TITLE: UNIVERSITY PURPOSE & OBJECTIVES

Clubs connects students to Utah Valley University in a unique way. Participation in a club reflects each student's individual interest, hobby, professional aspirations, and/or academic desires while allowing the students to be involved on the level that they are most comfortable.

Housed within the Department of Student Leadership and Involvement, the Clubs Office works with over 100 clubs on campus providing opportunities that complement the classroom experience by promoting student involvement, enhancing leadership skills, and preparing students to take on active societal roles within their communities. Many clubs receive University, local, and national recognition. Students are encouraged to join an existing club or start new club. Clubs are a great way to connect with other people on campus and explore individual passions.

Clubs are categorized into the following areas:

- **Academic:** A club with an educational purpose, often seeking to share information related to a specific topic or field of interest. These clubs prepare club members for the professional workforce or schooling beyond their bachelor's degrees and can often be aligned with classes and/or departments already offered at UVU.
- **Athletic & Recreational:** A non-competitive sports team or group that provides students a chance to engage in their favorite athletic/recreational activity with others.
- **Ethnic & Cultural:** A club that typically holds meetings or events to promote diversity/inclusivity and help others understand different cultures. Even though these clubs offer support to specific groups on campus, club membership is not limited to any particular racial, ethnic, or cultural population.
- **Performing Arts & Media:** A club that performs, practices, and/or creates as a form of communication and expression.
- **Service:** A club that places emphasis on contribution to UVU, the community, or world through active service and volunteerism.
- **Social:** A club that seeks to find commonality by sharing unique hobbies, interests, or skills with others.
- **Social Awareness & Political:** A club that desires to provide a place for members to discuss topics of interest relevant to them, serve as a support group, or advance social and political interests that affect UVU and/or the community as a whole.
- **World View:** A club that serves as a safe haven and place of comfort for students who share similar beliefs, ideologies, and worldviews or who are exploring new aspects of religion and spirituality.

Utah Valley University defines a **"Club"** as:

A student-led group with a common interest or goal with at least six members where 75% of the members are currently enrolled UVU students that complies with University registered club requirements, including but not limited to having a lawful purpose, registering the club, having a club constitution, having a president who is a full-time UVU student, etc. Registered student clubs are at a minimum funded by club fundraisers and merit money and additional funding allocated by Inter-Club Executive Board.

Utah Valley University defines an **"Organization"** as:

A student group that is sponsored and ran by an on-campus department/unit. Leadership selection and monetary resources are solely provided by the department and not by the UVU Clubs Office.

**The UVU Clubs Office connects student clubs to campus organizations but beyond that, has no jurisdiction. If you are a "club" wanting to become an "organization," a campus department will need to facilitate its creation and accept sole responsibility for the elements of the student group. Please see page 11 to learn more.

SECTION: REGISTRATION

TITLE: MENTOR RESPONSIBILITY

A club presidency has the option to select a Club Mentor, however, it is no longer a requirement to have a club advisor. A Club Mentor is someone who will support, offer advice, and give help when asked or needed. Club Mentors are to be selected by the student officers of the club.

Please understand that the purpose of a mentor is to help develop leadership skills and build community connections for the student club you are assigned and **NOT** to govern or run the club. The mentor is not permitted to schedule events, make purchases, or other functions facilitated by the Clubs Office.

As a mentor, you must complete and submit the CLUB MENTOR ACKNOWLEDGMENT form, located at uvu.edu/clubs >> Club Forms, annually when the club re-registers or a new club is formed. This form is required to verify your supervisor is aware and approves of you mentoring a club and notifies our office of additional support and resources for the club. The minimum requirements and expectations for the involvement of a club mentor are as follows:

Mentor Requirements:

- You must complete the CLUB MENTOR ACKNOWLEDGMENT form when the club submits their annual registration.
- You must be a full-time exempt employee.
- Your employment at UVU should always be your priority and come first before any involvement with a club.
- Your immediate supervisor must approve you being a club mentor. They will receive an email notifying them of your participation as a club mentor.

Mentor Expectations:

- A club mentor must be willing to comply with the UVU Clubs Handbook and Procedures.
- A club mentor must be willing to allow the students to organize and run the club, and be willing to instead mentor and advise, as explained above.
- A club mentor does not have any oversight of the finances including the management of the club's budget (index account), purchase approvals, club funds, travel costs, or other financial forms.
- A club mentor should not be planning club events or meetings, schedule facilities, or collect dues for the club.
- If you become aware of violations by the club or its members of the UVU Clubs Handbook of Procedures, the UVU Student Code, UVU's Title IX/Sexual Misconduct Policy (UVU Policy 162), UVU's Discrimination Policy (UVU Policy 165), or any financial concerns, please notify the Clubs Office of such concerns immediately.

