

Online Concurrent Enrollment Student Agreement Form

Live Interactive vs Online CE Classes

Live Interactive / Distance Education

- Class meets at your high school and the UVU instructor joins virtually. A facilitator is present.
- LI classes follow UVU's schedule. (Not the A/B schedule.) Most Live Interactive classes require you to block out 2-4 class periods across A and B days. *(Example: A class that is M/W/F 9:00 AM means you will be required to leave A1, A2, B1, and B2 open.)*
- Attendance and participation are required.

Online Concurrent Enrollment

- Class is 100% online. Lessons are pre-recorded. You work independently through UVU Canvas.
- You must follow instructor's syllabus provided online. Weekly assignments are common. Deadlines are firm.
- Your school may require an open class period during the day to accommodate your online class. It is recommended that you talk with your high school counselor *before* registering for any online courses.

What You Need to Know

- *This is real college credit, so it's important to take the class seriously - your grade will affect your college GPA and potentially financial aid eligibility.*
- If you are unable to complete a class, you must drop the class BEFORE the official drop deadline. Otherwise, a failing grade will show up on your college transcript.
- You are responsible for managing your own schedule, assignments, and deadlines. Contact your instructor directly with questions about your coursework or due dates. You are expected to check your UVU email and Canvas regularly.
- Classes may include additional fees.

If you have any questions, don't hesitate to contact your high school CE facilitator or UVU CE advisor.
