UVU Clubs connects students to Utah Valley University in a unique way which reflects each student's individual interest and academic desires. UVU Clubs works with over 100 active clubs on campus. Many clubs are very active and receive University, local, and national recognition.

Clubs are categorized into the following areas:

- **Academic**: A club with an educational purpose, often seeking to share information to the specific topic or field of interest. These clubs prepare club members for the professional workforce or schooling beyond their bachelor’s degrees and can often be aligned with classes and/or departments already offered at UVU.
- **Athletic & Recreational**: A non-competitive sport or group that provides students a chance to engage in their favorite athletic/recreational activity with others.
- **Ethnic & Cultural**: A club that typically holds meetings or events to promote diversity and help others understand different cultures. Even though these clubs offer support to specific groups on campus, club membership is not limited to any particular cultural group.
- **Performing Arts & Media**: A club that performs, practices, and/or creates as a form of communication and expression.
- **Service**: A club that places emphasis on benefiting the school, community, or world through active service, emphasis on personal growth, and leadership.
- **Social**: A club that seeks to find commonality by sharing unique hobbies, interests, or skills with others.
- **Social Awareness**: A club that desires to provide a place for members to discuss topics of interest relevant to them, serve as a support group, or advance social interests that affect UVU and/or the community as a whole.
- **World View**: A club that serves as a safe haven and place of comfort for students who share similar beliefs, ideologies, and worldviews or who are exploring new aspects of religion and spirituality.

Utah Valley University defines a “Club” as:
A student group with a common interest or goal with at least six members where 75 percent of the members are currently enrolled UVU students that complies with university registered club requirements, including but not limited to having a lawful purpose, registering the club, having a club constitution, having a president who is a full time UVU student and who meets other requirements, and establishing and assessing dues. Registered student clubs are at a minimum funded by member dues and additional funding from the inter-club executive council.

Utah Valley University defines an “Organization” as:
A student group that is sponsored and ran by an on-campus department. Leadership selection and monetary resources are solely provided by the department and not by the UVU Clubs Office.

The UVU Clubs Office connects student clubs to campus organizations but beyond that, has no jurisdiction. If you are a “club” wanting to become an “organization,” a campus department will need to facilitate its creation and accept sole responsibility for the elements of that group. Please see page 8 to learn how.
SECTION: REGISTRATION
TITLE: REGISTERING A STUDENT CLUB

BECOMING A RECOGNIZED AND REGISTERED CLUB:

The following must occur prior to the recognition as an official club:

1. Your club must register with the UVU Clubs Office by completing the ANNUAL REGISTRATION, which is found at uvu.edu/clubs under the “Club Forms” tab.
2. Each club is required to provide a constitution stating the club mission, purpose, leadership election process, and functionality. A Constitution Writing Guide is available on page 38 for your reference.
3. Each club must consist of a minimum of six (6) members. 75% of the members must be currently enrolled UVU students. Names, UV ID number, phone number, and email address are to be provided upon registering. Student clubs shall have the right to keep membership lists confidential and solely for their own use. The names and addresses of officers are required by the University as a condition for registration or access to university funds or enjoyment of university privileges.
4. The president of the club must be a currently enrolled FULL-TIME UVU STUDENT (12 credit hours or more, not including LDS institute courses) and must maintain a 2.5 cumulative GPA.
5. All campus financial accounts will be housed in the Clubs Office. The club must have a zero or positive balance in their campus financial account if re-chartering. For additional information regarding the campus financial system, refer to the Club Financial Accounts & Use of Funds section of this manual on page 18 and 19.
6. If applicable, the club must resolve any outstanding debts to any and all businesses or campus departments prior to the chartering or re-chartering of the club.
7. Collection of club dues must be handled through the UVU Clubs Office. No students will be allowed to collect dues.
8. Each club will need to complete one (1) service project per semester to uphold their registered status. See page 15 for instructions regarding service projects and their approval.
9. During spring semester, each club will be required to submit a Mid-Annual Report, which is found at www.uvu.edu/clubs under the “Club Forms” tab. This form provides information our office needs to further support the club. Merit money will be awarded to the clubs who turn it in by a specific date.

As the club president, it is your responsibility to read through this handbook of policies and procedures to better understand how to best serve your club and to further be educated on campus policy. In addition, it is important to follow proper cash handling and to ensure that whenever food is being served, Catering and Dining Services is involved. Cash handling training will be provided at an Inter Club Council Meeting. To learn more about Catering and Dining Services requirements, please refer to page 17 in this handbook.

Following the completion and submission of the Annual Registration, the information will be reviewed by the ICC Executive Council. Please be aware that if a club, organization, or department is already in existence that holds a duplicate mission and purpose, the charter will be denied and students will be encouraged to become involved with the already existing student group.

If your club is denied and you would like to appeal the denial, please appeal in writing to the Clubs Coordinator clubs@uvu.edu stating why you’re appealing. This appeal will then be passed on to the Dean of Students for a decision to be made in regards to your club.
If interested in becoming an organization, which is a student group that is sponsored and run by an on-campus department, that has previously been a club, please adhere to the following guidelines below.

The department will assume sole responsibility for the functions of the student group. This includes but is not limited to finances, campus scheduling, risk and liability with events, meetings, and activities, selection of student leadership positions, etc.