SECTION: REGISTRATION

TITLE: NAMING YOUR CLUB

When creating a name for your club, it should explain the club's purpose. In addition, to protect the club's first amendment rights the club can only use Utah Valley University or UVU as a location of the club and it will need to comply with the following rules and guidelines:

1. If you desire to use Utah Valley University in your club name, you may **ONLY** use it to express the geographical location of the club:

Prohibited Example: Utah Valley University Twilight Fan Club

Approved Example: Twilight Fan Club at Utah Valley University

The club's email address and social media handles must follow the same guidelines:

Prohibited Example: UVUOneDirectionFanClub@uvu.edu or @UVUOneDirectionFanClub

Approved Example: OneDirectionFanClubUVU@uvu.edu or @OneDirectionFanClubUVU

2. The club's name should not infringe the copyright of another organization, unless the organization holding the name has given permission for the name to be used:

Prohibited Example: Harry Potter Club at UVU

Approved Example: Harry Potter Fan Club at UVU

Things to know:

- A new club may not duplicate the name of an existing UVU club, organization or department or choose a name that is similar or closely related. By doing so, this could create confusion or conflict among members on campus.
- The name of the club must be in good taste.
- The Clubs Office reserves the right to deny the name of any club.
- If a club becomes an organization and is run and governed by a department cannot have "club" in their name.
- It is recommended that a club waits to create any social media handles until the registration of the club is approved.

SECTION: REGISTRATION

TITLE: BENEFITS & PRIVILEGES OF REGISTERING A CLUB

- Individual club Connect page, which provides the club with resources including forms, a place to store files, mass messaging, public calendaring, leadership tracking, e-portfolios, etc.

SECTION: FUNDING

TITLE: CLUB ACCOUNTS & CLUB DUES

Club Financial Accounts: All registered clubs will be assigned and must use their UVU Banner Index Account (UVU's financial system). **OFF-CAMPUS FINANCIAL ACCOUNTS ARE NOT PERMITTED.**

Things to know:

- A club's Banner Index Account will be provided by the Clubs Office.
- Clubs should track their expenses and deposits. Some debits can take several weeks to post in a club's Banner Index so it's beneficial to keep your own record, so you have a real time accounting of the club's finances.
 - The Clubs Office can provide a Budget Tracking sheet to help clubs manage their funds.
- Clubs with a negative balance in their account, will not be allowed to make purchases.

Club Dues: Club membership dues provide the necessary funds for club sustainability. The money should be used to purchase supplies for club meetings, events, activities, and/or pay fees or registration costs.

Things to know:

- The club presidency should determine the amount that will sustain the club for the year. The amount decided upon must be included in the annual registration and club constitution. In addition, members who pay club dues are more likely to participate in the club because of the investment they have made.
- Clubs are not required to charge club membership dues, but it is highly encouraged.

Paying Dues: All members paying their dues **MUST** pay in the Clubs Office, SL 122, or online at uvu.edu/clubs and click on "Pay Club Dues".

Things to know:

- To reduce risk of liability and accusations of theft, club officers, members, and mentors are **NOT** allowed to collect club dues. Each member **MUST** pay their own dues.

To Make Payments in the Clubs Office:

- Go to the UVU Clubs Office, SL 122.
- Provide your contact info, the club name, and amount.
- A receipt will be given to you via email, text, or in person.

To Make Payments Online:

- Go to uvu.edu/clubs
- Select "PAY CLUB DUES"
- Login to my.uvu.edu
- Select club and enter in card information

SECTION: FUNDING

TITLE: CLUB ACCOUNTS & CLUB DUES CONTINUED

Collection of Funds: All money collected (fundraisers, donations, etc.) is required to be deposited through the Clubs Office in SL 122.

Things to know:

- All money raised from events, such as admissions and ancillary sales, must be taxed due to the sales tax law, which is 7.25%. When depositing money from fundraisers at the office, please be aware of this policy and factor it out of your budget when tracking it.

