition with appropriate documentation may be submitted to the Office of the Registrar for possible consideration by the University Academic Standards Committee.

When the Records Office receives a signed change of grade form from an instructor, the new grade(s) are entered into the computer. An explanation of the transaction is entered into the student’s record, including what the old and new grades are.

Withdrawal & Reinstatement

Withdrawal from Classes

Students may drop and withdraw from classes according to the dates and deadlines posted on the Semester Student Timetable. Classes may be dropped and not appear on the transcript through the drop deadline. After the last day to drop noted on the Semester Student Timetable, a grade of “W” will appear on the transcript for all official withdrawals and students will be responsible for tuition and fees. A “W” grade could impact a student’s satisfactory academic progress with the Financial Aid and Scholarships Office.

Withdrawal from a course after the last day to withdraw deadline may only be for extenuating circumstances and not solely for academic difficulty, and requires the signature of the department chair with a department approval stamp. Such changes to a student’s schedule may adversely affect current and future financial aid, scholarships and/or refunds. Students are cautioned to see a financial aid advisor before attempting to completely withdraw from school.

If a student stops attending (but does not officially withdraw) before the last day to withdraw, they should receive a “UW.”

If a student stops attending (but does not officially withdraw) beyond the last day to withdraw, they may receive the grade earned up to that point, or an “E”, at the instructor’s discretion.

“UWs” are calculated into the grade point average (GPA) as 0.00, the same as “Es” (failing grades).

Administrative Drops and Withdrawals

Students may be dropped or withdrawn from classes by the administration if they: 1. register, but do not attend courses within the first three class periods of a semester; 2. register for courses for which they have not completed prerequisites; 3. neglect to pay tuition and fees for any given semester by the deadline published in the Student Timetable; or 4. other administrative reasons. Such changes to a student’s schedule could affect financial aid, scholarships, and/or refunds.

Withdrawal from the Institution

It is the responsibility of the student who withdraws from school to complete the online Leave of Absence process. If withdrawing (Leave of Absence) after the refund period noted in the Semester Student Timetable, a grade of “W” will appear on the transcript for all official withdrawals and students will be responsible for tuition and fees. A “W” (official withdrawal)
Introduction

grade could impact a student’s satisfactory academic progress with the Financial Aid and Scholarships Office. Complete withdrawal from college may adversely affect financial aid and/or Veterans’ benefits.

Simply stopping attendance does not qualify as an official withdrawal, and a student who does so may receive a failing grade.

Reinstatement

Students who withdraw from UVU and then desire to be reinstated during the same academic semester may do so by obtaining clearance from the Registrar’s Office and completing the late registration process.

Student Military Leave Procedure

Students activated into military service during an academic semester for which they are currently enrolled have the following options to choose from, in addition to other alternatives provided by existing policy and regulation. The student is responsible to notify appropriate Institution officials regarding the implementation of the selected option.

1. A request to withdraw from school will be honored with a full refund of all tuition and fees paid. Non-punitive “W’s” will be recorded on the transcript and the date of action maintained on the student’s record.
2. Incomplete grades may be negotiated with individual faculty and/or departments based on realistic means of completing the required objectives of the course(s). Where recommended by the department (faculty), the time limit for completing the “I” may be extended. This option may include “home study” as a means of completing the required work with faculty approval and where practical.
3. Current grades (grades earned at the point of termination) may be issued at the discretion of individual faculty. This is also a negotiated option.

In all cases, the student activated into military service is eligible for readmission.

Noncredit Continuing Education Unit (CEU)

Noncredit or Continuing Education Students are taking courses to pursue personal or professional interest, gain general knowledge, learn a new skill, upgrade existing skills, or enrich their personal understanding of a wide variety of topics. These courses do not offer college credit, but in some cases noncredit or continuing education students can earn continuing education units, certification or other evidence of class completion to meet personal or professional requirements. Noncredit course work cannot be substituted for a credit requirement or any required course on a degree pathway.

College Credit

College credit at UVU may be obtained through the following methods: 1. UVU Credit (includes Cooperative Education); 2. Transfer Credit; 3. Challenge Credit; 4. Foreign Language Challenge Credit; 5. Advanced Placement Credit; and 6. CLEP (College Level Examination Program).

1. UVU Credit

UVU credit is obtained through admittance to UVU, registering for classes, and satisfactorily completing all required course work. Courses completed through this method will receive a letter grade that will be used in calculating Grade Point Average (GPA).

Cooperative Education

Cooperative Education (Coop) offers another avenue for students to obtain UVU college credit. Students enrolled in cooperative education work as paid employees of a business, agency, or institution while enrolled at UVU in classes related to their career. Academic credit for cooperative work experience is granted according to the number of hours a student works during the semester using the following formula:

<table>
<thead>
<tr>

</tbody>
</table>

Coop credits are registered for at the same time and in the same manner as UVU credits. Courses completed through Cooperative Education will receive a credit/no-credit grade which is not included in the calculation of the GPA.

The maximum number of coop credits that may be applied toward a certificate is 8; a diploma is 14; an associate or bachelor’s degree is 16 credit hours. Departments define how coop credit is applied to specific programs. Additional coop credit may be taken (but not applied toward graduation) with approval of the cooperative education director and the appropriate dean.

2. Transfer Credit
It is the student's responsibility to have official transcripts of any previous college work completed elsewhere sent to the UVU Admissions Office. Transcripts accepted as official by the UVU Admissions Office are automatically sent to the Transfer Credit Office for evaluation and posting. The Transfer Credit Office may require the student to supply the catalog, bulletin, or course outlines from previous schools attended to assist in determining the transferability of specific courses. Transfer credit may or may not apply to UVU graduation requirements, regardless of the number of credits transferred.

Transfer courses with grades below "C-" will not be accepted by UVU. Transfer courses are not calculated in the GPA. Individual departments reserve the right to impose limits on the age and grade level of transfer credit. There is no limit to the number of transfer credits that may be accepted; however, UVU graduation requirements such as residence, total credits, and GPA must still be met.

Transfer courses will not be accepted from other institutions for the purpose of posting a repeat on a course already taken at UVU.

Courses in religion will be evaluated on the basis of the particular orientation of the course as determined by the UVU Religious Studies Committee. In order to be considered, these courses must be listed on an official transcript from a regionally accredited institution and must demonstrate scholarly rigor and critical engagement with the subject matter.

General Education for Transfer Students

For transfer students from any Utah State Higher Education institution, UVU shall accept at full value all General Education course work approved by the sending institution, provided it meets the minimum C- letter grade requirement, in any area specified by the Board of Regents document R470. These areas include Composition, Quantitative Literacy, Fine Arts, Humanities, Social and Behavioral Science, Biology and Physical Science. UVU shall require transfer students to complete any additional coursework needed to satisfy the unmet portions of the UVU General Education requirements. Previously completed General Studies course work shall be applied to assure the best possible fit with UVU's General Education requirements. As each transfer student's requirements may vary, see the Graduation Office (BA 114) for specific requirements.

An AA or an AS degree earned at any USHE institution will meet the General Education requirements of UVU. The degree must include equivalents of UVU's English, Mathematics, and American Institutions requirements or the student will have to fulfill these requirements separately.

Credit for ACT/SAT Scores

On May 12, 2015, Senate Bill 196 - Math Competency Initiative passed which mandated that the State Board of Education establish a qualifying score for ACT/SAT scores in order to award college credit for a mathematics course. This course must satisfy the state system of higher education quantitative literacy requirement. This initiative will go into effect as of the 2016-2017 school year. High School students who have graduated during the 2016 school year and onward will be eligible for QL 1900 based off of an ACT score of 26 or an SAT score of 660.

U.S. Institutions outside of Utah

For transfer credit to be accepted by UVU, the institution from which credit is to be transferred must be accredited by one of the following regional associations:

- Middle States Association of Colleges and Schools (MSA)
- Northwest Commission on Colleges and Universities (NWCCU)
- North Central Association of Colleges and Schools (NCA)
- New England Association of Schools and Colleges, Inc./Commission on Institutions of Higher Education (NEASC-CIHE)
- Southern Association of Colleges and Schools/Commission on Colleges (SACS-CC)
- Western Association of Schools and Colleges/Accrediting Commission for Community and Jr. Colleges (WASC-Jr.)
- Western Association of Schools and Colleges/Accrediting Commission for Sr. Colleges and Universities (WASC-Sr.)

