

CIVIC THOUGHT & LEADERSHIP INITIATIVE 2026 AND BEYOND

CCS envisions increased support of UVU students, communities, K-12 teachers, administrators & students.

K-12 TEACHERS & STUDENTS

Expand scope and scale of campus conferences to reach 1,000 teachers yearly and their 400,000+ students.

Provide every school district outside the Wasatch Front area with professional-development training in civics.

HB 381 tasked CCS to work with USBE to develop standards for new statewide Government and Citizenship course.

ON THE UNIVERSITY CAMPUS

An M.A. in Constitutional Government, Civics & Law helps Utah teachers and researchers gain education and content expertise.

UVU undergraduate fellowships give opportunities to work on civic research, conferences, and other projects.

IN OUR COMMUNITY

CTLI has initiated **America at 250** education programs to mark 250 years of self-government in the United States since 1776.

Video master classes and other resources introduce Utahns to the ideas and history of the Declaration of Independence.