SECTION: FUNDING

TITLE: FUNDING SOURCES

Clubs registered and approved by the ICC Executive Board for the current academic year can earn several different types of funding from the Clubs Office. These funds include:

Club Registration Funds:** These funds are provided by the Clubs Office to assist in basic start up and functioning expenses.

Fall Semester:

- **If a club is registering for a second, third, etc. consecutive year:**
 - The amount of \$100 will be awarded to each club who has submitted their annual registration by the **Friday before Club Rush** for fall semester.
 - If a club does not complete a service or civic engagement activity during the last semester, they were active, they will receive half of the awarded amount.
- **If a club is registering for the first time:**
 - The amount of \$100 will be awarded to the club who has submitted their annual registration by the **fourth Friday following the start of fall semester**.

Spring Semester:

- **If a returning club does not register for fall semester but registers for spring semester:**
 - The amount of \$100 will be awarded to each club who has submitted their annual registration by the **Friday before Club Rush** for spring semester.
 - If a club does not complete a service or civic engagement activity during the last semester, they were active, they will receive half of the awarded amount.
- **If a club is registering for the first time:**
 - The amount of \$100 will be awarded to the club who has submitted their annual registration by the **fourth Friday following the start of spring semester**.

SECTION: FUNDING

TITLE: FUNDING SOURCES CONTINUED

Mid Annual Report Funds:** Funds awarded for completion of the MID ANNUAL REPORT. This form is submitted during spring semester to keep the club registration current and to help our office further support the efforts of your club.

- If a club submits a MID ANNUAL REPORT by the **Friday before Club Rush** for spring semester, they will be awarded the amount of \$100.
- The club will also be registered for spring Club Rush via the MID ANNUAL REPORT and will not need to complete the CLUB RUSH REGISTRATION form.
- If a club does not complete a service or civic engagement activity during the last semester, they were active, they will receive half of the awarded amount.

Club Rush Funds: Club Rush is a two-day event that happens at the beginning of the fall and spring semesters and is an opportunity for clubs to promote themselves and recruit new members.

- Clubs wanting to participate in Club Rush must complete the CLUB RUSH REGISTRATION form by the **Friday before Club Rush**.
- The amount of \$100 will be given to each registered club who participates in Club Rush for four (4) hours each day. The Clubs Office will record attendance every hour each day, which will determine if the club receives \$100 for participating. This will automatically be awarded to each eligible club.

One-on-One Ambassador Meeting Funds: One-on-one meetings with the club's ambassador builds connection to the Clubs Office, teaches clubs about resources, and allows time of the club to ask questions.

- Email or send a Teams message to your club ambassador with the date and time you would like to meet.
- Once the meeting has concluded, your ambassador will complete a one-on-one meeting form reviewed by the coordinators.
- Each club participating will receive \$25 for per meeting up to two (2) meetings a semester.
- Funds will be deposited once a month.

**Funds will not be requested for allocation to the club account until the registration deadline has passed. Please allow one month for the collection of information, submission to the UVU Business Office, and transferring of money to happen.

SECTION: FUNDING

TITLE: FUNDRAISING & DONATIONS

There are several ways clubs can receive money beyond funding sources provided from the Clubs Office. Clubs at UVU are encouraged to plan and implement fundraisers to meet the needs and functions of their club for the year. Additionally, clubs have the right to ask for donations from a friend, family member, community member, or off-campus businesses to help with club costs.

Fundraising: Because of limited campus funds, club fundraisers provide the club with necessary money for goals and initiatives. When planning a fundraiser, to prevent campus or legal violations there are a few steps that must occur before the club will be permitted to hold their event.

Things to know:

- Fundraisers can be held on campus if they are not in direct competition with the Bookstore or Dining Services.
 - The selling of baked goods is not permitted on campus.
- Avoid fundraisers where you are required to pay high costs upfront. These situations can have a monetarily negative effect on your club's finance account.
- Clubs selling items (i.e.: shirts, admission tickets, food, etc.) will need to charge 7.25% in sales tax to the purchaser or it will come out of the club's total sales when the Clubs Office deposits the money into the club account.
- If your club receives money or goods from a business because of work, advertising, etc. it is considered an in-kind donation and not a fundraiser.

Donations: A donation is defined as funds given to the club without any exchange of service, goods, etc. An example of this would be a friend, family, or community member contributing any financial amount to the club without receiving anything in return. There are several types of donations. Please see the varying type and specific instruction below.