An equivalent AA or AS degree earned at one of these accredited institutions will meet General Education requirements at UVU. The degree must include equivalents of UVU's English, Mathematics, and American Institutions requirements or the student will have to fulfill these requirements separately.

Non-accredited institutions may be accepted on an exception basis by individual departments.

Military courses are evaluated using the ACE recommendations from the Guide to the Evaluation of Education Experiences in the Armed Services. Approved credits will be applied if they directly pertain to a student's individual undergraduate degree program.

International and Foreign Institutions

The Transfer Office, working with department academic advisors and faculty, is authorized to evaluate credit from foreign colleges, universities, and/or International Baccalaureate (IB) Diplomas after a student has been admitted to UVU. International students requesting transfer of credit from foreign institutions of higher education must submit a transcript from an approved Foreign Credentials evaluation Service. See BA 114 for a list of these accepted services.

Transfer courses from international and foreign institutions are not calculated in the GPA.

3. Challenge Credit/Experiential Credit

(Equivalency Examination and/or Documentation of Earned Competency)

No more than 25 percent of the minimum credits required toward a bachelor's degree, and associate degree, diploma, or certificate of completion, may be awarded through experiential and/or challenge credit. Challenge credit and experiential credit are not eligible for use in a certificate of proficiency. Credit for courses that appear in the current catalog may be awarded to individuals who can prove through appropriate assessment and/or documentation that they have already acquired the equivalent knowledge and/or expertise required for successful completion of that course.

To receive experiential/challenge credit for a specific course, the student must

1. Be enrolled at the University.
2. For Challenge credit, complete a comprehensive examination (theoretical and/or applied) with at least a "C-" grade; or for Experiential credit, provide documentation of practical experience to the satisfaction of the department chairperson and dean showing course objectives have been met; or with the departmental approval, complete an advanced course with a grade of "C-" or higher (if deemed necessary by the department) as a validation procedure.
3. Pay, in advance, a nonrefundable processing fee.
4. After successful completion of requirements, pay the per-credit-hour fee.

A specific course shall be challenged only once, and a student shall not receive challenge/experiential credit for a course that the student is/or has been previously enrolled in and received a grade, including a “W” grade.

Duplicate credit will not be awarded.
Grades shall be recorded only as “CR” (credit) and shall not be calculated in a student’s university GPA.

4. Language Challenge Credit

Students may obtain an Experiential Language Credit Request Form in the UVU Languages and Cultures Department.

Students who have acquired proficiency in languages offered at UVU by means other than college courses (high school, foreign residency, etc.) may earn up to 16 credit hours. To qualify for these credits, a student shall complete a course in that language at a higher level than the credits for which they apply; and the grade in that course must be a “C-” or better.

To qualify for credit for language courses not offered at UVU, a student may, as an alternative, take the appropriate language test at any accredited four-year institution and provide UVU with the satisfactory (C- or better) test results. In this circumstance, the student must meet with the Languages and Cultures department chairperson to ascertain the maximum language credits that may be applied to any degree from UVU.

Proficiency tests to determine placement (not credit) in advanced courses are administered in the UVU Classroom Testing Center prior to the beginning of each semester. Students unsure of their language skills must take the test or receive permission from the course instructor before registering for advanced classes.

Students who qualify for credit under the above provisions (for example, they register for, and successfully complete, Spanish 2010 with at least a “C-” grade, thus qualifying for the credits for the previous courses—1010 and 1020) must petition for those credits (application forms are available in the Languages and Cultures Department) and pay a fee for each credit hour. No additional tuition will be charged for those credits. The credits will be listed on transcripts as “CR” and are not calculated in the GPA.

Additional information regarding language challenge credit and other policies are available from the Languages and Cultures Department.

5. Advanced Placement Credit

Students who complete an Advanced Placement Exam through CollegeBoard may earn up to 8 academic credits per test with a score of 3, 4, or 5, as per the policies set forth by the Utah State Board of Regents. Students having AP test scores of 3 or higher should contact the Transfer Credit Office to ensure posting of the results to their UVU transcripts.

Specific equivalencies and acceptance criteria are updated annually, upon departmental faculty review and approval.

If all residence, credit, and grade point average requirements have been met, there is no limit to the number of Advanced Placement credits that may be accepted; however, duplicate credit for tests and course work shall not be applied.

6. CLEP Credit (College Level Examination Program)

Students may receive college credit for CLEP exams as specified on the approved list in the Transfer Credit Office. Additionally, students intending to transfer to another institution from UVU should articulate with their intended transfer institution to gain advance information on how that institution accepts CLEP credit.

CLEP credit will be posted as a “CR” grade and will not be calculated in the GPA.

The amount of credit given through CLEP subject examinations is determined by the appropriate departments. No more than 25 percent of the minimum credits required toward a degree may be awarded through CLEP and/or Challenge/Experiential Credit hours.

Course Number System

0000-0999 Remedial or preparatory noncredit courses; may not be counted toward a certificate, diploma, associate, or bachelor’s degree. Technical, nontransferable courses may count toward a certificate.

1000-2999 Lower division (freshman and sophomore courses); courses designed as transfer courses; count toward a certificate, diploma, associate, and/or bachelor’s degree.

3000-5000 Upper division (junior and senior courses); courses designed to count toward a bachelor’s degree, or any other degree as required by department.

6000 Graduate courses; regular courses in master’s level programs.

Learning Enrichment courses with 1000 level numbers do not satisfy General Education requirements for the associate or bachelor’s degrees. These classes may count as electives for the Associate in Arts, Associate in Science, and Bachelor of Science degrees.

The letter suffix “R” indicates that a course is repeatable for credit (example: PES 161R). Course descriptions indicate the number of “repeats” allowed.

Variable and partial credit is indicated by letter suffixes of “A,” “B,” “C,” etc. (example: ACC 201A = 4 credits and ACC 201B = 2 credits). Changing the hours of credit for a variable-credit class after registration may be done only through the add/drop (class change) procedure. Such changes must be made prior to completion of that partial course.

“Honors” credit courses are identified on the transcript by an “H” following the course number (example: ENGL 225H).

Global/Intercultural credit courses are identified on the transcript by a “G” following the course number (example: ANTH 101G).
Academic Probation Returning from Academic Dismissal

Any student who returns to the University after being dismissed will be placed on academic probation returning from academic dismissal and will be required to follow the academic standards outlined by the Academic Standards Committee. A decision will be rendered as to whether or not, and under what conditions, the student may re-enroll at the University. During this calendar year, the student may also be required to attend another institution and complete 18 credits with at least a 2.5 GPA. Upon review by both the Academic Support Committee and the Academic Standards Committee, a decision will be rendered as to whether or not, and under what conditions, the student may re-enroll at the University.

The student may not re-enroll at the University or submit a Petition for Academic Dismissal Review for a minimum of one full calendar year from the date of academic dismissal.

When failing to comply with the conditions set forth by the Academic Standards Committee while on academic probation returning from academic suspension, the student shall be immediately dropped from enrollment in all classes. A registration hold shall be placed on the student’s record.

When the semester GPA falls below 2.0 and the cumulative GPA is 2.0 or above, the student shall be placed on academic warning regardless of alert status. A registration hold shall be placed on the student’s record. The student must complete an academic success warning workshop and meet with their academic advisor before the registration hold will be removed.

When the academic suspension petition is granted, the student is allowed to resume their academic studies under probation returning from suspension. This status allows the student to register for classes under the guidance of the Academic Standards Office, in conjunction with their academic advisor. As long as the student acquires a semester GPA of 2.0 or above in all subsequent semesters and abides by the conditions outlined by the Academic Standards Committee, the student may continue to enroll in classes. The student will remain on academic probation returning from academic suspension until the cumulative GPA is at or above 2.0.

When a student is not making adequate progress towards course completion and the instructor is unable to resolve the issue with the student, the student may be placed on alert status. A registration hold may be placed on the student’s record. The student must then meet with their academic advisor for guidance before the registration hold will be removed.

Academic intervention shall be applied progressively in the order described below.

Alert Status

Academic Warning

When the semester GPA falls below 2.0 and the cumulative GPA is 2.0 or above, the student shall be placed on academic warning regardless of alert status. A registration hold shall be placed on the student’s record. The student must complete an academic success warning workshop and meet with their academic advisor before the registration hold will be removed.

