

Fast Track 123 – Automotive

For more information, visit www.uvu.edu/pathways/fast-track

01

**COMPLETE AN
AUTOMOTIVE PROGRAM
AT A UTAH TECHNICAL
COLLEGE**

Depending on your career goals, you can complete an Automotive Technology program, a Diesel Technology program, or Collision Repair program.

Make sure that your application to UVU includes the transcript from your technical college program – don't let the credit go to waste!

**APPLY TO UVU AND
SEND YOUR
TECHNICAL COLLEGE
TRANSCRIPTS**

02

03

**MEET WITH AN
ADVISOR**

UVU advisors are your first stop for all questions about credit, degrees, and college completion

In one year of classwork, you could complete your AAS in Automotive Technology or Diesel Technology. In two years, you could have a Bachelors in Transportation Technologies.

**COMPLETE THE
DEGREE
REQUIREMENTS**

04