1. You must work closely with both the Clubs Office and the on-campus department who will be sponsoring the student group.
2. Please contact the Clubs Office (clubs@uvu.edu) to receive the Club to Organization Form.
3. The club and department must provide the necessary information for the form such as contact information, explanation as to why the student club should be transitioned to a department, gain a series of approvals, etc.
4. Once the form has been filled out entirely, it will be reviewed by the Clubs Office in which a new banner index will be requested to support the functions of the student organization. If the sponsoring department already has a banner index, please notify the Clubs Office.
5. Our office will then transfer the remaining funds from the club account to the new index that has been provided for the student organization.
SECTION: REGISTRATION
TITLE: REGISTERING GREEK LIFE ON CAMPUS

If registering Greek Life on campus, the following requirements must be fulfilled. In order to maintain the registration status of a fraternity or sorority on campus, each group will need to re-register every year through the UVU Clubs Office.

1. Complete the ANNUAL REGISTRATION.
2. Provide the Clubs Office with a letter stating that the chapter is in good standing with the organization’s national office.
3. Unless unchanged, the chapter must submit the following to the UVU Clubs Office:
   - A copy of its Risk Management or Risk Reduction Policy
   - A copy of its Anti-Hazing Policy
   - A copy of its Drug & Alcohol Policy
   - A copy of its Chapter By-laws or Constitution

Failure to comply with the rules above could result in a probationary period and/or discontinuation with the program.
SECTION: REGISTRATION
TITLE: MENTOR RESPONSIBILITY

A club presidency has the option to select a Club Mentor, however, it is no longer a requirement to have a club advisor. A Club Mentor is someone who will support, offer advice and give help when asked or needed. Club Mentors are to be selected by the student officers of the club.

Please understand that the purpose of a mentor is to help facilitate the student club you are assigned to, not to govern or run the club.

As a mentor, we recommend that you complete and submit the MENTOR ACKNOWLEDGMENT FORM located at uvu.edu/clubs under the “Forms” tab. This form is for our office to know who has agreed to mentor and support the club, in addition to being a resource for us. The minimum expectations for the involvement of a club mentor are as follows:

- You must be a full time exempt employee.
- Your employment at UVU should always be your priority and come first before any involvement with a club.
- Your immediate supervisor must approve you being a club mentor. They will receive an email notifying them of your participation as a club mentor.
- You must be willing to comply with the UVU Clubs Handbook and Procedures.
- You must be willing to allow the students to organize and run the club, and be willing to instead mentor and advise, as explained above.
- The club mentor is not responsible for managing the club account, purchase approvals, club funds, travel costs, or other financial forms. Nor is it your responsibility to plan events or meetings, to schedule facilities or to collect dues for the club.
- You must complete and sign the acknowledgment form.
- If you become aware of violations by the club or its members of the UVU Clubs Handbook of Procedures, the UVU Student Code, UVU’s Title IX/Sexual Misconduct Policy (UVU Policy 162), UVU’s Discrimination Policy (UVU Policy 165), or any financial concerns, please notify the UVU Clubs Office of such concerns immediately.
- No mentors will be the banner index manager on club accounts.
When creating a name for your club, it should explain the club’s purpose and comply with the following rules and guidelines:

1. If you desire to use Utah Valley University in your club name, you may only use it to express the geographical location of the club:

   Prohibited Example: Utah Valley University Twilight Club

   Approved Example: Twilight Club at Utah Valley University

2. The club’s name should not infringe the copyright of another organization, unless the organization holding the name has given permission for the name to be used:

   Prohibited Example: Harry Potter Club at UVU

   Approved Example: Harry Potter Book Club at UVU

3. A new club may not duplicate the name of an existing UVU club, organization or department or choose a name that is similar or closely related. By doing so, this could create confusion or conflict among members on campus.

4. The name of the club must be in good taste.

The UVU Clubs Office reserves the right to deny the name of any club.
SECTION: REGISTRATION

SECTION: EVENTS
TITLE: SCHEDULING

All club scheduling requests must be submitted through the UVU Clubs Office website, uvu.edu/clubs. Scheduling requests will not be processed otherwise. When scheduling an event on campus for your club you will need to complete the following:

1. Complete the SCHEDULING REQUEST FORM found on the Clubs website, uvu.edu/clubs under the “Forms” tab. THIS FORM MUST BE COMPLETED AT LEAST TWO (2) WEEKS IN ADVANCE.
   a. Following the submission of the request, it will be processed through our office and the campus schedulers. This ensures that the events, meetings, and/or activities are for club use and purposes. It also prevents fraud or misuse of club privileges.
   b. Please allow 48 business hours for the form to be processed. This may take some time to get done due to the high volume of requests, weekends, or office closures.

2. Wait for the scheduling confirmation email from the Clubs Office.
   a. Prior to receiving the email confirmation, it is recommended that the submitter checks their email regularly in case further clarification is needed to schedule the location.

3. While waiting for the confirmation, it is recommended to continue the planning of the meetings, event, or activity.

4. If food will be involved at your event, please see page 17.

5. Provide a list of the needed set up or media necessary for the event, meeting, or activity to the Assistant Clubs Coordinator [cassidy.tippets@uvu.edu, 801-863-8618] or to UVU Event Services [eventservices@uvu.edu, 801-863-8612], at least 72 hours prior to its scheduled date.
   a. If you are in need of tablecloths for your event and are not working with Catering Services, please contact Event Services at least one week prior to your event.