Academic Probation

When the student is not making adequate progress towards course completion and the instructor is unable to resolve the issue with the student, the student may be placed on alert status. A registration hold may be placed on the student’s record. The student must then meet with their academic advisor for guidance before the registration hold will be removed.

Academic Probation Returning from Academic Suspension

If the student on academic probation fails to raise the cumulative GPA to a 2.0 or above in the subsequent semester, the student will be placed on continued academic probation. A registration hold shall be placed on the student’s record and the student must prepare an academic success plan with their academic advisor as well as the academic standards counselor before the registration hold will be removed. The student may also be required to attend another academic success probation workshop and/or enroll in a college success class.

All students on continued academic probation will be required to submit an in-progress grade report to the Academic Standards Office in order to register for any subsequent semester(s). The student shall continue to receive advisement from the academic standards counselor, as well as their academic advisor, to monitor and promote academic progress.

Academic Suspension

When on continued academic probation, a student receiving a semester and cumulative GPA below 2.0 in a subsequent semester shall be placed on academic suspension. The student shall be immediately dropped from enrollment in all current semester classes and a registration hold shall be placed on the student’s record. The student shall be suspended for a minimum of one semester. During this time the student is expected to resolve all academic problems that led to the academic suspension.

To re-enroll at the University, a student must submit a Petition for Academic Suspension Review to the Academic Support Committee. This committee will make suggestions for specific customized interventions to be approved by the Academic Standards Committee. A decision shall then be rendered as to whether, and under what conditions, the student may continue to study at the University. The student must complete the requirements set forth by the Academic Standards Committee before the registration hold will be removed.

Academic Probation Returning from Academic Suspension

When the academic suspension petition is granted, the student is allowed to resume their academic studies under probation returning from suspension. This status allows the student to register for classes under the guidance of the Academic Standards Office, in conjunction with their academic advisor. As long as the student acquires a semester GPA of 2.0 or above in all subsequent semesters and abides by the conditions outlined by the Academic Standards Committee, the student may continue to enroll in classes. The student will remain on academic probation returning from academic suspension until the cumulative GPA is at or above 2.0.

Academic Dismissal

When failing to comply with the conditions set forth by the Academic Standards Committee while on academic probation returning from academic suspension, the student shall be dismissed from the University and immediately dropped from enrollment in all classes. A registration hold shall be placed on the student’s record.

The student may not re-enroll at the University or submit a Petition for Academic Dismissal Review for a minimum of one full calendar year from the date of academic dismissal. During this calendar year, the student may also be required to attend another institution and complete 18 credits with at least a 2.5 GPA. Upon review by both the Academic Support Committee and the Academic Standards Committee, a decision will be rendered as to whether or not, and under what conditions, the student may re-enroll at the University.

Any student who returns to the University after being dismissed will be placed on academic probation returning from academic dismissal and will be required to follow the academic plan outlined by the Academic Standards Committee.

Academic Probation Returning from Academic Dismissal
Introduction

When the Petition for Academic Dismissal Review is granted by the Academic Standards Committee, the student is allowed to continue their academic studies on academic probation returning from academic dismissal. The student is allowed to register for classes under the guidance of the Academic Standards Office, in conjunction with their academic advisor. As long as the student acquires a semester GPA of 2.0 or above in all subsequent semesters and abides by the conditions outlined by the Academic Standards Committee, the student may continue to enroll in classes. The student will remain on probation returning from dismissal until the cumulative GPA is at or above 2.0.

When a student is unsuccessful at this level and does not have the ability to benefit from continuing with their education at the University, academic counseling will be provided by the Academic Standards Office to explore alternative pathways to success.

Appeals

When the student’s Petition for Academic Suspension Review or Petition for Academic Dismissal Review is denied by the Academic Standards Committee, the student may present an appeal to a hearing panel that consists of the Academic Standards Committee and a representative appointed by the President of the Utah Valley University Student Association (UVUSA). After review of the petition, the hearing panel will determine if the student’s appeal is granted or denied. If the appeal is granted, the hearing panel shall determine the conditions for re-enrollment at the University.

If the student is unsatisfied with the hearing panel’s decision, the student has the right to appeal in writing to the Vice President of Academic Affairs.

Academic Renewal

For students who are challenged with a low GPA or for those who have experienced a period of low grades that does not reflect their academic potential, UVU offers academic renewal. A student is allowed to petition the Registrar for academic renewal only one time during his or her enrollment at the University. This process shall remove a limited amount of previous academic work from the student’s GPA and from credit toward graduation. To be eligible a student shall meet the following conditions at the time the petition is filed:

1. The student must be currently enrolled at UVU.
2. A minimum of two years has elapsed since the most recent course work to be eliminated was completed.
3. The student has completed at least 30 semester hours of UVU course work with a minimum cumulative GPA of 2.50. These 30 hours shall have been completed after the course work the student is requesting to eliminate.
4. The student's cumulative GPA is below the level necessary for graduation in his or her current program of study. In most instances, this is a 2.0 cumulative GPA.
5. The requested course work has not been used toward an existing degree.

The student may request a maximum of two specific semesters/terms of academic course work be eliminated from his or her earned credits and cumulative GPA. Individual courses shall not be accepted.

If the petition qualifies under this policy, the student’s permanent academic record shall be annotated to indicate that no work taken during the disregarded semester(s) and/or term(s), even if satisfactory, shall apply toward earned credits, GPA, academic standing, and/or graduation requirements. All work shall remain on the records, ensuring a true and accurate academic history. The words “Academic Renewal” and the affected semester(s)/term(s) shall be annotated on the student’s transcript.

Academic renewal shall not be requested to earn or change academic honors status on a student’s transcript.

No exceptions shall be made to this policy. Students shall be aware that this policy may not be accepted at transfer institutions, and all credit, including those with academic renewal, may still be calculated by the transfer institution.

Academic Distinction

The Dean’s list recognizes those who have demonstrated outstanding academic performance during a term or semester. To be eligible:

1. The student must complete 12 semester hours or more in any semester and a commensurate number of hours in any term.
2. The student must earn a semester GPA of 3.6 or above.

Accreditation

Utah Valley University is accredited by the Northwest Commission on Colleges and Universities.

Accreditation of an institution of higher education by the Northwest Commission on Colleges and Universities indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the Northwest Commission on Colleges and Universities is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

The Northwest Commission on Colleges and Universities (NWCCU) is an independent, non-profit membership organization recognized by the U.S. Department of Education as the regional authority on educational quality and institutional effectiveness of higher education institutions in the seven-state Northwest region of Alaska, Idaho, Montana, Nevada, Oregon, Utah, and Washington.

Inquiries regarding an institution’s accredited status by the Northwest Commission on Colleges and Universities should be directed to the administrative staff of the institution. Individuals may also contact:

Admissions Policy

Undergraduate Admissions

Utah Valley University maintains an open admissions practice, admitting all applicants whose qualifications indicate they may benefit from the instructional programs offered.

The University does, however, have enrollment standards. In order to help students enroll in courses that match their academic preparation and ability, admission to the University requires that every student adhere to the established admission deadlines and provide all application materials as stipulated by the university including: English placement scores, an official high school and/or college transcripts, and a $35 application fee. Returning/Transfer students are required to submit transcripts from all colleges/universities they have attended. After being admitted, most students are required to attend orientation and meet with an advisor to be guided through a personalized enrollment process.

State Authorization Requirements for Online courses and programs

Utah Valley University delivers online education programs and courses throughout the United States and abroad. Recent amendments to the Higher Education Act of 1965 include changes to a regulation on State authorization that impacts online and distance education providers. The regulation changes are designed to address the growing population of students residing at a distance and pursuing university-level education online by requiring institutions to meet any State requirements to be legally offering online education in that State.

Utah is a member of the State Authorization Reciprocity Agreement (SARA) and Utah Valley University is an approved SARA institution which means we adhere to established standards for offering post-secondary online programs in all member states. UVU is authorized to offer online education in all states and a few territories with some restrictions on internships and practicums. For more information and access to an interactive map visit http://www.uvu.edu/otl/state-authorization.html. To review the authorization information, click on the state you intend to reside in while pursuing your degree or program through UVU.[KC1]

General Education

**General Education Information**

Whereas a major provides students with specialized knowledge, General Education ensures that students have the breadth of knowledge that characterizes well-rounded and well-informed citizens. General Education provides the skills of analysis, problem-solving, creative thinking, and critical thinking that prepare students for an unknown and ever-changing future.

