

Registration Guide

You should have received a confirmation email when you registered for the UVU Conference on Addiction on the UVU Tickets page (<https://uvu.universitytickets.com>). If you did not receive a confirmation email, please let us know right away by contacting us at chss@uvu.edu.

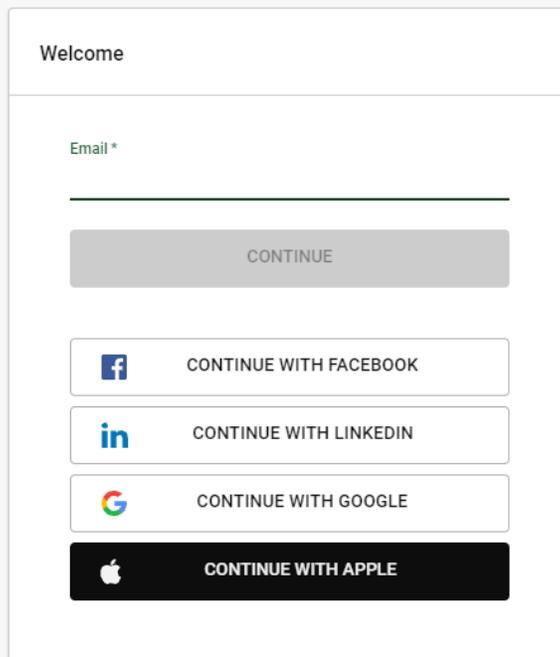

It is vital that you remember the email address used to complete your ticket registration and purchase. That email address will be your unique ID for accessing the conference virtual platform.

If you have used the Socio conference portal in the past, we strongly recommend using the same address you used previously. That way, you won't need to create a new conference user profile.

Attendees will visit the following website to login to the platform:

<https://app.socio.events/MTI4MDk%3D/overview>

Once you click on the link, you will be taken to a page that looks like this:

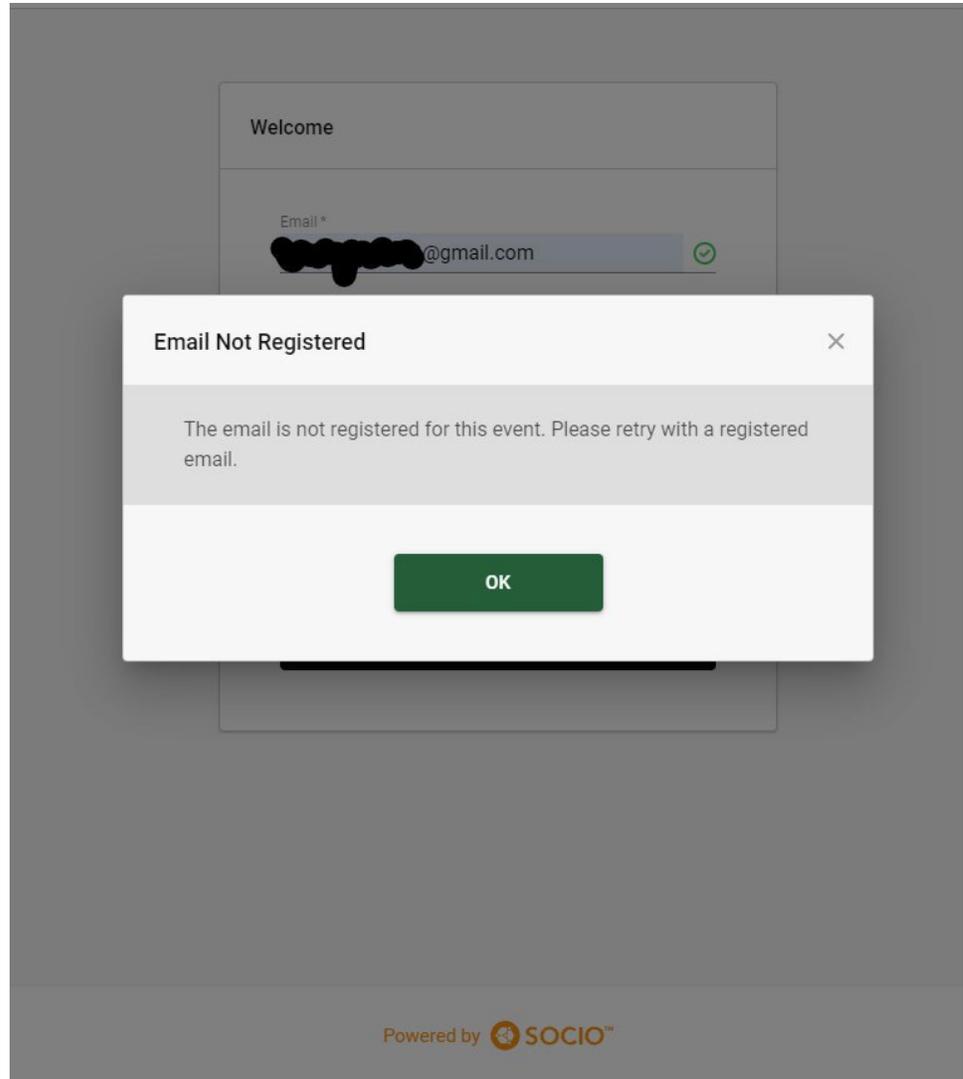

The screenshot shows a login interface with the following elements:

- Header: "Welcome"
- Input field: "Email *" with a horizontal line below it.
- Button: "CONTINUE" (grey)
- Social login buttons:
 - Facebook: "CONTINUE WITH FACEBOOK" (white button with blue 'f' icon)
 - LinkedIn: "CONTINUE WITH LINKEDIN" (white button with blue 'in' icon)
 - Google: "CONTINUE WITH GOOGLE" (white button with multi-colored 'G' icon)
 - Apple: "CONTINUE WITH APPLE" (black button with white Apple logo)

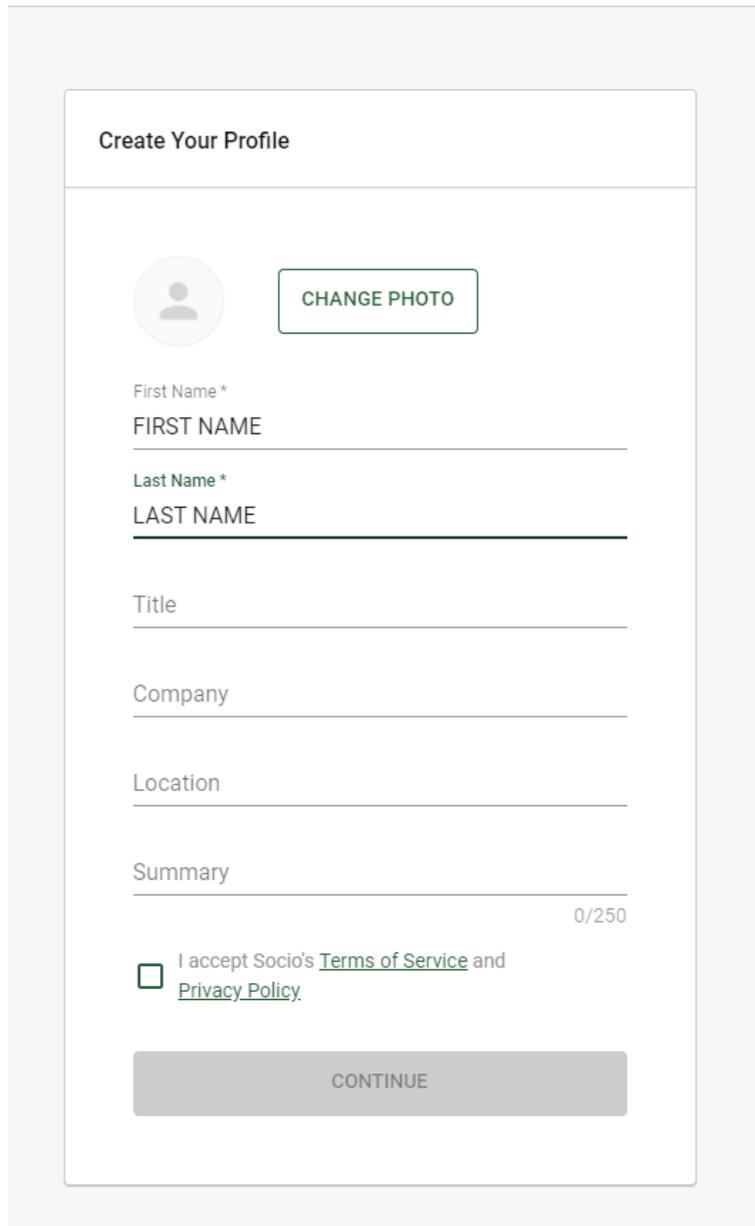

Here, you will put the email address you used to buy your ticket for the event into the email address field.