6. After receiving the email confirmation, please confirm that the location and details of the scheduled event are accurate. If they are not, please work with the Clubs Office to correct any mistakes made.

7. If canceling an event due to low attendance or unforeseen circumstances, please contact Cassidy Tippets [cassidy.tippets@uvu.edu, 801-863-8618] at least 72 hours in advance.

Duplication of events and programs sponsored by any campus club, department or organization will not be permitted, therefore the Clubs Office must be informed of the event or activity taking place. If tabling, please fill out the scheduling request form. If wanting to receive merit money for tabling, please see page 22 to learn how.
UVU Clubs are encouraged to plan and implement fundraisers to raise funds for the needs and functions of the student group for the year. Because of limited campus funds, club fundraisers are encouraged to provide the club with necessary money for goals and initiatives that will ensure future sustainability of the student group.

When planning a fundraiser, there are a few steps that must occur before the club will be permitted to actually hold the event to ensure the prevention of campus or legal violations. All of the forms stated here can be found at uvu.edu/clubs. Please allow a minimum of 2 weeks for the completion of processing.

1. The Club is encouraged to complete the FUNDRAISING APPROVAL REQUEST FORM found at uvu.edu/clubs, stating the happenings of the event, and what they would like to do as their fundraiser. Completion of this form will ensure safety and compliance to campus policy and procedure, provide additional insight, and help identify potential resources. This must be approved through the UVU Clubs Office.

2. If the fundraiser will be held on campus, the SCHEDULING REQUEST FORM must be completed and confirmed through the campus schedulers.

3. If funds are being spent to hold the fundraiser, the PURCHASE APPROVAL REQUEST FORM must be completed and approved.

4. When looking to sell items or merchandise, the ON-CAMPUS SALES APPROVAL will need to be completed and approved by Louise Bridge, Director-Bookstore, to ensure permission for no duplication of sales provided through the campus bookstore.

5. When looking to sell food, please contact the Clubs Office [clubs@uvu.edu]. The club will need to work closely with Catering Services to determine if it is possible to hold a food fundraiser.

6. The selling of baked goods is not permitted on campus.

7. If the club is in need of a credit card machine (square reader), cash box or petty cash for their fundraiser, please fill out the CLUBS CASH BOX AND SQUARE READER CHECK OUT FORM found on the clubs website, uvu.edu/clubs.

After the completion of your fundraiser, all funds will need to be deposited into the club account through the UVU Clubs Office, SL 122. This must be completed within 24 hours of the fundraiser or by the following Monday at 9am, if the fundraiser was held over the weekend.
SECTION: EVENTS
TITLE: SERVICE PROJECTS

UVU Clubs are required to complete a minimum of one (1) service project per semester. This demonstrates civic engagement and fosters active citizenship.

When planning a service project, there are a few steps that should occur before the club will be permitted to actually hold the event to ensure the prevention of university or legal violations. All of the forms stated here can be found at uvu.edu/clubs. Please allow a minimum of 2-3 weeks for the completion of processing.

1. Complete the SERVICE PROJECT APPROVAL FORM stating the location of the event and the details of what will be happening for the project. Completion of this form will ensure safety and compliance to campus policy and procedure, provide additional insight, and help identify potential resources.
2. The club should have 6 members present at the service project and gain prior approval from the UVU Clubs Office.
3. If the service project will be held on campus, the SCHEDULING REQUEST FORM must be completed and confirmed through the campus schedulers before proceeding with the project.
4. If the service project will require the use of club funds, the PURCHASE APPROVAL REQUEST FORM will need to be completed and confirmed through the Clubs Office before proceeding with the project.

The Center for Social Impact located in SC 105 provides service opportunities that clubs are welcome to participate in. They also provide resources in planning club service projects on and off campus. If you desire to work with the Center for Social Impact, please contact them below:

   Center for Social Impact
   SC 105
   volunteer@uvu.edu
   801-863-8786

Duplication of events and programs sponsored by any campus club, department or organization will not be permitted, therefore the Clubs Office must be informed of the event or activity taking place.
SECTION: EVENTS
TITLE: SPONSORING AN OFF-CAMPUS GROUP

In the event that an outside organization has contacted a club to **co-sponsor** an event, the following must be complied with:

1. The event, group or organization must fulfill the mission and purpose of the club stated by the club's constitution and registration.
2. The club must be heavily involved with all aspects of the planning, publicity, and day of event including responsibility for any costs that may be associated with the event (entrance fees, event costs, etc).
   a. If assessing an entrance fee, an online payment must be set up through UVU Campus Connection. Go to uvu.edu/campusconnection/forms/ and fill out the UVUSA/UVU Clubs Box Office Request Form to get an online payment setup.
3. If wanting to schedule space on campus, only the authorized club may submit scheduling requests, NOT the outside organization.
4. The off-campus group must also be involved in the planning and implementation of the co-sponsored event.
5. According to campus policy, any group who sponsors an event which has a registration fee is required to pay $2.00 per registrant. A banner index code will be required to be provided. This fee covers the wear and tear of the classrooms, buildings, and fields. Please make sure to account for this cost when planning your event.