Completion of the UVU General Education requirements will fulfill the General Education requirements at all colleges and universities within the Utah System of Higher Education. However, certain majors, both at this institution and other Utah institutions, may require specific General Education courses. While UVU has not articulated these courses with higher education institutions outside the State of Utah, they will generally articulate to other regionally accredited colleges and universities in the United States. It is the responsibility of students to complete the appropriate General Education courses required by their departments regardless of the generalized list printed in this catalog.
Introduction

Note: Students taking General Education courses without having declared a specific major are advised in the Academic Counseling Center, LC 402, telephone 801-863-8425. Students who have declared a specific major that is taught at UVU will be directed to the appropriate academic advisor upon completion of new student orientation and assessment activities.

Department Articulation Agreements

In addition to General Education courses, many departments have articulated specific courses that transfer to help fulfill baccalaureate degree requirements. Information concerning these courses may be obtained from UVU department advisors or the Admissions-Transfer Services Office, BA 114.

General Education Code System

General Education course designator codes (Attributes) aid students and transfer institutions to identify how General Education courses meet graduation requirements.

The following list identifies General Education core and distribution courses as they apply to the Associate in Arts/Science Degrees and Bachelor of Arts/Science Degrees, and can be used to search the registration menu:

AS - American Institutions
BB - Biology
CC - English Composition
FF - Fine Arts
HH - Humanities
LH - Foreign Language
PP - Physical Science
SS - Social Science
QL – Quantitative Literacy
XF - Must be taken with another course to equal FF (see department)

General Education Requirements

Interstate Passport

The Interstate Passport enables successful transfer of a block of lower-level general education learning to other institutions participating in the Interstate Passport Network. Students who complete their Passport at Utah Valley University will not be required to repeat or take additional course work to meet lower-division general education requirements in the Passport's nine areas when they transfer to any other Passport institution. Utah Valley University will begin transcripting the Interstate Passport following the Fall 2016 semester. ## Additional Guidelines for Completion of the Associate in Arts/Science Degrees

The Associate in Arts and the Associate in Science Degrees are designed to complete General Education requirements and could complete lower division pre-majors for baccalaureate degrees at UVU or other colleges or universities.

The General Education courses shown above constitute the majority of the credits required for these degrees. In addition to the General Education requirements, these degrees require 25 additional credit hours.

Associate in Arts Degrees require 8 hours of these 25 hours to be from the same recognized foreign language.

See your specific academic department for further information on appropriate course work to complete a pre-major or the remaining 25 hours. The Academic Counseling Center (LC 402) has some specific outlines available to transfer to other institutions.

### Associate in Applied Science Degrees

This is a general outline. Refer to the department or Graduation Office for specific requirements. A total of 16 credit hours is required. Students must have a minimum of three credits in each area, except “F” (Physical Ed/Health/Safety/Environment).

Transfer Information

For students transferring to four-year Institutions, Colleges, and Universities in the Utah System of Higher Education.

UVU courses numbered 1000 or above will transfer within the Utah System of Higher Education. However, the application of these courses toward graduation is determined by academic departments of receiving institutions.

For students transferring to colleges and universities in the Utah System of Higher Education before earning an Associate in Arts or an Associate in Science Degree, or a Bachelor of Arts or a Bachelor of Science Degree, a certified letter verifying completion of the UVU General Education requirements may be requested from the Graduation Office. This letter will cause the gaining institution (run by the State of Utah) to accept the completion of UVU General Education requirements as fulfilling all of the General Education/Liberal Education requirements of the gaining institution.

Note: Completion of an Associate in Arts/Science Degree waives only General Education requirements. It does not waive the necessary hours to graduate. A student transferring to another institution should check with that institution to see how their credits have been accepted toward their degree.

Private, Parochial, or Out-of-State Colleges & Universities

Since these schools are not bound by Utah State Regent's policies, colleges/universities outside the Utah System of Higher Education may have specific requirements and may not accept all courses available at UVU. Students should contact the institution they are transferring to in order to determine how their credits will be accepted.

Brigham Young University

Brigham Young University accepts the Associate in Arts/Science Degrees for completion of its General Education requirements. Courses with grades of "D+" or lower will not transfer. Some departments at BYU have specific General Education course requirements that will still need to be taken at BYU. Individual departments at BYU should be consulted for exceptions.

Note: BYU has a limit on the number of transfer students admitted.

UVU provides cultural experiences that enrich the community and offer significant and varied opportunities for continuous learning.

Historical Development

Utah Valley University was established as Central Utah Vocational School in September 1941 with the primary function of providing war production training.
Introduction

Post-war training needs found the school offering programs throughout the region and at the Utah County Fairgrounds. The three school districts within Utah County combined efforts to purchase a thirteen-acre site close to Provo High School.

In 1963, the name was changed to Utah Trade Technical Institute to emphasize its growing role in technical training. The name change to Utah Technical College at Provo in 1967 was accompanied by the authority to award the Associate in Applied Science Degree. The Associate in Science Degree was added in 1972.

The initial 185-acre Orem Campus was dedicated in 1977. In 1987, the name was changed to Utah Valley Community College and the Associate in Arts degree was added by the Utah State Board of Regents.

In 1993, the name was changed to Utah Valley State College reflecting the change in mission to offer high demand baccalaureate degrees.

The Utah State Legislature approved, in February 2007, a name change to Utah Valley University that became effective July 1, 2008. The Utah State Board of Regents approved the corresponding mission change in December 2007 to give authority to offer master level degrees; this also became effective July 1, 2008.

Accreditation

Utah Valley University is accredited by the Northwest Commission on Colleges and Universities.

Accreditation of an institution of higher education by the Northwest Commission on Colleges and Universities indicates that it meets or exceeds criteria for the assessment of institutional quality evaluated through a peer review process. An accredited college or university is one which has available the necessary resources to achieve its stated purposes through appropriate educational programs, is substantially doing so, and gives reasonable evidence that it will continue to do so in the foreseeable future. Institutional integrity is also addressed through accreditation.

Accreditation by the Northwest Commission on Colleges and Universities is not partial but applies to the institution as a whole. As such, it is not a guarantee of every course or program offered, or the competence of individual graduates. Rather, it provides reasonable assurance about the quality of opportunities available to students who attend the institution.

Inquiries regarding an institution’s accredited status by the Northwest Commission on Colleges and Universities should be directed to the administrative staff of the institution. Individuals may also contact:

Grade Point Average Requirement

A minimum cumulative grade point average (GPA) of 2.0 (C) is required for graduation. In some programs specific course grades below 2.0 will not be accepted for graduation and some programs require a higher cumulative grade point average (see individual program requirements).

Graduation Catalog Requirement

Candidates for graduation will be held to the requirements of the catalog under which they were admitted. Students have a maximum of 7 years to complete bachelor degrees and 5 years to complete associate degrees; 6 years are allowed for master degrees. In the case of bachelor degree programs, the seven year limit begins when a student is formally matriculated into the program. When students take longer than the given years to complete, they must choose from any one catalog published within the accepted period prior to their graduation. Programs that are no longer being offered may not be pursued by students who were not admitted or formally matriculated in that program during the accepted period of time. Students may not combine portions of different catalogs to fulfill graduation requirements. Once a catalog is selected, students must abide by all the graduation requirements specified within that catalog. Minors can only be sought if offered during that catalog year. Please see the Graduate Studies section of the catalog regarding catalog year requirements for master degree programs.

Global/Intercultural Requirement

The Global/Intercultural requirement is a graduation requirement at the baccalaureate degree level. Courses that may be used to complete this requirement will be coded with a GI course attribute. The purpose of the Global/Intercultural requirement is to assist students to become better prepared to understand and participate in the global and cultural interdependencies that characterize our world. Students who take courses at another university and want to use them for the Global/Intercultural requirement must petition through the GI committee. See the Office of Senior Registrar (BA 114) for further information. For a complete listing of the courses offered at UVU that fulfill this requirement, see the Course Descriptions section in the back of this catalog for course numbers ending in “G”.

