- Counterterrorism
- Department of Defense (DOD)
- Department of Homeland Security
- Department of Justice
- Diplomat
- Federal and state law enforcement
- Intelligence analyst
- Lawyer
- Military
- Policymaker

## COURSE DELIVERY

All courses are available face to face, with the option to take some courses online.

## LEARNING OUTCOMES

Students will acquire a general knowledge about the U.S. national security process, including a familiarity with:

- National Security Council
- Executive departments and agencies
- Presidential powers
- Congressional roles and powers
- Applicable international and domestic law

During coursework, students will gain skills through class simulations and instruction in analytical thinking and reasoning, professional writing, and public speaking.

Upon graduation students will have mastered the application of both theoretical and practical approaches to complex national security problems, employing appropriate context to a decision-making framework.