** If the club is not directly involved with the off-campus group in these aspects, they may not use the club name or facilities provided through the registration of the club. **

The Clubs Office holds the right to deny any off-campus group from co-sponsoring an event with a club due to the nature of the event.

For more information contact the UVU Clubs Office located in SL 122, or at clubs@uvu.edu.
SECTION: EVENTS
TITLE: PURCHASING FOOD

UVU Catering Services provides food and beverage needs for all events scheduled on campus. UVU Dining Services entails all on-campus restaurants such as Taco Bell, Jamba Juice, Guru’s, Chic-Fil-A, Panda Express, Costa Vida, Subway, Pizza Hut, Cup Bop, Sodalicious, etc. You may work with any on-campus vendor if there are 100 people or less at your event. If there will be 101 people or more, your club must work with Catering Services.

No off-campus food will be allowed to be brought on to campus. The only time it will be approved is when your event is off-campus.

**ALL FOOD ORDERED THROUGH CATERING SERVICES MUST BE DONE TWO WEEKS IN ADVANCE.**

The only items that are approved to be brought on to campus are individually packaged, single-served, non-perishable snack type items and Pepsi product drinks.

If you would like to order food for your event through UVU Catering Services, please email catering@uvu.edu or call 801-863-6940 to place your order. A purchase approval* must be submitted prior to placing an order.

If you would like to order food for your event through one of the on-campus vendors, please work directly with the on-campus restaurant that you’re interested in working with. A purchase approval* must be submitted prior to ordering from the on-campus restaurant. Some restaurants require a guest list to be used. A guest list is a form that needs to be picked up in SL 122 at the Clubs Office and be signed by the Clubs Coordinator PRIOR to going to the restaurant. The guest list initiates and allows for a campus budget transfer to happen between the club and the on-campus restaurant.

*Please note in the purchase approval what kind of food you’re interested in having at your event, activity or meeting. In addition, be aware that all drinks must be Pepsi Products.

**NO HOMEMADE BAKED GOODS ARE ALLOWED FOR RESALE ON CAMPUS.**
SECTION: FUNDING
TITLE: CLUB ACCOUNTS & CLUB DUES

CLUB ACCOUNTS:
- All clubs must use the UVU Banner Index Accounts [NO OFF-CAMPUS ACCOUNTS ARE PERMITTED]. For example, C10222 is a Banner Index Account that is provided to the club.

CLUB DUES:
- Club membership dues provide the necessary funds for club sustainability. The money should be used to purchase supplies for club meetings, events, activities, and/or pay fees or registration costs.
- The club presidency should determine the amount that will sustain the club for the year. The amount decided upon must be included in the annual registration and club constitution. In addition, members who pay club dues are more likely to participate in the club because of the investment they have made.
- Each club is required to charge each member a minimum of $5 per year in club dues. Every member is required to pay a club due in order to be an official paid member. Those that do not pay their club dues will be considered members, but not a paid member until they actually pay.
- Members may pay their club dues (cash, check or credit card) in the UVU Clubs Office, SL 122 or online at uvu.edu/clubs.
  - To pay club dues in the Clubs Office:
    - Go to the UVU Clubs Office, SL 122
    - Provide your contact info, the club name & amount
    - A receipt will be given to you via email, text or in person
  - To pay club dues online:
    - Go to uvu.edu/clubs
    - Select “PAY CLUB DUES”
    - Login to my.uvu.edu
    - Select club & enter in card information
- To reduce risk of liability, club officers, members and mentors are NOT allowed to collect club dues. Each member MUST pay their own dues.

COLLECTION OF DEPOSITS:
- All deposits [fundraisers, donations, etc.] will be required to be deposited through the UVU Clubs Office in SL 122.
- All money raised from events, such as admissions and ancillary sales, must be taxed due to the sales tax law, which is 7.25%. When depositing money from fundraisers at the office, please be aware of this policy.
SECTION: FUNDING
TITLE: USE OF CLUB FUNDS

ALL PURCHASES MUST BE PRE-APPROVED AND OBTAIN AN OFFICIAL EMAIL APPROVAL BEFORE ANY PURCHASE IS MADE. FAILURE TO DO SO WILL RESULT IN A VIOLATION. IF MULTIPLE VIOLATIONS ARE RECEIVED, THE CLUB WILL LOSE ALL PURCHASING PRIVILEGES. THERE ARE NO EXCEPTIONS TO THIS POLICY AS IT IS BASED OFF FEDERAL AND STATE LAW.

The following MUST be completed prior to the use of club funds:

1. Fill out and submit the PURCHASE APPROVAL REQUEST FORM two (2) weeks prior to purchase. This provides the necessary timeframe in case there is reason for further clarification, the processing of paperwork/invoices, office closures, including nights and weekends, and the high volume of requests.
2. Request one of the following purchasing methods: Purchase Order, Campus Budget Transfer (on-campus use only), Limited Purchase Check, Clubs Check Out Credit Card, Independent Contract Agreement Form (paying individuals), Check Request or credit card on Amazon.com.
3. Wait for the response from proper authority granting the approval for purchase.