Type:	Things to Know:
Business Donations: When a club asks a business to give them money for a club event, service project, or purchase.	<ul style="list-style-type: none"> • Get approval before you ask a person or business for a donation to ensure they are not already affiliated with UVU and that they're not already a large donor for the university. <ul style="list-style-type: none"> ○ Some businesses are only allowed to give to an organization once a year. • When you receive a donation, the check must be made out to the UVU Foundation along with the Gift Transmittal/Donation form.
General Donation: Clubs can direct donors to the Clubs Office website where they can make a one-time or perpetual donation to the club using their credit or bank card.	<ul style="list-style-type: none"> • Clubs can send donors to the Clubs donation page any time. <ul style="list-style-type: none"> ○ Donors can select 'Other' and type in the club's name. • Donors can make a one-time donation or a perpetual donation.
UVU Crowdfunding Campaign: When a club is raising money for a specific purpose and within a defined amount of time, using the UVU Crowdfunding site could help clubs reach their goals.	<ul style="list-style-type: none"> • Crowdfunding campaigns are only allowed through UVU's site.

SECTION: SAFETY

TITLE: RISK MANAGEMENT

High Risk Activities: For liability reasons, Utah Valley University does not permit high risk activities (hang gliding, outdoor survival courses, advanced mountain climbing, or hot air ballooning) to be held on Utah Valley University land or to be sponsored by University departments and groups. Individuals wishing to organize such activities on their own may do so but are not permitted to use the Utah Valley University name with publicity or when dealing with vendors, participants or others.

Groups must consult with appropriate departments when large, unusual or potentially risky events are planned. In organizing such events, the event planner from the club may be assuming responsibility for the safety of participants and might be held personally liable in case of accidents.

All participants must have individual primary insurance. However, there are circumstances where a student organized event may assume more risk and may be required to purchase insurance or certain waivers for such events.

Potential situations considered high risk include:

- Large commercial events, such as concerts, fairs and large-scale athletic events.
- Events that have off-campus co-sponsors. Such events must be insured either by the student club or the co-sponsor, preferably by the off-campus sponsor.
- Outdoor events (inclement weather can stop the event, but not the costs associated with the event).
- Any student organization-sponsored trip/outing.
- Physical activities such as trampolines, mud volleyball, jumping, flipping, etc.

Activity Participation Agreement Forms: Clubs with inherent risk, need to submit forms annually. Waivers may be obtained from the UVU Clubs Office (clubs@uvu.edu) or by going to the UVU Office of Risk Management website: uvu.edu/riskmanagement/forms >> Activity Forms >> Risk Waiver for Adults - ACTIVITY PARTICIPATION AGREEMENT.

Things of know:

- Each member must fill out an ACTIVITY PARTICIPATION AGREEMENT each year they participate with the club (i.e. Hip-Hop Club, Aikido Club, Climbing Club, etc.) where any kind of risk is involved.
- Any other organization or club who will assume any risk with their activities, must also complete a risk management waiver before holding any events/activities.
- These forms need to be turned into the Clubs Office.
 - The Clubs Office will forward the signed documents to the Office of Risk Management.
 - If your club has any questions pertaining to Risk Management, please call 801-863-8245 or email riskmanagement@uvu.edu.

Special decorations, equipment, etc. must be inspected prior to the event to ensure they meet the flame-retardant requirements. Clearance around exits and fire protection equipment and open fires, cooking booths or barbecues must also be inspected.

Campus Fire Marshal

SECTION: CAMPUS POLICIES

TITLE: CRITICAL POLICIES

First, it is important for student leaders to know and follow the University's policy on alcohol and controlled substances. Specifically, it is the policy of Utah Valley University to maintain a drug-free workplace and campus. The unlawful manufacture, distribution, dispensation, possession and/or use of controlled substances or the unlawful possession, use or distribution of alcohol is prohibited on the Utah Valley University campus, in the workplace or as a part of any of the University's activities.

The workplace and campus are presumed to include all Utah Valley University premises where the activities of the University are conducted. Violation of this policy may result in disciplinary sanctions up to and including terminations of employment or expulsion of students. Violations may also be referred to the appropriate authorities for prosecution. Second, student group leaders should be aware of any alcohol policy that relates to their group activities.

Hazing:

Hazing is prohibited by state law and University policy.

- Failure to respect the right of every person to be secure and protected from fear, threats, intimidation, harassment, hazing and/or physical harm caused by the activities of groups or individuals.
- Sexual assault, harassment, or any other unwelcome verbal or physical sexual activity, including the support or assistance of such activities.

