TERMS

This Volunteer Agreement (the “Agreement”) is entered into as of the last signature date below, by and between Utah Valley University, a body politic and corporate of the State of Utah (“UVU”), and Volunteer.

Prevailing Language. The English language version of this Agreement shall be controlling in all respects and shall prevail in case of any inconsistencies with translated versions, if any. Any other language versions of this Agreement are provided for convenience only.

Volunteer acknowledges that this Agreement contains, among other provisions, the following contractual terms: an assumption of risk, a covenant not to sue, a release of the Volunteer’s claims, and indemnification obligations. Volunteer represents that Volunteer is 18 years of age or older and is fully competent and authorized to sign this Agreement. In consideration for the opportunity to volunteer in the Activity at UVU, Volunteer, for Volunteer, and for its respective heirs, personal representatives, and assigns, agrees as follows:

Term. Volunteer agrees and acknowledges that the volunteer service in the Activity and this Agreement will be effective from _____ to _____ (“Term”). At the end of the Term, Volunteer agrees and acknowledges that participation in the volunteer Activity will cease and Volunteer will no longer be permitted access to UVU facilities as a volunteer.

Employment. Volunteer agrees and acknowledges that as a UVU volunteer, Volunteer will not be a UVU employee. Volunteer agrees and acknowledges that UVU and Volunteer both have the right to end the volunteer relationship with UVU at any time, for any reason, and without advance notice. Volunteer also agrees and acknowledges that Volunteer is not entitled to any consideration, wages, benefits, insurance (including but not limited to health and workers’ compensation), promise of future employment, or other compensation, for the time and services Volunteer provides to UVU as a volunteer. Volunteer agrees and acknowledges that even if UVU provides Volunteer with financial support or assistance for time and services as a volunteer (e.g. stipends, reimbursements), it does not change Volunteer’s status as a volunteer. Lastly, Volunteer consents to UVU conducting a background check (e.g. sex and violent offender registry check, and motor vehicle records) depending on the length and nature of Volunteer’s participation in the Activity.

Confidentiality. Volunteer acknowledges that while serving as a volunteer, Volunteer may be provided with or have access to UVU confidential information and/or proprietary information. Such information may include but is not limited to research data, results, reports, analyses, student and student-related information, methods of operation, trade secrets, training materials, policies, protocols, and procedures (administrative, research, and clinical), budgeting, staffing needs, databases, marketing information, equipment capabilities, fee schedules, and other proprietary, business, financial and other information connected with or related to UVU that is not generally known to the public (collectively, “Confidential Information”). Volunteer shall take all necessary steps to protect any Confidential Information that it may receive. Volunteer shall not permit the unauthorized access, use or disclosure of any Confidential Information to any third party except as required by applicable law. This provision shall survive the termination or expiration of this Agreement.

Compliance with Policy and Directions. Volunteer shall comply with all UVU policies, rules, and regulations applicable to Volunteer's presence at the University. Volunteer shall follow the directions and guidance of the department, any supervisor and/or UVU representative directing Volunteer's participation in the Activity. Volunteer shall follow any schedule established in connection with Volunteer's participation in the Activity. **If the Activity requires Volunteer to interact with minors, Volunteer shall comply with the attached "Statement of Acknowledgment for Volunteers Working with Minors at Utah Valley University," which is hereby incorporated by reference into this Agreement.**

Assumption of Risk. Volunteer represents that Volunteer is qualified, in good health, and in proper physical condition to volunteer in the Activity. Volunteer acknowledges and understands that the Activity may include but is not limited to the following: physical activities (e.g., running, jumping, climbing); physical exertion such as lifting or moving heavy objects; spending extended periods of time outdoors being exposed to the elements (sun, wind, rain); travel to and from the Activity; and consumption of food and/or beverage. Volunteer acknowledges and understands that Volunteer may be exposed to certain risks that are inherent in volunteering in the Activity. These risks may include but are not limited to such things as incidents related to the above-mentioned activities, including sprains, broken bones, cuts, bruises, entrapment, temporary or permanent disability, illness, personal injury, and/or death; adverse weather conditions; exposure to theft and other criminal activity; allergic reactions to food and drink items; other physical, mental, and emotional injury; other risks and dangers, whether known or unknown nor reasonably foreseeable. **Volunteer knowingly and voluntarily, accepts, and assumes responsibility for each of these risks and dangers, and all other risks and dangers that could arise out of, or occur during, Volunteer's participation in the Activity.**