Residence Requirement

Credit hours in residency (UVU credits) at a UVU campus, satellite, or branch campus, or through distance education or concurrent enrollment, are required for all certificates, diplomas, and degrees. Minimum hours are as follows:

1. Certificates of proficiency require 25% of total credit hours (rounded up);
2. Certificates of completion require 10 credit hours;
3. Associate degrees and diplomas require 20 credit hours;
4. Baccalaureate degrees require 30 credit hours (10 credits of those 30 shall have been completed within the last 45 credit hours earned for the degree).

Multiple Degrees

Students may earn multiple certificates. Students may earn only one academic associate degree from Utah Valley University; either an Associate in Science or an Associate in Arts. The student shall receive a single baccalaureate degree; the diploma and transcript shall list both majors.

Other information regarding the dual major:

1. Students apply for graduation for one degree, and only one degree type, such as a Bachelor of Arts, or a Bachelor of Science;
2. In order to be awarded a dual major, both majors must be completed during the semester when (or prior to) applying for graduation;
3. If Students have already graduated in one of the majors, they may not apply for a dual major.
4. After being awarded a dual major degree, students may not apply for graduation for one of the dual majors separately.
5. Students shall have no more than three course substitutions from the required courses for the two majors combined.
6. Students may not receive minors in either major, but may be awarded a minor from another area if all requirements are met.
7. Credits shall not exceed the 160 credit hour limit with the two combined majors.

General Graduation Information

Application for Graduation

Graduation is not automatic. Prospective graduates must complete the online Graduation Application via Wolverine Track in myUVU. Applicants may also be required to fill out additional forms/surveys. The application must be completed by the Application deadline as listed below:

Application Deadlines

- Fall semester: First Friday in October
- Spring semester: First Friday in February
- Summer semester: First Friday in June

Graduation applications are processed each semester. Diplomas are mailed to graduates after final grades are reviewed and graduation requirements are verified as completed for all students at the end of the semester. Students failing to complete graduation requirements by the following dates for which they have applied must reapply for graduation.

REQUIREMENT DEADLINES

- Fall semester: January 15th
- Spring semester: May 31st
- Summer semester: September 15th

Requirements may include, but are not limited to: all current semester grades, all "I" (Incomplete) and "M" (Missing) grades, grade changes, challenge and experiential credit, AP (Advanced Placement) credits, CLEP (College Level Examination Program) and DSST (DANTES Subject Standardized Tests) credit, transferred credit, required testing and departmental exceptions. All of these items MUST be completed and submitted by the above deadlines. Failure to comply will cause the student to have their graduation declined for that semester. Students will then have to apply for another graduation semester.

Introduction

Registration

• Registrar's Office
  • Office: BA 113
  • Telephone: 801-863-8468

Registration Procedures

A schedule of classes is published online every semester in advance of each registration period, indicating courses offered, times, instructors, and room assignments. Registration procedures are available online at www.uvu.edu.

Special Notice to Students

It is the responsibility of the student to verify registration accuracy and completeness.

University Advanced Standing Requirement

Before students can register for upper-division coursework (3000 or higher), they must qualify for University Advanced Standing (UAS) by:

• Completing, and/or transferring in, at least 24 credits of college-level coursework (1000 or higher);
• Having a cumulative GPA of 2.0 or higher;
• Complete Quantitative Literacy, (MAT 1030 or higher) and ENGL 2010 or equivalent.

Academic departments may also establish additional advanced standing requirements that must be met before students will be allowed to enroll in upper-division courses within their disciplines.

Change of Registration (Add/Drops)

After initial registration, students may modify their schedules by adding, dropping, withdrawing, or changing to audit. The Semester Student Timetable specifies the time period when changes may be made.

If a class is full and has a Wait List option, students may add themselves to the Wait List. A Wait List is an electronic list of students who want to enroll in a course that has reached maximum capacity (closed). Wait List is first come, first serve according to the date and time the student selects the Wait List option.

Registration on the first day of the semester/term or later is considered late. Online registration will be available through the deadline date noted in the Student Timetable.

After the Wait List period ends, students wanting to add a class late will be required to follow the Late Registration procedures which include obtaining the instructor and department approval and paying the corresponding fee for each class added late. Students may not attend classes for which they are not officially enrolled.

Students who add classes must pay appropriate tuition/fees for any additional credit by the published dates in the Student Timetable.

Students may drop and withdraw from classes according to the dates and deadlines posted in the Semester Student Timetable. Classes may be dropped and not appear on the transcript through the "Last Day to Drop" deadline. After the last day to drop, a grade of "W" will appear on the transcript for all official withdrawals and students will be responsible for tuition and fees. Withdrawing from a course after this deadline may only be for extenuating circumstances and not solely for academic difficulty, and requires the signature of the department chair with a department approval stamp. Such changes to a student’s schedule may adversely affect current and future financial aid, scholarships and/or refunds.

Students are cautioned to see a financial aid advisor before attempting to completely withdraw from school. A "W" grade could impact a student’s satisfactory academic progress with the Financial Aid and Scholarships Office.

Administrative Drops and Withdrawals

Students may be dropped or withdrawn from classes by the administration if they: 1. Register, but do not attend courses within the first three days of a semester; 2. Register for courses for which they have not completed prerequisites; 3. Neglect to pay tuition and fees for any given semester/term by the deadline published in the Student Timetable; or 4. Other administrative reasons. Such changes to a student’s schedule could affect financial aid, scholarships, and/or refunds.

Auditing

Students may choose to register for classes on an audit basis (register for classes as a “listener” without receiving credit). Tuition, registration times and add/drop criteria are the same as for regular class registration. For an audit, the student must complete and sign an “audit form” at the Registrar's Office. Audits may only be requested through the audit deadline specified in the Semester Student Timetable. Students may not change from audit to credit status.

Classes appear as “AU” (audit) on the official transcript. Since they are noncredit, they do not count in the credit load for foreign students, veterans, students receiving financial aid, etc.; nor do they fill graduation requirements.

Students may not challenge courses that they have audited. An incomplete grade may not be made up by repeating the class for audit.

Noncredit Continuing Education Unit (CEU)

The Division of Continuing Education offers a variety of courses and programs for life-long learning. Many of these programs are offered under a noncredit option. The Continuing Education Unit (CEU) is a means for measuring and recording noncredit study.

Noncredit or Continuing Education Students are taking courses to pursue personal or professional interest, gain general knowledge, learn a new skill, upgrade existing skills, or enrich their personal understanding of a wide variety of topics. These courses do not offer college credit, but in some cases noncredit or continuing education students can earn

The LEAD Program focuses on four key aspects of personal development (Learn, Engage, Acquire, and Discover). Together, these four aspects ensure leadership growth concurrently in both the personal and professional arenas.

At the completion of the first year of the LEAD Program, students can earn a “Standard Certification in Leadership Development” on their transcripts.

At the completion of the second year of the LEAD Program, students can earn a “University Distinction in Leadership Development” on their transcripts.

Beyond this, community mentors are matched with students to help students grow and develop throughout their experience with the LEAD Program.
All students are invited to preview the program by visiting our website at uvu.edu/leadership, attending our monthly Master Mind meeting the first Monday of each month (SC 206), or visiting the CAL office in LC 302 (801-863-6496). The Intramural Sports Program is one of the largest co-curricular activity programs that complement the formal academic curriculum. It offers extensive opportunities to currently enrolled Utah Valley University students, faculty, staff and their spouses/partners in a number of competitive and structured activities each year. Participation in the program is voluntary and determined by interest.
Participation can provide one with opportunities to have fun, learn new sports, meet people from other cultures, test one's physical ability as well as offer a break from routine. Team sports generally take on a league structure and a post-season tournament to determine champions. Special events range from one day to several day tournaments. In most events, skill levels and divisions are established to allow competition for men's, women's, co-ed and Mixed teams at various skill levels.

The Intramural Sports program strives to provide programming for all levels of ability and experience. Our aim is to serve the recreational needs of the majority of the student body and not just the athletic minority.

Club Sports bridge the gap between intramural and intercollegiate athletics by providing competition at specialized levels, participation in tournaments, and opportunities to practice. Although some clubs remain solely recreational, most are highly competitive.

