

Concurrent Enrollment Procedures
 Department of Aviation Sciences
 September 2026

Purpose: This document is intended to outline the department-approved instructor qualifications, procedures for assessing instruction, providing training, and the overall responsibilities of the Aviation Sciences CE liaison, who assumes these primary responsibilities.

CE Instructor and Liaison Qualifications, Standards, and Expectations: UVU’s accrediting body, the Northwest Commission on Colleges and Universities (NWCCU), has its own teacher qualification standards. The National Alliance of Concurrent Enrollment Partnerships (NACEP) have specific [standards for quality](#) in CE. The Utah State Legislature has its own standards according to [HB 335 Alternative Concurrent Enrollment Options for Capacity Flexibility](#), which do not necessarily align.

| Aviation Sciences | Utah HB 335 |
|---|---|
| Industry certification in the course’s field All applicants must have a BS degree | A degree, certificate, or industry certification in the concurrent enrollment course's academic field |
| To be considered for teaching AVSC 1100 Private Pilot Ground, the applicant must hold either an FAA Advanced Ground Instructor (AGI) certificate or a Certified Flight Instructor (CFI) for Airplane SEL certificate. To be considered to teach AVSC 1410 Aeronautical Knowledge for Small Unmanned Aircraft Systems, the applicant must hold an FAA Part 107 certificate. | Qualifying experience, as determined by the eligible institution |
| Aviation Sciences Exception to Above Standards and Related Procedures | |
| As a department, we expect high schools to meet the CE instructor qualifications outlined by NACEP and NWCCU and the Aviation Sciences Department. <ul style="list-style-type: none"> • Exceptions are not considered | |