Purchase Order (PO): Required for purchases over $1,500 and for any clothing items, promo products or awards.

- Complete the Purchase Approval Request Form at least 4 weeks in advance and select “purchase order.”
- Provide the Clubs Office with a price quote or proposal if NOT a clothing item, promo product or award. Do NOT place order at this time.
- Once approval has been obtained, the Procurement Office will assign a PO number and send it to the vendor.
- Following the issuance of a PO number, the club may officially place the order with the vendor.
- If it is a clothing item, promo product or award, it must go to bid:
  - Fill out the Purchase Approval Request Form and select “clothing, promotional items, swag items, bulk items, etc.” under the type of items to be purchased.
  - Please be as specific as possible to what items you would like to purchase
  - It will then go through a chain of approvals on Wolverine Marketplace before being submitted for bid. Once in the bidding system, companies who have a license with UVU can bid out the items.
  - Whatever company can get the exact items for the cheapest price, wins the bid.
  - Once a bid has been awarded, a PO number will be issued and given to the company.
  - We will then work with the company to finalize the details of your order.
- All clothing items MUST include the Clubs Office logo.
- DO NOT PLACE THE ORDER OR PICK UP ITEMS before receiving a Purchase Order Number. This will result in a violation with the purchasing office and will NOT guarantee payment to the vendor.
- All items must be shipped to the UVU Clubs Office.

Clubs registered (annual registration has been submitted to and approved by the UVU Clubs Office) for the current academic year have the opportunity to earn several different types of funding from the UVU Clubs Office. The following types of funding can be earned:

- **Club Registration Funds**- These funds are provided through the UVU Clubs Office to assist in basic start up and functioning expenses.
  - **If a club is registering for a second, third, etc. consecutive year:**
    - The amount of $100 will be awarded to each club who has submitted their annual registration by the Friday before Club Rush for fall semester.
  - **If a club is registering for the first time:**
    - The amount of $100 will be awarded to the club who has submitted their annual registration by the fourth Friday following the start of fall semester.
  - **If a club does not register for fall semester but registers for spring semester:**
    - The amount of $100 will be awarded to each club who has submitted their annual registration by the fourth Friday following the start of spring semester.

- **Mid Annual Report Funds**- This form is submitted during spring semester to keep the club charter current and to help our office further support the efforts of your club.
  - If a club submits a Mid Annual Report by the Friday before Club Rush for spring semester, they will be awarded the amount of $100.

  - **Club Rush**- The amount of $100 will be given to each registered club who participates in Club Rush for both days, all 4 hours each day.   - **Tables**- A club may spotlight their club by scheduling a table in the hallway to inform students about their club and to recruit students to join. **To request a table, please fill out a Scheduling Request Form.** Funds will be allocated once a month. In order for funds to be allocated to the club, the club must complete the Merit Money Request Form **PRIOR** to tabling, which is available at uvu.edu/clubs.
SECTION: FUNDING
TITLE: ADDITIONAL FUNDING

A club may apply to request additional funding provided by the UVU Clubs Office. These funds are to be used for club functioning costs, programs, events, or initiatives, etc. These funds are limited and are on a first come first serve basis, therefore the following items MUST be completed PRIOR to applying for these funds and MUST be completed during the semester in which the club is applying for Additional Funding.

Additional Funding Request Requirements:

- Fill out & submit the ADDITIONAL FUNDING REQUEST FORM available at uvu.edu/clubs
  - Funding requests are due the Friday before the last Thursday of each month
- Attend 75% of ICC (Inter Club Council) Meetings
  - Meetings are held up to 4 times a semester in which you must attend 3 out of the 4 to qualify.
- Complete a service project, which is separate from the fundraiser
  - Must have 6 club members participate.
- Hold a club fundraiser
  - The UVU Clubs Office will not grant more than the amount fundraised. For example, if the club raises $1,000, our office can only match up to $1,000. The full amount is not always matched.
- Have a positive or zero-dollar balance in your account and may not owe any businesses, campus entities, or outside organizations

Following the submission of the application, the UVU Clubs Office will verify the application, provide the information to the ICC President who will then contact the club to set up an Additional Funding Hearing. The club president and whomever he/she invites to participate will need to prepare and present a brief [7-10 minute] presentation summarizing the current activity of the club, what the requested funds will be used for, etc.

The presentation will be given to the ICC Funding Board. These hearings are held during the first week of every month and will be scheduled by the ICC President. A club may apply for Additional Funding once a semester during the fall [October-December] and/or spring [January-April] semester of the academic year. Additional Funding will not be offered during the Summer semester [May-August].
SECTION: FUNDING
TITLE: ADDITIONAL FUNDING (Cont.)

As of January 1, 2011:
When applying for additional funding, a club may use the following amounts to include in the requested amount:

- The total amount earned from a fundraiser sponsored by the club, including sponsorships [see definition below]. Funds being included on an Additional Funding Request must be raised within the semester in which the club is applying.

When applying for additional funding, the club **MAY NOT** include the following monetary sources in the requested total:

- Club Registration Funds
- Merit Money
- Club Dues
- Competitions [on and off campus]
- Donations [including donations from other campus departments; see definition below]

The approval of Additional Funding Requests is at the discretion of the ICC Administrative Board and will be determined based on the completion of requirements and funds available for allocation. The Funding Board is composed of the ICC President, four (4) Club Ambassadors, the Coordinator of Clubs, and one (1) Student at Large.