DO NOT USE ANY OF THE OTHER LOGIN OPTIONS (like Facebook, LinkedIn, Google, or Apple).

If you put in an email address **NOT** registered with the event, you will get the following error message:

Once you have provided the email address **you registered with** for the event, you will be taken to a new page that will allow you to put in your profile information for the event:

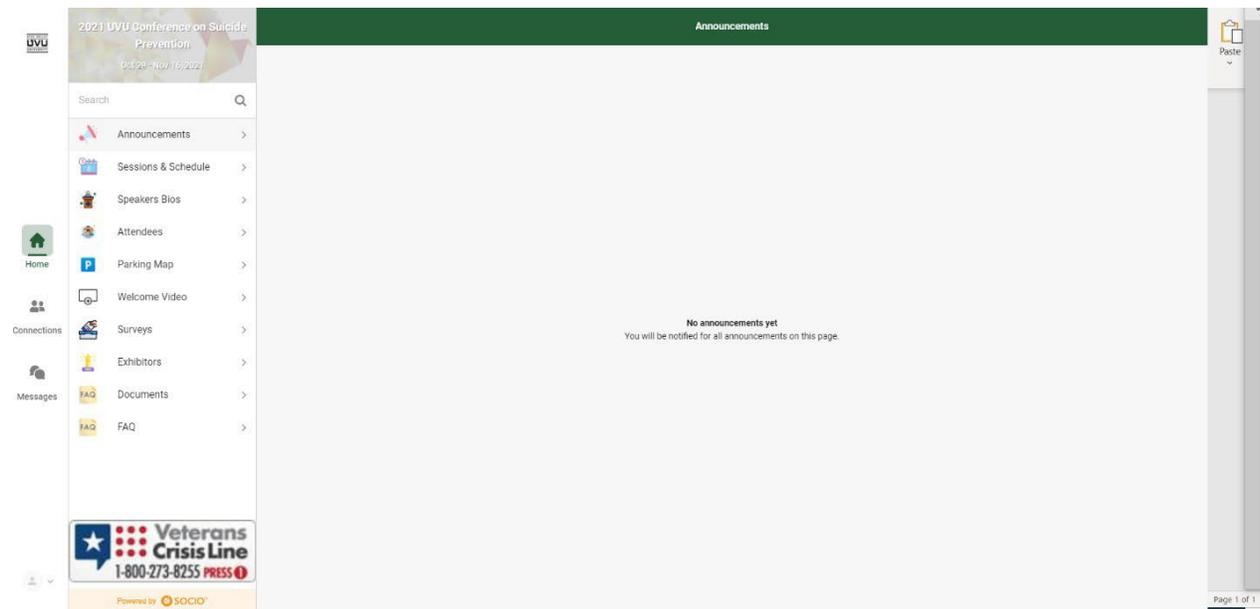

The screenshot shows a web form titled "Create Your Profile". At the top left is a circular profile picture placeholder with a person icon. To its right is a rectangular button labeled "CHANGE PHOTO". Below the photo area are several text input fields: "First Name *" with "FIRST NAME" entered, "Last Name *" with "LAST NAME" entered, "Title", "Company", "Location", and "Summary". The "Summary" field has a character count "0/250" to its right. At the bottom left is a checkbox that is currently unchecked, followed by the text "I accept Socio's [Terms of Service](#) and [Privacy Policy](#)". At the bottom center is a wide, grey button labeled "CONTINUE".

You can put in a fake first name and last name if you want (for anonymity), but it cannot be left blank.

You must also accept the terms and conditions at the bottom.

Profile photos are optional, but if you want to try and network with people at the conference, we recommend putting as much information as possible.

The most important place in the Socio conference app is the “Sessions & Schedule” button. There, you will find all the session information, and the links to join the virtual streams.