UVU Club Sports offers a structured environment to practice and play the game students’ love. Participation in Club Sports allows individuals to engage with the University in a unique way. Club Sports are managed and run by the participants themselves, including coach selection, travel, fundraising, scheduling, practices, and participant development. Club Sports are meant to enhance the individual learning experiences through involvement, commitment, and working in a team setting.

A competitive spirit of fair play and good sportsmanship is encouraged in order to provide all with a wholesome recreational experience. Participants and staff are asked to conduct themselves in a manner consistent with, and in support of, values set forth by Utah Valley University.

National Student Exchange

- Office: LC 410p
- Telephone: 801-863-6750
- E-mail: sue.stephenson@uvu.edu

National Student Exchange (NSE) is a domestic “study away” experience that fits into university initiatives for globalization and diversity. NSE embodies the overall mission of Utah Valley University by providing meaningful Engagement Opportunities for its students. The National Student Exchange, which is a service within the Career Development Center, provides opportunities for undergraduates, to study for up to one calendar year at another NSE member college or university and pay in-state tuition.

With over 200 colleges and universities from which to choose, students can find a campus that is “custom” to individual degree plans, with just the right combination of courses, facilities, and environment to meet unique personal and academic needs and interests. Spending time at another campus will allow students to grow academically and personally. Students will develop a greater appreciation for the different regions, cultures, and people. NSE extends beyond the borders of the United States to include U.S. territories as well as Canadian provinces. Students participate in order to:

- Broaden personal and educational perspectives
- Explore and appreciate new cultures
- Widen university boundaries
- Take courses not offered at the home campus
- Learn from different professors
- Access courses with different perspectives
- Explore new areas of study
- Experience personal growth
- Live in a different geographic area
- Acquire life skills
- Investigate graduate or professional schools
- Look for future employment opportunities
- Become more mature, independent and resourceful
- Become more mature, independent and resourceful
Introduction

NSE participants have found their exchanges culturally enriching, academically rewarding, and one of the most significant experiences of their undergraduate education. Since its founding in 1968, more than 100,000 students have had the opportunity to break out of their comfort zone, and experience life from a different point of view.

Students will need a 2.5 cumulative GPA and one-year of university work to join these students who have been placed in life-changing exchange situations which challenged their thinking, expanded their educational and personal experiences, and encouraged them to take healthy risks.

Introduction

- Web: uvu.edu/veterans

Veterans eligible for VA Education Benefits may obtain assistance at the Veteran Success Center located in the Woodbury Business Building. Veterans not receiving VA educational benefits are also encouraged to send their Military Transcripts or JST transcripts to the transcript office to begin the evaluation process.

Guideline for Enrollment and Progress

According to VA standards of progress, educational benefits will be paid for courses required for graduation in the student’s declared educational objective. Eligible persons will be required to maintain a 2.0 cumulative and semester GPA or higher and to actively and consistently pursue their declared educational objective. To receive Veterans Educational Benefits, students are required to attend class. Benefits will be terminated for non-attendance. This may cause an over-payment to the student. Some veterans receiving VA educational benefits must verify their attendance to receive their benefits. Please check with the Veteran Success Center for current procedures.

Veterans and dependents receiving grades of “UW” (unofficial withdrawal) or “W” (withdrawal) will have to reimburse the VA for any difference in pay, retroactive up to the beginning of the semester, unless they can report mitigating circumstances to the Department of Veterans Affairs. Benefits will not be paid for a course that is audited (AU).

New Veterans

New students applying for VA educational benefits may be requested to submit to the UVU Veterans’ Service Coordinator either original or certified copies of the following documents: (1) DD Form 214 Member 4 or Service 2 copy (students may be eligible for a minimum of four semester hours of transfer credit), (2) DD-2384 (Notice of Basic Eligibility), (3) VA claim (c) number, if applicable, and (4) Confirmation of Vets.Gov application, (5) Certificate of Eligibility. This information is needed as soon as possible to ensure timely and accurate processing of benefits. UVU forms can be found online at uvu.edu/veterans. Official transcripts from all previously attended colleges or universities are required. The VA will not pay for any course the student has previously taken and successfully completed.

Continuing & Returning Veterans

All continuing and returning veterans must submit to UVU Veterans’ Service Office promptly after registering for the semester a Veterans’ Class Schedule Form that can be found online. This form must be submitted each semester to indicate that the student requests to receive educational benefits for that semester. Please be aware that adding and dropping classes may cause a debt with the Department of Veterans Affairs.

Confidentiality of Records Policy

Utah Valley University is concerned for the confidentiality of student academic records, and a reasonable balance between the obligation of the institution for the instruction and welfare of the student and its responsibility to society. The University will make every effort to maintain student academic records in confidence by keeping information from individuals who are not authorized to receive it or who might use it for illegitimate purposes. The policy also reflects the efforts of the University to comply with the provisions of the Family Educational Rights and Privacy Act of 1974.

Upon presentation of appropriate identification and under circumstances which preclude alteration or mutilation of records, students will be able to inspect all records relating to themselves which are not considered by the University to be private records of University Personnel. A student is entitled to an explanation of any recorded data and may initiate action leading to a hearing, if necessary, to correct or expunge information he or she considers inaccurate or misleading.

Faculty and administrative officers who have a legitimate need to use student records will be allowed access to such records, as needed without prior permission from the student. A request from an educational institution to which the student has applied for admission, or from an institution or agency, from which the student is seeking financial assistance will be granted without written permission of the student. Similarly, data will be furnished to university accrediting bodies and governmental officials without written permission of the student.

No student information other than directory information will be given to any third party (except those mentioned above) without written consent of the student, and then only those records accessible to the student. The term party is construed to include parents, employers, government agencies, or any other people or organizations. Parents or guardians may have access to grade reports of a student’s activity if the parents establish to the satisfaction of the University that they are providing one-half or more of the student’s support. Court orders and subpoenas for records will be referred to and acted upon according to the directions of the Registrar. The University will make a reasonable effort to notify the student prior to release of information in response to subpoenas or court orders prior to actual submission of the material.

Introduction
Introduction

Utah Valley University does not discriminate in recruitment or admission of students on the basis of race, color, religion, age, sex, national origin, or other legally impermissible factors.

Policy

Students who believe that they have been discriminated against or harassed should contact the Director of Student Conduct & Conflict Resolution, SL 201.

Note: Employees or students bringing a grievance against an employee who believe that they have been discriminated against or harassed should contact the Director of Human Resources Services or University Equity Officer.

Students should also consult the Student’s Rights and Responsibilities Code, which is printed in this catalog. See Student Rights and Responsibilities Section.

Procedure

• Purpose
  The primary purpose of this procedure is to provide a remedy through which to seek redress for alleged acts of discrimination or harassment on the basis of race, color, religion, age, sex, national origin, pregnancy-related condition, disability, or veteran status. This grievance procedure is not applicable for situations for which other appeal and adjudication procedures are provided in State law or in which the University is without authority to act.

• Stages of Redress
  a. Students grieving against another student or an employee who is grieving against a student must present the grievance in written form to the SCCR within 14 days (two calendar weeks) of the violation.
  b. If not satisfied with the response the grievant may appeal within 14 days (two calendar weeks) of receipt of the response to the Dean of Students.

• Hearing and Decisions
  At each of the levels noted above, the grievant shall be given the opportunity to be present and to be heard. Due process shall be accorded to all parties involved in the grievance, such as written notice of hearing dates and charge, right to counsel, right to present witnesses, and to present written statements. However, formal rules of evidence and trial procedure required in a court of law will not be applicable to such hearings. Decisions by the Campus Appeals Board shall be by a majority of the members present at the meeting. If an appeal is sent to the President, it must be accompanied by all documentation related to the prior hearings. The President’s decision is final.

Withdrawal
  A grievance may be withdrawn by the grievant at any level without prejudice or record.

• Reprisal
  No reprisal of any kind shall be taken by or against any party or legitimate participant in the grievance procedure by reason of such participation.

• Confidentiality
  Appropriate confidentiality will be observed in all grievance procedures.

• Informal Resolution of Grievance
  Nothing contained herein shall be construed so as to limit in any way the ability of the grievant and the University to resolve any grievance, mutually and informally.

Peaceful Assembly

Policy

Free expression and peaceful assembly are rights guaranteed by the Constitution, subject to time, place and manner regulations. The University acknowledges this right for its students to assemble and express their views peacefully. However, to protect the health and safety of both participants and bystanders, peaceful assembly procedures follow.