The UVU Clubs Office defines **“sponsorships”** as the following: Sponsorships are defined as an exchange of services between the club and a business. An example of this would be a club receiving a monetary donation from a business and in exchange the business logo would be displayed on a t-shirt, jersey, or banner that would be visible at club events.

The UVU Clubs Office defines **“donations”** as the following: A donation is defined as funds given to the club without any exchange of service, goods, etc. An example of this would be a friend, family, or community member contributing any financial amount to the club without receiving anything in return.
A club has the right to ask for donations from a friend, family member, community member or off-campus businesses as a way to help with their club functioning costs. In order to ask for a donation, please reach out to the Clubs Office [clubs@uvu.edu] to seek approval for the desired ask. Seeking approval ensures that the person and/or business is not already affiliated with UVU and that they're not already a large donor for the university.

Once approval has been given, each donor must fill out the Gift Transmittal Donation Form [found on the next page]. Money is accepted in the form of cash, checks or credit cards. If paying with a check, all checks must be written to the UVU Foundation and not the specific club. It is recommended that the club name be included in the memo section on the check. If an individual or business is making a donation in a form other than monetary [clothing, promotional products, food, etc.], the Gift Transmittal Donation Form must still be filled out.

After the donor has filled out the Gift Transmittal Donation Form, please turn in the form and donation to the UVU Clubs Office in SL 122. These forms will then be reviewed and turned into the UVU Foundation. All money will be transferred into the UVU banner index account for the club.

Policy 161: “University websites and digital signage are reserved for university organizations for university speech. However, 10 digital signage slots shall be reserved for registered student clubs to advertise meetings, fundraisers, service projects, or other events that are open to the entire student body. Registered student clubs must submit their signage to the UVU Clubs Office and comply with the digital signage procedures included in the UVU Clubs Handbook. The UVU Clubs Office shall post digital signage that complies with such procedures on a first-come, first-serve basis, up to the 10-slot limit. The UVU Clubs digital signage procedures shall be viewpoint neutral and shall not violate this policy.”

3. Once the 10-slot limit has been reached, we do not have the ability to post more digital signage until after the two-week time frame.
4. Only club sponsored events and/or activities are permitted to be advertised using digital signage. An event and/or activity is classified as a club meeting, service project, fundraiser, social event, etc. that is open to the entire student body to participate.

By following these guidelines, each club will continue to have an opportunity to be represented and publicize their events and/or activities on campus. Events and/or activities include club meetings, service projects, fundraisers, etc. that are open to the entire student body to participate. SECTION: TRAVEL
TITLE: OFF-CAMPUS TRAVELING

Clubs may encounter a time where they will be traveling in state or out of state. To ensure the club members safety, the club must follow the club's office procedures:

1. Fill out the Club Travel Authorization Request, which can be found on the club's website [uvu.edu/clubs].
   a. This form must be filled out at least one month prior to traveling.
   b. It must be completed for in state overnight and out of state travel.

2. In addition to filling out the travel authorization, every club member who will be traveling MUST fill out the Risk Management Waiver.
   a. This can be obtained from the Clubs Office or at https://www.uvu.edu/riskmanagement/forms/rwicforminfo.html.

3. Once a Club Travel Authorization Request has been filled out completely, the request will be reviewed by the Clubs Office and submitted to Concur (online travel system).
   a. By submitting authorizations in Concur, the campus is able to recognize the travel as official campus business and more effectively protect students in case of an emergency.

4. Once the club has received official approval, the club is required to have a travel meeting with the Clubs Coordinator PRIOR to traveling. During this meeting, each member traveling from the club must review, initial and sign a travel agreement. This serves as each individual's commitment to adhere to the departmental expectations for travel.

5. After the club has returned from traveling, all receipts must be submitted to the Clubs Office within 10 days. Please keep in mind that all receipts must be itemized and that no alcohol is allowed to be purchased.

When traveling, the club may use the Club Coordinators travel card for conference registration fees, hotel costs, flights and rental cars. During the trip, the club will have to pay for all other expenses such as gas, food, entertainment and other miscellaneous items.

If Fleet Vehicles are required for travel, please contact Fleet Services [801-863-8720] as soon as you know you'll be traveling and needing vehicles. This is to ensure proper use of the vehicles are maintained, campus policies are followed, and it helps our office to be aware of it.
SECTION: SAFETY
TITLE: RISK MANAGEMENT

For liability reasons, Utah Valley University does not permit high risk activities (hang gliding, outdoor survival courses, advanced mountain climbing, or hot air ballooning) to be held on Utah Valley University land or to be sponsored by University departments and groups. Individuals wishing to organize such activities on their own may do so, but are not permitted to use the Utah Valley University name with publicity or when dealing with vendors, participants or others.

Groups must consult with appropriate departments when large, unusual or potentially risky events are planned. In organizing such events, the planner may be assuming responsibility for the safety of participants and might be held personally liable in case of accidents.