Covenant Not to Sue: Volunteer agrees that it will not commence any legal action or lawsuit or otherwise assert any legal claim against UVU or its trustees, officers, directors, employees, and agents seeking relief for any claim, whether or not such claim is released or waived under this Agreement. This provision shall survive the termination or expiration of this Agreement.

Indemnification: Volunteer agrees to indemnify and hold UVU and its trustees, officers, directors, employees, and agents harmless from any and all claims, actions, suits, procedures, costs, expenses, damages and liabilities, including attorney's fees, arising out of Volunteer's participation in the Activity and to reimburse UVU for any such expenses incurred. This provision shall survive the termination or expiration of this Agreement.

Release of Claims: Volunteer releases and fully discharges UVU, including its trustees, officers, agents, and employees, from any and all claims or causes of action that may be brought by Volunteer, or by any other person (including but not limited to Volunteer's estate, family, successors, heirs, representatives, administrators, and/or assigns), including all liability for damage to personal property, personal injury or loss arising out of or related to Volunteer's participation in the Activity to the fullest extent permitted by law. This provision shall survive the termination or expiration of this Agreement.

Severability/Governing Law: Volunteer agrees that this Agreement is intended to be as broad and inclusive as is permitted by the law of the State of Utah and that if any portion hereof is held invalid, it is agreed that the balance shall, notwithstanding, continue in full legal force and effect. The Agreement shall be governed by the laws of the State of Utah, without regard to conflicts of laws principles. Venue for any lawsuits, claims, or other proceedings between the Parties relating to or arising under the Agreement shall be exclusively in the State of Utah.

Health Insurance and Consent to Medical Treatment: Should Volunteer require emergency medical treatment as a result of accident or illness arising during the Activity, Volunteer consents to such treatment. Volunteer acknowledges that UVU will not provide health and accident insurance for Volunteer, and Volunteer agrees to be financially responsible for any medical bills incurred as a result of emergency medical treatment.

Intellectual Property & Likeness Release: Volunteer agrees that anything that Volunteer create (inventions, copyrightable works, etc.) during the Term shall belong to UVU and Volunteer assigns all rights and interests in and to such creations to UVU. Volunteer authorizes UVU, acting through its agents, employees, or representatives, to take photograph, video, and/or audio recordings of Volunteer, including Volunteer's name, image, likeness, performance, and/or voice ("Recordings"). Volunteer grants UVU an unlimited right to reproduce, use, exhibit, display, perform, broadcast, create derivative works from, and distribute the Recordings in any manner or media now existing or hereafter developed, in perpetuity, throughout the world. Volunteer agrees that the Recordings

may be used by UVU, including its assigns and transferees, for any purpose including but not limited to marketing, advertising, publicity, or other promotional purposes. Volunteer agrees that UVU will have final editorial authority over the use of the Recordings, and Volunteer waives any right to inspect or approve of any future use of the Recordings. Volunteer acknowledges that Volunteer is not expecting to receive compensation for participating in the Recordings or for any future use of the Recordings. Volunteer releases and fully discharges UVU, and its employees, agents, and representatives, from any claim, damages, or liability arising from or related to Volunteer's inclusion in the Recordings or UVU's future use of the Recordings. This provision shall survive the termination or expiration of this Agreement.

Acknowledgment: I understand the legal consequences of signing this document, including (a) releasing UVU and its trustees, officers, directors, employees, and agents from all liability on my behalf, (b) promising not to sue, (c) and assuming all risks of volunteering in the Activity, including travel to, from, and during the Activity. I understand that I am responsible for my obligations and acts as described in this Agreement. I agree to be bound by the terms of this Agreement. I have read this three-page document, and I am signing it freely and voluntarily.