Preparation Strategies

• Plan your peaceful assemblies through the Dean of Students Office
• Reserve an appropriate location from the list below
• Schedule appropriate amplification, if necessary
• Contact University Police for traffic and crowd control, if necessary
• Post fliers and/or cardboard signs according to the University Signage Policy
• Pay rental charges, if required
• Commit to obey local, state and federal laws and University policies
• Agree not to disrupt the educational process of the University

Prohibitions

• Interference with the rights of others. Examples are harassment, intimidation and discrimination
• Disruption of normal functions of the University
• Damage to University property
• Endangerment of the health or safety of self or others
• Use of classrooms during academic hours
• Refusal to vacate the premises upon official request by a University administrator or Law Enforcement personnel
• Use of objects that might injure participants or bystanders; examples are wires, ropes, sticks and chains

Penalties

Prohibited acts are grounds for suspension or dismissal. Utah law provides that a student may be barred from campus for up to 14 days following an incident where the student violates University policy or state law. Refusal to vacate premises upon official request warrants immediate temporary suspension and arrest under the law.

Locations Appropriate For Peaceful Assembly

Locations are subject to availability; some locations may not be available at all times due to previously scheduled engagements.
Large assemblies (more than 50 people): Sorensen Student Center: Courtyard Lawn, North Parking Lot, Grand Ballroom, Theater, Centre Stage or meeting rooms; Athletic fields/Lawn areas; Events Center: Arena, or Presidential Level.

Tuition & Fees Policy

Tuition and student fees are established by the Utah State Board of Regents. University Policy regarding payment of tuition and fees states that all tuition and fees assessed at the time of registration are due and payable. This policy applies to all registration periods. Tuition and other charges are subject to change without notice. Please check current policies, procedures, tuition and fee tables, payment deadlines, and other important information at uvu.edu/cashier.

Early registration not covered by Financial Aid or paid in full by the published payment deadline may be purged for non-payment. After the published deadline, Utah Valley University will not drop courses for non-payment or non-attendance. Students who change their mind are responsible to drop their own classes or file a Leave of Absence. Filing a Leave of Absence does not absolve a student of any financial obligation to the University for tuition or other charges owing or repayment of a financial aid disbursement. Students must drop or withdraw by the published 100% Refund Date or they will be responsible to pay the total tuition and fees owed. For exact refund and drop deadlines, please refer to the Student Timetable at uvu.edu/schedule.

Students who default on all or any portion of their tuition and fees will be suspended from further registration and records activity at UVU until their accounts are paid in full. The registration and records activity suspension will be carried forward to perpetuity until all past-due tuition and fees are paid in full.

Past due tuition accounts may be reported to a Nationwide Credit Reporting Agency, and/or turned over to an outside collection agency for collection.

Tuition Surcharge Policy

Students are encouraged to avoid accumulating credit hours beyond those needed to successfully complete their identified program of study. A student may be charged the excess credit hour surcharge for credit hours in excess of 125% of a student’s program of study. The surcharge amount for resident students is double the current year’s resident tuition rates for the number of credit hours taken. Non-resident students will continue to pay non-resident tuition.

For further information regarding this policy, please contact your advisor or the Graduation/Transfer Services Office.

Dropping/Withdrawing from Courses

When students enroll in a course, they are reserving a seat in the class. If a student decides not to take a class, it is the responsibility of the student to drop the course before the 100% Refund Deadline. Dropping the class before this deadline removes the charges from the student's account and allows other students to register. Charges for classes dropped after the 100% Refund Period deadlines will remain owing and will not be credited back to the student's account balance.

Student Financial Responsibility
Introduction

Before students can register for classes they must review and agree to the terms and conditions outlined in the Student Financial Responsibility Agreement, then review and update their address and other demographic information. It is important that students carefully update their demographic information as the University periodically sends bills, refund checks, and other important correspondence through the mail.

The Student Financial Responsibility Agreement (SFRA) includes agreements to pay tuition and fees, requires adherence to payment and withdrawal deadlines, outlines the consequences of delinquencies, and presents required financial aid consents. It also provides students an opportunity to consent to electronic delivery of their 1098-T Tax Form. The following is a brief description of terms included in the SFRA. To view the SFRA document in full, visit uvu.edu/cashier/tuition/sfra.html.

• FINANCIAL RESPONSIBILITY: I agree to pay all tuition, fees, and other related costs that result from my registration and/or future drop/add activity and understand that acceptance of these terms constitutes a promise to pay agreement.

• DROPPING/WITHDRAWING FROM COURSES: I understand and agree it is my responsibility to drop my own classes if I decide not to attend and further understand that I must drop my classes and/or file a Leave of Absence before the 100% Refund Deadline or I will be responsible for all tuition and fees.

• CONSEQUENCES OF DELINQUENT ACCOUNT/COLLECTION: I agree to pay all charges by the published deadlines and understand the consequences of delinquencies on my account including late payment charges, registration holds, and possible collection fees.

• COMMUNICATION: I understand all correspondence from Utah Valley University will be sent to the student’s myUVU email account (including my billing statements) and therefore I am responsible for reading the e-mails I receive from UVU on a timely basis. I agree to keep my contact information current with UVU and further agree to allow Utah Valley University and its agents to contact me at any address, telephone, or cell phone number that I provide now or in the future.

• FINANCIAL AID DISBURSEMENTS: I understand that if I am expecting Financial Aid, I am responsible to follow up and ensure I have met all requirements to receive it, and acknowledge that I may be charged a late fee if my Financial Aid has not disbursed by the Late Fee Deadline. I further acknowledge that aid is contingent upon my enrollment and attendance in each class.

Tuition Refund Policy

The tuition refund policy is established by the Utah State Board of Regents and amended by each college or university to fit their programs. Utah Valley University refunds to students who withdraw from school or drop classes as follows:

Semester:

• Through the 100% refund date published on the Student Timetable...100%
• After the 100% refund date published on the student Timetable...0%

Exact dates for semester, block, and weekend classes can be found at uvu.edu/schedule.

Students must drop classes or completely withdraw by the published 100% Refund Deadline in order to have the charges removed from their account. Students who withdraw after that date will not receive a refund; if they have not paid, they will continue to owe the University for these charges and will be subject to collections procedures if left unpaid.

Changes in enrollment may affect Financial Aid eligibility and amounts received. Financial Aid awards may be pulled back when dropping courses, thus increasing the amount owed.

A Petition to the Refund Policy Form can be obtained online through myUVU or from the Office of the Registrar.

State-Mandated Refund Policies

Students who are living in the following states while actively participating in UVU courses will receive refunds as designated by the state departments of education.

New Mexico

Special Lab & Course Fees

Some classes require fees in addition to standard tuition and fees. The online class schedule indicates such lab, course, and materials fees.

Late Payment Fee (Late Fee)

Late Payment Fees are assessed each Wednesday night throughout the semester with a begin date according to the Student Timetable. Late fees are assessed on ALL unpaid account balances at 20%, not to exceed $200.00 per semester, including accounts awaiting Financial Aid.

Late Registration Fee (Late ADD Fee)

Special approvals are required to register late for a class. The length of time for each late registration period is relative to each part of term and is governed by the Student Timetable. Students who add classes during the late registration period must finalize the process by paying for appropriate late registration fees in addition to their tuition/fees according to the published dates on the Semester Student Timetable.

Payment Options

At the Cashier Windows or One Stop

- Cash
- Check
- PIN-based debit

Online through Tuition Payment Plus

- Electronic Checks

Electronic Check payments are free of charge and can be made online only with the bank routing number and account number. Payments can be made from a personal checking or savings account. Corporate checks, credit card checks, home equity, traveler’s cheques, etc. are not accepted. Electronic check payments are processed through Tuition Payment PLUS, accessed through myUVU. Any check returned by the payer’s bank for any reason, will be considered a “dishonored” check and all penalties for a “dishonored” check will be applicable.

- Credit Cards

Payments with credit cards are accepted online only and will be charged a non-refundable service fee of 2.85% (minimum $3.00). Most major credit cards are accepted including VISA, MasterCard, American Express, and Discover.