All participants must have individual primary insurance. However, there are circumstances where a student organized event may assume more risk and may be required to purchase insurance or certain waivers for such events. Potential risk situations include:

- Large commercial events, such as concerts, fairs and large-scale athletic events.
- Events that have off-campus cosponsors. Such events must be insured either by the student club or the co-sponsor, preferably by the off-campus sponsor.
- Outdoor events (inclement weather can stop the event, but not the bills).
- Any student organization-sponsored trip/outing.
- Physical activities such as trampolines, mud volleyball, jumping, flipping, etc.

If you are a participant in a club (i.e. Hip Hop Club, Aikido Club, Climbing Club, etc.) where any kind of risk is involved, each member should fill out a risk management waiver for each year they are participating with the club. Any other organization or club who will assume any risk with their activities, must also complete a risk management waiver before holding any events/activities.

Waivers may be obtained from the UVU Clubs Office [clubs@uvu.edu] or by going to the UVU Risk Management website, uvu.edu/riskmanagement/forms/rwicforminfo.html. These forms will first be turned into the UVU Clubs Office and then turned into the Risk Management Office to be kept on file. If your club has any questions pertaining to Risk Management, please call 801-863-8245 or email riskmanagement@uvu.edu.

TITLE: PUBLIC SAFETY  

Campus Fire Marshal  
Justin Sprague  
(801) 863-8021  
Justin.sprague@uvu.edu

Fire Safety:  
- Site plans for outdoor events need to be set up to ensure fire department access and compliance with related code requirements.  
- Specially built structures in or outside the venue (tents, props, stages, or other large equipment) must be approved.  
- Use of electrical equipment and generators. Use of smoke generator must be pre-approved for limited use due to the false alarms they can cause on the automatic smoke detection systems.

Special decorations, equipment, etc. must be inspected prior to the event to ensure they meet the flame-retardant requirements. Clearance around exits and fire protection equipment and open fires, cooking booths or barbecues must also be inspected.

Plans must be submitted to the Fire Marshall seven [7] days in advance. Inspection requests must occur three days in advance.

On-Campus Police:  
Contact Public Safety (801-863-5555) at least four [4] weeks in advance for events that meet any of the following:

- Expected attendance of more than 250 people  
- Will be advertised off campus via ads, flyers or invitations  
- Involves parking for off-campus visitors  
- Involves special circumstances or support, such as delivery trucks, high-profile speakers/artists

Additional security for events may incur additional fees and costs.
Alcohol

First, it is important for student leaders to know and follow the University’s policy on alcohol and controlled substances. Specifically, it is the policy of Utah Valley University to maintain a drug-free workplace and campus. The unlawful manufacture, distribution, dispensation, possession and/or use of controlled substances or the unlawful possession, use or distribution of alcohol is prohibited on the Utah Valley University campus, in the workplace or as a part of any of the University’s activities.

The workplace and campus are presumed to include all Utah Valley University premises where the activities of the University are conducted. Violation of this policy may result in disciplinary sanctions up to and including terminations of employment or expulsion of students. Violations may also be referred to the appropriate authorities for prosecution. Second, student group leaders should be aware of any alcohol policy that relates to their group activities.

Hazing

Hazing is prohibited by state law and University policy.

A student assumes the responsibility to conduct himself/herself in an appropriate manner. Categories of misconduct that are not considered responsible behavior include, but are not limited to the following:

- Failure to respect the right of every person to be secure and protected from fear, threats, intimidation, harassment, hazing and/or physical harm caused by the activities of groups or individuals.
- Sexual assault, harassment, or any other unwelcome verbal or physical sexual activity, including the support or assistance of such activities.

There will be consequences to any club and/or students found to have violated hazing laws or University policy. Sanctions may include loss of its status as a recognized student club. In addition, individuals alleged to have engaged or participated in hazing or committed any hazing act may be referred to the Student Conduct Office for disciplinary action.
Lotteries, Raffles and Free Drawings
The distribution of prizes or gifts by chance where money is exchanged is against University policy and state law, and therefore prohibited. Drawings cannot be held as fundraising events. However, free drawings may be held if:

- All persons who request a ticket are accommodated; and
- Participants are not required to donate money to obtain a ticket for the drawing; and
- Clear instruction as to whether or not the ticket holder needs to be present in order to win.

Noise
Since Utah Valley University is a residential community, everyone has a responsibility to moderate noise. University policies on noise are based upon local ordinances. Current guidelines include:

- Amplified sound is not permitted during class hours in areas that could disturb classes
- It shall be unlawful for any person to maliciously or willfully disturb the peace and quiet of another by loud or unusual noise or by tumultuous conduct or by threatening or yelling in a manner likely to incite another to violence
- All entertainment activities in or adjacent to residential zones with sounds that unreasonably disturbs or interferes with the peace, comfort or repose of the owners must be curtailed between the hours of 10:30 p.m. and 7:00 a.m. -City of Orem Criminal Offenses 9-2-9, Ord. No. 661
- For indoor events, only open windows and doors that face away from neighbors who are likely to be disturbed
- Distribute a flyer beforehand to neighbors likely to be disturbed with the date and time of the event and a phone number and contact person whom neighbors can call before calling the police

Copyright
A copyright is the set of exclusive legal rights that authors have to protect how their work is used. These rights include copying, distributing or performing any part of another’s work or intellectual property. An author’s rights begin when a work is created and considered copyrighted even without a copyright mark. All clubs must adhere to the copyright law. Activities which bring copyright law into play would include showing a movie, producing a play, playing audio recordings or reprinting pieces from published works, including photographs. Generally, you must secure permission from the author or publisher before presenting copyrighted material; however, there are several educational exceptions. Please contact the Clubs Office for assistance in determining whether permission is necessary and how to seek it.