There will be consequences to any club and/or students found to have violated hazing laws or University policy. Sanctions may include loss of its status as a recognized student club. In addition, individuals alleged to have engaged or participated in hazing or committed any hazing act may be referred to the Student Conduct Office or Campus Police for disciplinary action.

- For indoor events, only open windows and doors that face away from neighbors who are likely to be disturbed
- Distribute a flyer beforehand to neighbors likely to be disturbed with the date and time of the event and a phone number and contact person whom neighbors can call before calling the police

Copyright:

A copyright is the set of exclusive legal rights that authors have to protect how their work is used. These rights include copying, distributing or performing any part of another's work or intellectual property. An author's rights begin when a work is created and considered copyrighted even without a copyright mark. All clubs must adhere to the copyright law. Activities which bring copyright law into play would include showing a movie, producing a play, playing audio recordings or reprinting pieces from published works, including photographs. Generally, you must secure permission from the author or publisher before presenting copyrighted material; however, there are several educational exceptions. Please contact the Clubs Office for assistance in determining whether permission is necessary and how to seek it.

TITLE: MEMBER RECRUITMENT AND RETENTION IDEAS

How to Find Them: There are several venues for club member recruitment. The following list includes some ideas:

- Ask friends and acquaintances.
- Set up tables in the hallways, at events and at orientation.
- Call last years' club members to see if they want to be involved again.
- Tell your club members to bring a friend to the next meeting.
- Set up a meeting with an on-campus department that has a similar mission.
- Ask the Clubs Office if you can do an Instagram take-over of their account.

How to Motivate and Thank Them: You have a responsibility to keep your club members involved and motivated. They must know and feel that they are making a significant contribution. You should help them see where their task fits into the big picture; help them see that their role is essential. Remember that all people are motivated by something...your job is to figure out what it is for each individual.

Make sure that:

- They have had adequate training and understand how to do their task.
- They have the given tools or resources needed to accomplish it.
- They have confidence in their ability to perform.
- They have a vision of how successful their program can be.
- They are given significant responsibility.
- They know they are a valuable part of making the program a success.

You should always be appreciative of the service that your volunteers are providing.

How to Hold Them Accountable:

- Clearly communicate expectations for your club members in specific terms.
- Make sure they are willing to abide by the set guidelines.
- Reiterate often your expectations if problems arise, you should remind them of their commitment to the expectations.
- Have stewardship meetings weekly to follow up with assignments and discuss learning experiences.

TITLE: EVENT PLANNING CHECKLIST

Planning with a Purpose

When the “Planning with a Purpose” model is used in programming, all phases of planning are simplified. The principles behind this model are that when utilized, it will keep all planning stages for the program focused on the original intention and vision. You will plan an event based on student needs rather than merely planning a fun event. This model is used to write a through proposal for your event.

The steps of the model are as follows:

Answer the question: Who is this event for, what do we want to have happen?

This is the beginning phase of your program vision. There will already be a vision for the program in general, your responsibility is to develop a vision for your program, this year. Another way to look at this is what do you want the students who attend your event to leave with?

Delineate objectives.

Your objectives will be your focal points for this program. Objectives are fairly general. Some examples: unity, involvement, safety, fun, awareness, and friendship.

Determine your goals.

Once your objectives are clear, you should set measurable and realistic goals according to your objectives. If safety is one of your objectives, a goal might be, “we will not have any injuries for which we are responsible during this event.”

Implementation.

This is the most vital part of your planning. The implementation portion of your proposal is extremely specific. If your entire committee were to disappear from the planet, anybody should be able to take this part of your proposal and run the program how you planned it to happen. This part includes places, times, advertising, catering, etc.

Budget and Approval.

You will be given a budget for your event. It is your responsibility to make your event happen within the set confines. The budget portion of your proposal is based on phone calls to companies (both on and off campus) for price estimates. The estimates should be nearly exact. The cost of each unit/hour, etc., and where the item will be purchased must be included. Create a list of ALL items needed for the event and publicity for the event, submit the Purchase Approval Request Form, and the UVU Clubs Office will process it on for the appropriate approvals.

Evaluation.

The evaluation portion of a proposal is the third part of the values-goals equation. Each goal that you have set will be mentioned in this part. This is an accountability report of your program and determines whether or not you met your goals. You should have a plan to evaluate your goals.