Tuition Payment Plan

The tuition payment plan allows students to pay for their tuition and fees over the course of the semester in three payment installments with a minimal fee to enroll. If students enroll before the published Payment Deadline dates, their classes will not be dropped for nonpayment. In addition, enrollment in the payment plan before the Late Fee Deadline will prevent the 20% late fee from being assessed. More information about the payment plan can be found at uvu.edu/collections/tuitionpaymentplan/index.html.

Check Cashing Procedures

The University does not accept two-party checks. Checks written to UVU must have the student's UV ID number, the payer's address, and payer's phone number on the face of the check. Two forms of identification are required at all campus check-cashing locations.

Checks made for an amount larger than the total tuition and fees due will not be accepted. Checks written for up to $5 over the amount of the purchase may be cashed at the Bookstore. All other campus locations accept checks for amount of purchase (or payment) only.
Introduction

Dishonored Checks

A dishonored check is any check returned by the payer’s bank for any reason, including, but not limited to, insufficient funds, no account, bad account, stop payment, unauthorized account, refer to maker. Checks written that later have a “stop payment” placed upon them will be considered as “dishonored”.

A service charge will be assessed on each dishonored check unless the payer can document in writing from the bank that it was a bank error.

Third Party/Sponsored Payments

Students are responsible for ensuring that appropriate documentation for a third-party or sponsored payment is submitted to the Accounts Receivable Office prior to the start of classes each semester. If paperwork cannot be submitted to the Accounts Receivable Office by the published Payment Deadline, students should consider enrolling in the Tuition Payment Plan to avoid having their classes purged for nonpayment.

Students who are sponsored by a third-party must comply with the terms of the sponsor agreement and verify that all tuition and fees charges are paid by the sponsor. Any balance not paid by the sponsor remains the student responsibility and is subject to all payment deadlines and late fees.

If a student adjusts their registration schedule after their authorization has been received by UVU, it is the student’s responsibility to verify that any course or tuition and fee changes will be paid by the sponsor and that these changes are reported to the Accounts Receivable office for proper processing.

If the sponsor does not provide funding by the end of the semester, the student will be responsible for payment of tuition and fees.

University Police

Crime Awareness & University Police

The safety and well-being of our students, faculty, and staff are a high priority at Utah Valley University.

Although the UVU campus is a relatively safe place, we are not immune to those problems that beset all urban citizens, including problems related to public safety and law enforcement.

The Utah Valley University Police Department (UVUPD), a police force fully accredited by the State of Utah, is charged with protecting your safety and property on our campuses. The following outlines the services, policies, and programs which help us to meet that challenge.

The full support and cooperation of the entire University community is required to allow for the pursuit of knowledge in a safe and secure environment.

Utah Valley University police provide several important services to a diverse University community consisting of over 37,000 students and supporting faculty and staff by providing 24 hour-a-day police patrol and security protection for the benefit of all University properties, employees, students and visitors on campus.

Utah Valley University police officers have the same full police powers and responsibilities as do officers in other Utah law enforcement agencies.

All UVUPD police officers are trained at Utah State Police Academies and each year receive a minimum of forty (40) hours of in-service and specialized training in crime prevention and awareness, first aid, firearms, defensive tactics, legal updates, evidence gathering, traffic control and traffic accident investigation, follow-up on criminal and civil investigations, etc.

Several patrol methods are used to secure and patrol University properties, including uniformed and plain clothes, vehicle, and foot patrol.

University police officers are also responsible for providing a full range of public safety services to the University community, including the handling of all crime reports, investigations, traffic accidents, enforcement of laws regulating underage drinking, the use of controlled substances, weapons violations, and enforcement of all applicable State, County and local laws, in addition to all other incidents such as medical and fire emergencies which require police assistance.

University police officers prepare and submit reports of incidents brought to their attention. As a courtesy, they share information on arrests and serious crimes with any law enforcement agency having a legitimate need to know.

The serial numbers of all vehicles, office equipment, and personal property stolen from our University campuses are reported nationwide through the National Crime Information Center (NCIC).

UVUPD encourages the prompt and accurate reporting of crimes to our office by victims, witnesses or any other persons having knowledge that a crime has been committed on our campus.

The UVU Dispatch office is staffed 24 hours a day, 7 days a week, 365 days a year and can be reached by calling 801-863-5555 or dialing 9-1-1.

The University Police office is located in Gunther Trades 331.

There are emergency telephones located in each Orem Campus elevator. When activated these phones will automatically put you in direct contact with the elevator company.

Crime Awareness/Crime Prevention

An important function of UVUPD is making our campus users aware of how to avoid becoming a victim of crime.

If requested, one of our University police officers will talk to groups regarding Crime Awareness/Crime Prevention.

UVUPD officers will also provide escort services to those who desire assistance in safely getting to their car.

CAMPUS Safety Awareness Programs

The Chief of Police/Director of Public Safety, the University Fire Marshal and other staff members are involved in the University Safety Committee which makes periodic security and safety surveys of campus facilities.

Officer Friendly Program

Several times throughout the school year our University police officers will make an Officer Friendly presentation to the University Child Care Center emphasizing “police are our friends”. Child safety is stressed.

Grounds & Building Safety
Introduction

The University Facilities and Planning/Plant Operations Departments maintain college buildings and grounds with a concern for safety and security. These facilities are inspected regularly; plant staff attempt to make prompt repairs and respond 24 hours-a-day to reports of potential safety and security hazards, such as broken windows and locks. The University Police Department assists maintenance personnel by reporting potential safety and security hazards. Students, as well as employees, are encouraged to call Facilities Planning and Maintenance (801-863-8130) to report any hazard.

Representatives from University Police/Department of Public Safety and Facilities Planning routinely inspect the entire campus to review lighting and environmental safety concerns.

Crime Statistics for the University Community

The University Police Department submits a monthly Uniform Crime Report to the Federal Bureau of Investigation (FBI) through the Utah Bureau of Criminal Identification. UCR data is available online through BCI at publicsafety.utah.gov/bci.

UVU also submits crime data to the Department of Education. For a more detailed breakdown, see www.uvu.edu/police.

A glossary of offenses is available at ope.ed.gov/security/index.aspx.

OFF-CAMPUS STUDENT RESIDENCES

There are numerous privately owned rental units off-campus in which students reside. The University encourages students to locate and investigate off-campus living units whose owners have agreed to exercise reasonable efforts to maintain rental facilities in good repair including properly functioning locks on doors and windows. Some of the large apartment complexes provide their own night security watch.

THE UNIVERSITY CANNOT AND DOES NOT GUARANTEE OR REPRESENT THAT OWNERS AND MANAGERS ALWAYS MEET OUR SUGGESTED PHYSICAL CRITERIA. Thus, students are individually responsible to carefully choose a safe and secure off-campus apartment.

Crime prevention and crime awareness programs emphasizing security and what students and employees can do to help themselves from becoming a victim are provided free, upon request, by contacting local police agencies or the University Police Department, telephone 801-863-5555.

The University Police Department is responsible for policing the Utah Valley University campuses. The respective city police departments are responsible to police the surrounding areas where our students may choose to live.

The University Police Department has a mutual working relationship with all Local, County, Federal and any other State law enforcement agencies in Utah County (Utah Valley region), providing each department as requested, or as becomes necessary, with patrol assistance, information exchange, and back up.

Skateboards, Roller Blades, Hover Boards, Roller Skates, Bicycles, & Motorcycles

Skateboards, roller blades, hover boards, roller skates, and bicycles are allowed on campus exterior locations for transportation only. All Utah State traffic laws and University administrative rules regarding the use of such devices must be obeyed at all times. NO stunts or tricks are allowed. Motorcycles and like devices shall not be operated on sidewalks without the approval of the Chief of Police or the Facilities Director, unless it is a university owned vehicle responding to an emergency situation.

Sanctions

Violations of this policy may be enforced against students, employees and visitors of Utah Valley University by notices or citations which may be processed and settled through the police office or court of jurisdiction whichever is appropriate.

Other Facilities Utilized by UVU

UVU has satellite offices located in several communities throughout Utah such as: Spanish Fork, and Heber City. University Police provide law enforcement and crime prevention services for these areas as needed. Routine patrol coverage is by the appropriate local law enforcement agencies.

Please feel free to direct any comments and or questions that you may feel have not been answered in this document to the office of the Director of Public Safety.