TITLE: MEMBER RECRUITMENT AND RETENTION IDEAS

How to Find Them:
There are several venues for club member recruitment. The following list includes some ideas:

- Friends and acquaintances
- Set up tables in the hallways, at events and at orientation
- Call last years’ club members to see if they want to be involved again
- Tell your club members to bring a friend to the next meeting
- Set up a meeting with an on-campus department that has a similar mission

How to Motivate and Thank Them:
You have a responsibility to keep your club members involved and motivated. They must know and feel that they are making a significant contribution. You should help them see where their task fits into the big picture; help them see that their role is essential. Remember that all people are motivated by something...your job is to figure out what it is for each individual.

Make sure that:
1. They have had adequate training and understand how to do their task.
2. They have the given tools or resources needed to accomplish it.
3. They have confidence in their ability to perform.
4. They have a vision of how successful their program can be.
5. They are given significant responsibility.
6. They know they are a valuable part of making the program a success.

You should always be appreciative of the service that your volunteers are providing.

How to Hold Them Accountable;
1. Clearly communicate expectations for your club members in specific terms.
2. Make sure they are willing to abide by the set guidelines.
3. Reiterate often your expectations if problems arise, you should remind them of their commitment to the expectations.
4. Have stewardship meetings weekly to follow up with assignments and discuss learning experiences.
Additional Club Member Recognition Tips:

1. Put an article about the volunteer in the UVU Review, their college alumni publication, and their business newsletter.
2. Acquire special discount coupons from local movie theaters, restaurants, etc.
3. Offer “Club Member of the Month” Awards.
4. Use social media where tips and reminders for the club can be posted, as well as any recognition – maybe their pictures and list their accomplishments.
5. Offer club members the chance to attend UVUSA trainings and retreats.
6. Offer special training for club members wanting more responsibility.
7. Offer free meals (provided through club funds) to club members where catering is part of services.
8. Send personalized “Thank you for sharing your loved one with us” notes to parents, spouse, or children of the club member.
9. Invite skilled club members to train other club members.
10. Leave treats at the club member work site.
11. Keep track of birthdays and send personalized notes.
12. Write a letter to the club member’s place of employment, telling them of the good job the club member is doing.
13. Put up a club member suggestion box
14. Plan annual ceremonial occasions, luncheons, etc.
15. Invite club members to staff meetings.
16. Offer letters of recommendation when the volunteer is applying for employment.
17. Plan a recognition edition of the campus newspaper.
18. Invite key club members to work on your speaker’s bureau, community events, etc.
19. Use a letter to the editor as a way of thanking the club member.
20. Don’t forget to honor and recognize your board or advisory council as volunteers.
21. Take outstanding club members out to lunch one by one.
22. Invite the club member’s spouse to recognition events.
23. Have a club member reception where volunteers can come and bring their families to show them where they gave their time.
24. Send a written thank you note after a volunteer has finished a big project.
25. Encourage volunteers to apply for leadership positions when available.
Planning with a Purpose

When the “Planning with a Purpose” model is used in programming, all phases of planning are simplified. The principles behind this model are that when utilized, it will keep all planning stages for the program focused on the original intention and vision. You will plan an event based on student needs rather than merely planning a fun event. This model is used to write a through proposal for your event.

The steps of the model are as follows:

1. **Answer the question: Who is this event for, what do we want to have happen?**
   This is the beginning phase of your program vision. There will already be a vision for the program in general, your responsibility is to develop a vision for your program, this year. Another way to look at this is what do you want the students who attend your event to leave with?

2. **Delineate objectives.**
   Your objectives will be your focal points for this program. Objectives are fairly general. Some examples: unity, involvement, safety, fun, awareness, and friendship.

3. **Determine your goals.**
   Once your objectives are clear, you should set measurable and realistic goals according to your objectives. If safety is one of your objectives, a goal might be, “we will not have any injuries for which we are responsible during this event.”

4. **Implementation.**
   This is the most vital part of your planning. The implementation portion of your proposal is extremely specific. If your entire committee were to disappear from the planet, anybody should be able to take this part of your proposal and run the program how you planned it to happen. This part includes places, times, advertising, catering, etc.

5. **Budget and Approval.**
   You will be given a budget for your event. It is your responsibility to make your event happen within the set confines. The budget portion of your proposal is based on phone calls to companies (both on and off campus) for price estimates. The estimates should be nearly exact. The cost of each unit/hour, etc., and where the item will be purchased must be included. Create a list of ALL items needed for the event and publicity for the event, submit the Purchase Approval Request Form, and the UVU Clubs Office will process it on for the appropriate approvals.

6. **Evaluation.**
   The evaluation portion of a proposal is the third part of the values-goals equation. Each goal that you have set will be mentioned in this part. This is an accountability report of your program and determines whether or not you met your goals. You should have a plan to evaluate your goals.
